GM New York Washington! Most of you have heard by now that Jahana Hayes won the historic race to become the first AA Democratic Nominee for the 5th Congressional District House of Representatives. This is her pastor, Rev. Chanita Thompson immediately after hearing the news while at Jahana's side. Although it is only Half Time, something should be said about a great player on Jahana's team. Rev. Thompson, thank you for seeing what God saw in Jahana Hayes! Thank you for modeling what it means to offer pastoral support to a member who aspires for the impossible, you are the epitome of team Hayes!
