Morning, still haven't taken the fam/med from either account? Find anything on that?

I reissued it

Friday 12:03 PM

So the laundromat pd fam/leave came out 11-15 for \$10.14, but Aj's pd fam/leave for \$91.16 has never come out? We lost our laundromat employee due to Covid- Belinda's last pay ck was 11-1, have new employee Abram Gomez started 11-19, he is also working for Aj's, had a new employee at Aj's- he quit 11-23, got another part time that started 11-20, we entered it all in both quick books, will need you to make sure we did all correctly when you get a chance...

Hope you guys had a great Thanksgiving! 😊

Ok.
