

One Headlight Wallflowers

G D  
So long ago, I don't remember when  
F#7 Bm  
That's when they say I lost my only friend  
G D  
Well they said she died easy of a broken heart disease  
F#7 Bm  
As I listened through the cemetery trees  
(Chords only once)

I seen the sun comin' up at the funeral at dawn  
The long broken arm of human law  
Now it always seemed such a waste  
She always had a pretty face  
So I wondered how she hung around this place  
G //// //// F# //// //// Hey.....

G  
... Come on try a little  
D  
... Nothing is forever  
Em / / / A  
....There's got to be something better than  
In the middle  
G  
... But me and Cinderella  
D  
... We put it all together  
Em / / / A  
We can drive it home//// //  
// G  
With one headlight

She said it's cold  
It feels like independence day  
And I can't break away from this parade  
But there's got to be an opening  
Somewhere here in front of me  
Through this maze of ugliness and greed

And I seen the sun up ahead  
At the county line bridge  
Sayin' all there's good and nothingness is dead  
We'll run until she's out of breath  
She ran until there's nothin' left  
She hit the end-it's just her window ledge

Chorus  
Well this place is old  
It feels just like a beat up truck  
I turn the engine but the engine doesn't turn  
Well it smells of cheap wine and cigarettes  
This place is always such a mess  
Sometimes I think I'd like to watch it burn

I'm so alone, and I feel just like somebody else  
Man, I aint changed but I know I aint the same  
But somewhere here in between the city walls of dyin' dreams  
I think her death it must be killing me  
Chorus
