Player Commitment Letter Agreement

If I am offered a position on a team and I accept that position, I understand I am committing to participate in club volleyball for the 2014 - 2015 season with Southern Maryland Juniors and I understand the time commitment involved.

- I understand the club volleyball season is long and intense; I am committed to my team, teammates, and coaches and will participate in the season with a positive attitude.
- I will attend all practices and tournaments.
- I understand practice is the core of the learning experience of each player in club volleyball. Tournament playing time will be based upon skill level, participation in practice, performance, effort, commitment, and attitude of the player during practice. All tournament playtime is at the discretion of the coaches. Tournament playing time will not be equal.
- I understand that major tournaments are regularly scheduled on weekends and holidays; including Martin Luther King day, President's Day, Easter (matches are played on Easter Sunday), and Memorial Day weekend. I am committed to attending all of these tournaments.
- I understand there will be penalties for absences from practices and tournaments.
