

Southern Maryland Juniors

Junior Girls Volleyball - 765 Dan Bowen Road, Prince Frederick, Maryland (410) 535-4932

Parent Commitment Letter Agreement

If my daughter, _____, is offered a position on a team and she accepts that position, she is committing to participate in club volleyball for the 2013- 2014 season with Southern Maryland Juniors and I understand the time commitment involved.

- I understand the club volleyball season is long and intense; I am committed to supporting my daughter, her teammates, and her coaches throughout the season in a positive manner.
- I understand practice is the core of the learning experience of each player in club volleyball. Tournament playing time will be based upon skill level, participation in practice, performance, effort, commitment, and attitude of the player during practice. All tournament playtime is at the discretion of the coaches. There is no guarantee that tournament playing time will be equal.
- I agree to submit payments on time as outlined on the Payment Schedule. I understand that if my daughter withdraws from a team, it does not exempt our family from our financial responsibility. Withdrawing after January 1 will require the remaining payments to be paid in full immediately. Withdrawing prior to January 1 will require a prorated amount be paid based on expenses at the beginning of the season. A collection agency will be used for delinquent accounts. SMJ's does not issue refunds unless a season-ending injury occurs, which would be reviewed on a case by case basis.
- I understand that tournaments are regularly scheduled on weekends and holidays; including Martin Luther King day, President's Day, Easter (including Easter Sunday), and Memorial Day weekend.
- I understand that if my daughter or I have a problem during the season, I will follow the proper steps to effectively solve the problem.
