G C
Gravity is working against me
And gravity wants to bring me down

Am7
Oh I'll never know what makes this man
D
With all the love that his heart can stand
BbM7 Gm7 D
Dream of ways to throw it all away

Oh Gravity is working against me
And gravity wants to bring me down

Am7
Oh twice as much ain't twice as good
D
And can't sustain like a one half could
BbM7
It's wanting more
Gm7 D
That's gonna send me to my knees
[repeat]

Oh gravity, stay the hell away from me
And gravity has taken better men than me
(now how can that be?)

Just keep me where the light is
Just keep me where the light is
Just keep me where the light is
C'mon keep me where the light is
C'mon keep me where the light is
Oh... where the light is! [repeat]
