Dear Employer:

**OUR RECORDS SHOW YOU DID NOT FILE YOUR WORKERS'
COMPENSATION QUARTERLY REPORT BY THE FILING DEADLINE.**

****Please disregard if you already filed.****

WHY DO I OWE THIS AMOUNT?

You are required by law to file a workers' compensation report every quarter, even if you have no payroll or employees to report. Because we didn't receive your 2020 Quarter 3 report and premium payment, L&I was required to estimate a premium that may become legally binding unless you take action by 11/27/2020. This estimate was based on your payroll history and business license application.

HOW CAN I RESOLVE THIS MATTER?

Go to <https://www.lni.wa.gov/insurance/quarterly-reports/file-quarterly-reports/> and file your report. There is a minimum penalty of \$10 for late reporting. Further penalties and interest will continue to accrue on the first of each month.

If you already filed your report but did not pay, please mail your check immediately to:

Labor and Industries
PO Box 34022
Seattle, WA 98124-1022

If you are a paper filer, mail your paper quarterly report and check to the address listed on the report. If you need to request or reinstate paper reports, please call 360-902-4817.
