

## Dear Parents,

Thank you for your interest in our preschool. This brochure briefly outlines our policies so that you will gain a better understanding of our program. A more detailed parent's handbook will be given to you once your child has enrolled. You are welcome to visit our facilities. We will be happy to answer any questions you may have. Please call our office to schedule a visit. We look forward to having your child in our school.

## PURPOSE

Our purpose is to lovingly provide the opportunity for each child to develop to his/her fullest ability.

## PHILOSOPHY OF LEARNING

In a caring and positive atmosphere, we create a warm and happy place for preschoolers to learn. As we bridge the gap from home to school, we guide children to a continued good self-image while building social skills in a school setting.

Sensory, motor, perceptual, and language skills are introduced through materials and activities, which are both child-centered and teacher-directed. Activities emphasize the

process rather than the product, fostering a sense of accomplishment and pride.

## STATEMENT OF PHILOSOPHY

We believe that there is only one true and living God, revealed to us as described in the Bible, as the Father, Son, and Holy Spirit. We believe that God's Son died for all men; that everlasting life comes through a personal trust in Jesus Christ for the forgiveness of sin; that this Christ gives purpose to life, to all who acknowledge Him as Savior; and that with His daily help and strength, we will better meet our goals and responsibilities to those to whom we teach and administer.

We believe that each person is created in the image of God and hence has unique and infinite value and worth. We believe that we can bring glory and honor to God and serve our Lord Jesus Christ by serving the children and families of our preschool, and by showing them the love of our Lord.

We are a Christian preschool. We believe that the values we teach can prepare children for later life experiences.
