

In honor of your birthday,

we  
were  
going to form  
a human pyramid.

But we discovered  
we're just too lazy.  
And we only have 10  
minutes for break.  
And we need to save  
our energy for eating  
birthday cake.  
And we're not sure  
if insurance covers  
pyramid accidents.

Anyway, have a  
fabulous birthday!
