

## Closingritual with Fro'ghla'tasch

Beloved spirit Fro'ghla'tasch with whom I have been working with, sorcerer of house Retztael under Azazel's rule , I hereby address our previous agreement; I no longer wish to work with you due to a lack of results in what it is that I was aiming for.

I thank you nevertheless for your attention, your time and interest in me. I hereby stop our agreement with this closingritual and will be sure to call upon you if I ever need you again & of course if you will have me as a partner then, business-or otherwise.Amen.(7x )
