

A black and white photograph of a person in mid-air, jumping across a gap between two large, layered rock formations. The person is wearing a dark jacket and pants, and their arms are outstretched. The background shows a vast, open landscape under a clear sky. The entire image is framed by a thin yellow border.

**Dad, you made  
me believe that  
anything is possible.**

Yes, I know...I won't come running to you when I crack my head open on the rocks. But still - thanks for making me believe in myself.

**Happy Father's Day!**
