**From the office of Bishop James Walker**

### **Great Morning to You Superlative Seventh!**

Sr. Bishop Adam Richardson of the AME Church wrote a litany connecting the Mother Emanuel Church to the ritual proclamation that "The doors of the Church are open."

On this day there has been no human attack, but many parishioners are sheltering in place because of COVID-19. On this day, it is important to remember that the doors of the church are still OPEN. The doors I speak of are not made of wood or metal. Open doors is a metaphor regarding God's choice to include human kind in an eternal family. Open doors means that the ministry, care, advocacy and life changing power of the church does not hang on hinges, but upon the shoulders of the living Christ.

Have a wonderful day in worship today. Refuel for the challenges of the week ahead and be sure to proclaim again that **"The Doors of the Church Remain Open!"**
