Dear Mr Sharp

At Cabinet on 1 June 2004, it was resolved that an item relating to the sale of land at Underhill to Barnet Football Club Holdings Ltd should be referred to you for further investigation. This was resolved because it was felt that the investigation team's findings were inconclusive. It was also felt that the powers of the Special Investigation Panel which had been set up were limited and you would have the necessary authority to gather the information which Cabinet felt was either missing or unavailable to it.

It is my understanding that various members of the public and local organisations have already contacted you regarding this matter and that the reports which were available to Cabinet may already be in your possession.

If you wish to see me or speak to me, I shall be happy to make myself available.

Yours sincerely,

Councillor Victor Lyon  
Leader of the Council
