## Honoring A Life: Advance Care Planning

7/17/18

9:30 a.m. – 11:30 a.m.

Cochise College Willcox Center – 470 N. Bisbee Ave.  
Willcox, AZ

When it comes to end-of-life care, one conversation can make all the difference. This 2-hour workshop helps people begin the conversation and outlines a clear process for them to ensure that their priorities and preferences for end-of-life care are known, documented and honored. Objectives are to reduce fear and stigma around talking about dying and to allow people to consider what's important to them; learn how to talk to others about their wishes; review healthcare planning decisions, resources and documents; learn with whom to share their healthcare planning documents; and discuss when to review and update these documents.

### Target Audience:

The general public, anyone 18 years or older but with special focus on the elderly or those with serious illness. Registration includes refreshments and program materials.

**Registration is free but space is limited.**
