## Summary from August 25th

**Thayer Morgan** of *Berkshire Hathaway HomeServices Commonwealth Commercial Real Estate* presented. While Thayer isn't exactly sure when he joined Bay State, he estimates he's been a member for about 20 years. Thayer talked about who he is, where he grew up, and where he went to school.

Presently, Thayer works with investors buying and selling assets. He represents tenants and landlords for retail, office, and life science buildings. Always one to engage the audience, Thayer asked who remembers any of his hobbies. Audience members knew almost every one of them!

Thayer detailed some of the home renovations he really enjoys doing. He had a double major in school; Business and Art. Interestingly enough, no one ever asks him about his love of the arts. So, he took this opportunity to talk his interest in photography and painting. Thayer explained some of the different media and tools he uses, illustrating his fondness of digital art utilizing Painter, and showcasing some of his work.

Reach out to Thayer to discuss real estate, BSEA, and the arts!
