

**DUST EXTRACTED BEDDING, HAY  
AND SO MUCH MORE!**

**GOLD FIELDS**

**GOLDFIELDS DUST EXTRACTED STRAW**

GoldFields Original or Fine Cut  
Available Infused with Eucalyptus or Lemongrass

Discounts offered on large quantity sales delivery  
always prompt and reliable.

**AVAILABLE NOW**

**ABSORBENT:** Significantly more absorbent than wood shavings and comparable to other leading bedding products.

**BIOSECURITY:** Sourced from clean wheat fields and protected from contamination before and after production in our bio-secure facility.

**ANIMAL HEALTH:** Being dust extracted means that it Reduces animal exposure to harmful dust, mold, salmonella and other pathogenic organisms, improving animal health and comfort.

**MORE COVERAGE:** Each bag compacted 4:1 giving twice the volume of material over regular wood shavings. Reduces bedding waste by half.

**CONVENIENCE:** Easy to haul in trailers and stores well barns. Light weight for cleaning and reduces waste.

**COMPOSTABLE:** Forms a complete biological cycle that takes 100% wheat straw from grain crops, then returning used straw back to the soil in as little as 3 months composting. An excellent soil enhancer.

**ODOR REDUCTION:** Reduces barn odor by trapping ammonia gasses in the layers of straw.

**EMPLOYEE WELLNESS:** Employees no longer have to breathe in the dust and mold that comes from working with regular straw bales or wood shavings.

**RELIABLE SUPPLY:** Animal bedding is our business, not a by-product or an afterthought. As a result, GoldFields is available on-time, when you need it.
