

Spring Session Make-up Classes

As a reminder, make-up classes will be handled differently starting with the upcoming spring session. You will no longer be able to make-up a class in another class. We will be holding specific classes just for make-ups. You must sign up in advance so that we do not overbook. You will be limited to 2 make-up classes per session. This has always been our policy, however, we have been very lenient with it, and now have to abide more strictly. Please see the schedule of the make-up classes below.

** All make-up classes are held on Fridays at 5:15pm, and **include all ages** **

If you sign up for a make-up class, please be sure to attend as space is limited, and also as a courtesy to others who may need the spot.

As always, please try to attend your regularly scheduled classes so that make-ups are not an issue.

Thank you!
