

Calling All Angels 48/90

 A G D
I need a sign to let me know you're here
All of these lines are being crossed over the
Atmosphere;

I need to know that things are going to look up
Cuz I feel us drowning in a sea slipped from a cup

G
And there is no safe place
no safe place to put my head,
You can feel the world shake
from the words that I said;

I'm calling all angels X2
G / A / Bm / C
I won't give up, you don't give up X2

I need a sign to let me know you're here,
Cuz my TV set just keeps it all from being clear.

I want a reason for the way things have to be,
I need a hand to help me love some kind of hope inside of me

(Chorus)
G / A / Bm / C
When children have to play inside so they don't disappear
While private eyes saw marriage lines cuz
we don't talk for free
And football teams & kissing queens are
losing site of having dreams
And a world where all we want is only
what we want until it's ours.
