RE: 2017-2021 TIP AMENDMENT #1

The following is an Amendment to our 2017-2021 TIP that was approved by the TAC at our September 15th meeting:

Cochise County: Davis Road Project Assessment and DCR (CCH18-01): This is a CBI Project that was programmed in 2011. At the time, the purpose of the project as presented in the CBI application was a planning study focused on improving the Davis Road corridor. However, ADOT has advised the County that the project must show progression to construction or they will not proceed with the planning process. The County is contesting ADOT's interpretation of the grant purpose. However, to ensure project progression, it is proposed that ROW acquisition be programmed in FY18 for \$250,920 Federal and \$16,143 Local. Project total is \$267,063.
