

208 CONSISTENCY

APPLICANT: PLEASE COMPLETE SECTIONS 1-10

Application Submittal: submit application to the 208 Program. Email application to emv@azdeq.gov; call (602) 771-4606 for assistance, or go to <http://azdeq.gov/environ/water/watershed/regional.html> for further information. Along with this completed application, the applicant **MUST** submit a map with the information noted in item 4 below. Failure to include the map will result in the application being considered incomplete.

Part A. Is your application for any of the following:

X	A new domestic (publicly or privately owned) Wastewater Treatment Plant (WWTP)
	An existing domestic (publicly owned or privately owned) WWTP that is adding an AZPDES discharge outfall or changing the location of a previously approved AZPDES discharge outfall
	More than a 10% increase in permitted design flow
	Expansion of the service area
	Change of ownership of a domestic (publicly or privately owned) WWTP (Pima County only)
	Approval of Sanitary Facilities utilizing on-site wastewater treatment (APP only)

If you answered "yes" to any question above, please complete the remainder of this form

Part B. Facility Information		Explanation (Provide a brief description)
1. Facility Name	Name of Owner	Freeport-McMoRan Morenci Inc
	Name of Applicant	Freeport-McMoRan Morenci Inc
	Contact Phone Number	928-865-6000
	Contact Email Address	jcampbel@fmi.com
2. Permit Type	a. AZPDES (existing or new)	N/A
	b. APP (existing or new)	P-100193
	c. If AZPDES, give name of surface water receiving the discharge	Current surface water discharged to: N/A Future surface water discharged to: non-discharging
3. Facility Location	County	Greenlee
	Latitude/Longitude (for AZPDES, lat/long of the outfall)	N/A
4. Attach a map(s) that includes at a minimum	a. Facility/site location b. Discharge location(s) c. Other disposal options d. Service area (for expansion include current and future area)	
5. Describe the application action(s) checked in Part A.	a. New WWTP facility	
	b. New outfall or change in outfall location	

above.	c. Capacity expansion (million gallons per day (MGD))	
	d. Expansion of service area	
	e. Change in WWTP ownership (Pima County only)	
	f. Approval of Sanitary Facilities using on-site wastewater treatment systems (APP only)	
6. Facility Information	a. Treatment process: Current <u>Clarifier/Trickle Filter</u> ; Future <u>Aerobic/Anaerobic Digestion</u> b. Design capacity (annual average daily flow): Current <u>Unknown</u> ; Future <u>1.2M GPD</u> c. Effluent disposal method: Current: <u>Industrial Re-Use</u> ; Future <u>Industrial Re-Use</u>	
9. What type of entity will operate the facility?	a. Municipal/public utility	Name: _____
	b. Private utility	Name: _____
	c. Semi-public (sanitary district, improvement district)	Name: _____
	d. Other (explain)	Explain type: Name: <u>Mining - Freeport-McMoRan Morenci Inc</u>
