

Dear Parents,

Thank you so much for participating in our various fundraisers throughout this past year. We appreciate the time and effort that you gave to the organization. As you know, the AGPO does gift a portion of its proceeds to American Gymnastics, in an effort to help purchase items to better the gym as a whole. This year, the donation will be going to help with the purchase of new mats for under the balance beams, and possibly a new beam.

Please complete your ballot, and either print and place it in Jane Tu's folder, or respond to the original email with your vote. Please cast your vote no later than Friday, June 28th.

Thank you for your time!

Jane Tu, Lisa Hughes
