From the office of Bishop James Walker

Good Third Sunday After Easter Morning.

It is my prayer that your service today is blessed. SC has lifted some restrictions on Sunday Worship. Other States will soon follow. I will not stop plans that are in place, but I do demand that if we open, we plan it. COVID 19 hits people of color harder than others. BE CAREFUL. If you are ill or concerned for your health please stay home! If you do not have a mask, I believe the guidelines say stay out of public gatherings. Have non-household members sit apart 6 feet in back front and sides. Be sure to set up trays for people to give as they enter or leave service. Do not pass trays or have people holding trays. Do not hold service for more than one hour. I invite all Pastors/Chaplains/Seminary Professors/Clergy employed in nontraditional ministries and Presiding Elders, to a round table discussion about reopening on Tuesday at 8:30 PM. I will send out the zoom information today.

Be Safe Because You Are Worth IT!
