Penalties

We are required by law to charge any applicable penalties.
The amount of penalty and interest shown is based on this adjustment.

Failure to make a proper federal tax deposit

| Description | Amount |
|-----------------------------------------------------------|-------------------|
| Total failure to make a proper federal tax deposit | \$1,171.75 |

We charged a penalty because you did not make a proper tax deposit based on your record of federal tax liability. Common reasons why we charge this penalty are:

- You did not deposit your tax on time
- You did not deposit enough tax
- You paid your tax directly to the IRS
- You did not deposit your tax electronically, as required by law

For information about depositing taxes, see the Employer's Tax Guide (Publication 15) or the Agricultural Employer's Tax Guide (Publication 51). (Internal Revenue Code section 6656)

For a detailed calculation of your penalty charges, call 800-829-0115.

Designation of deposit

The law allows you to tell the IRS where to apply your deposits within the tax return period with a deposit penalty. You have 90 days from the date of the correspondence you received showing the deposit penalty to contact the IRS if you want to specify where to apply your deposits.

The law also allows the IRS to remove the deposit penalty if: (1) the penalty applies to the first required deposit after a required change to your frequency of deposits, and (2) you file your employment tax returns by the due date.

Removal or reduction of penalties

We understand that circumstances—such as a serious illness or injury, a family member's death, or loss of financial records due to natural disaster—may make it difficult for you to meet your taxpayer responsibility in a timely manner.

We can generally process your request for penalty removal or reduction quicker if you contact us at the number listed above with the following information:

- Identify which penalty charges you would like us to reconsider (e.g., 2016 late filing penalty).
- For each penalty charge, explain why you believe it should be reconsidered.

If you write us, include a signed statement and supporting documentation for penalty abatement request.

We'll review your request and let you know whether we accept your explanation as reasonable cause to reduce or remove the penalty charge(s).
