INT. AMANDA'S HOME - MORNING

AMANDA JOHNSON, age 18 with shoulder length red hair, sits on the floor in a circle with her friends.

MEGHAN

Ok Amanda. Truth or dare?

AMANDA

Dare of course.

Meghan shifts her gaze towards the bathroom door. The other girls laugh and Amanda rolls her eyes.

AMANDA (CONT'D)

Nothing ever happens, Meghan.

MEGHAN

Then you have nothing to worry about. But given how many interpretations of the legend there are, you might be that one special girl.

Amanda scoffs, but stands up.

No matter what

INT. BATHROOM - CONTINUOUS

Amanda stands in front of the bathroom mirror.

Hands gripping the sink tightly.

Almost to the point that her knuckles turn even whiter than they already are.

AMANDA

Bloody Mary. Bloody Mary. Blo...

Amanda stops. She gulps and is unable to utter the name a third time.

AMANDA (CONT'D)
Ok guys! Nothing's happened!

The lights flicker on and off in the bathroom for a few seconds. Amanda quickly moves for the door and exits.

If you value your life

INT. LIVING ROOM - CONTINUOUS

Amanda enters the living room. It's deserted. Not a soul in sight.

AMANDA
Guys?

The lights short out.

MARY
Amanda.

Amanda walks around the room darting her head in every direction; trying to find the source of the mysterious voice.

MARY
(quietly)
Amanda...Amanda.

Amanda stops in front of a mirror. Her body tenses up. A body materializes behind her and puts a hand on Amanda's shoulder.

DON'T BE AFRAID

INT. BATHROOM - CONTINUOUS

Amanda's friends have crowded around her body. Meghan fiercely shakes it, but achieves no response.

MEGHAN
Amanda!?! Amanda!

INT. LIVING ROOM - CONTINUOUS

Amanda looks terrified despite the fact that Mary hasn't done anything to her yet. The camera pans down to show Mary holding a concealed knife in her left hand.
