

## Linking Memory Game List

### Simple Instructions:

1. Print out the table of items
2. Cut out each of the items along the lines

### To Play:

3. Put the items in a small bag and pick up any numbers of cards randomly
4. Form any silly stories to link up the items
5. Once the story is complete, repeat all the items in the story together or in turns and see how many you can complete.
