Targeted Advertising to Culturally Engaged Audience: 99% of Readers Recommend Museum Crush

Museum Crush is an entertaining regular email digest of stories from the world of museums. It is created by Culture24, which has been providing trusted, engaging editorial content about museums and their collections for over 20 years.

Each digest offers an opportunity for you to be the sole advertiser in a non-commercial and trusted editorial space, ensuring maximum impact. Digests are usually sent on Thursdays or Fridays, to 15,000+ engaged subscribers. Average open and click rates for 21/22 were 35.5% and 8.7% respectively.

Visitors to the Museum Crush website are united by an interest and passion for museums and their collections. Well-read and culturally engaged, their interests extend to many other areas including: art, theatre, books, green living, politics, photography and travel. Analysis from Google and an online survey reveals the following:

- Very even gender split (51% female / 49% male)
- 95% are interested in visiting museums & 87% are interested in exhibitions
- Over 70% of readers attend a cultural event every month, with 50% of those attending between two and four events per month
- Readership is split fairly evenly across age groups, with the largest group being 25-34 year olds at 24%. The rest of the age groups are represented as follows: 65+ (16%), 55-64 (16%), 45-54 (17%), 35-44 (17%) and 18-24 (11%).
