Section B: Tow Truck Operator additional information

If you operate additional impound areas away from this place of business, you must register each location separately by submitting a *Business License Application* and a *Vehicle Transport/Disposal Branch Site Addendum* for each location. You do not need to complete the *Vehicle Transport/Disposal Addendum* form if you only wish to register for branch site endorsements.

You must attach the following to the *Vehicle Transport/Disposal Addendum*:

- **Driver List:** The names of all employees who will serve as tow truck drivers at this location.
- **Insurance:** Proof that the business carries the following insurance:
 - **\$100,000** liability for bodily injury or property damage; and

The name of the principal on the bond must reflect exactly both the business owner name (sole proprietor name, all partners, or the corporate name) and the business firm name.

All bonds must be signed by the Attorney-in-Fact for the bonding company, and by the applicant (the individual, if a sole proprietor; all partners, if a general or limited liability partnership; or by an authorized corporate officer or member, if a corporation or limited liability company). **Incorrect bonds delay endorsement approval.** A blank bond form is provided for you in the application package.
- **Fee Schedule:** A declaration of the fees you charge for the various tow truck services. (The form is provided.)

Section D: Hulk Hauler, Wrecker and Motor Vehicle Salvage Processor additional information

1. Indicate how many sets of plates you need for each business type.

2. All applicants for these endorsements must attach a *Personal/Criminal History Statement*. (Remember to include the correct plate fee with your total application payment: \$5 for the first set of plates of each type, and \$2 for each additional set of plates of that same type.)

Note: You must submit a separate application for other locations doing business as a Hulk Hauler, Motor Vehicle Salvage Processor, and/or a **Branch Site** Vehicle Wrecker, and list the vehicles used for each business location on each separate application.

Motor Vehicle Salvage Processor and Wrecker applicants must attach a completed Department of Ecology checklist for the State Environmental Policy Act (SEPA) for your business location (the form is provided with the application). The completed checklist must be presented to the local zoning official for review and approval before the application is submitted (see section B of Certification and Approval).

All bonds must be signed by the Attorney-in-Fact for the bonding company, and by the individual, if a sole proprietor; all partners, if a general or limited liability partnership; or by an authorized corporate officer or member, if a corporation or limited liability company. **An incorrect bond will delay your endorsement approval.**

Section A: Business site Identification

This section identifies for the officials who will sign the certifications in sections B and C the business site for which the Certification and Approval form is being filed.
