## Decision for 2020 - 2021

- First Covid-19 Case found in the middle of March 2020
  - From last week of March, the Government decreed to stay home and lock down in Yangon (churches, religious temples and schools were under restriction and control, not allowing assembly of more than 5 people).
  - From time to time, the restriction days are added, until this day.
- At first, DBS admin team decided to start 2020 – 2021 academic year in August, but the situation did not allow this.
- Finally, the Admin Team, decided to start a new building project.
- The old building was ruined and eaten by moth, so took the opportunity of preparation time for the coming academic years (2021-2022).
- DBS received support from WCL and local donations; and started in faith with the funds DBS had available.

- To praise God for giving passion to some students for church planting and higher study. Let's pray that the Lord sustains them and enables them to make it happen in due time.

# Prayer Requests

- Keep DBS Building Project in mind and prayer that it be accomplished before the coming season (2020-2021 academic year)
  - To have God's provision for the work
  - The Total Estimation for 2 story project is 60,000,000 MMK. (During the pandemic period, construction materials price have increased since we calculated & budgeted)

- Pray that all old students and new students will make it to come and join the 2021-2022 academic year.
- The partnership of WCL and DBS bears much fruit in the service of God in Myanmar through multiplication of disciples and new churches.

## A Prayer from DBS

May Yahweh God bless and keep WCL from all harms and schemes of the evil one.

May our Jehovah Jireh gives everyone in WCL a healthy and successful life.

May our God of Love unite all of us more in the Love of Christ Jesus and refresh our inner men with His consuming fire to please Him and to live a life worthy in His Presence.

May the Founder of the Church strengthen WCL from eldest to the youngest in spirit and in truth.

May the Spirit of God empower both, WCL and LWCC (DBS), to accomplish the calling of God in Christ Jesus.

Through our lives and services, May The King of Kings be glorified. Amen.
