

That's why I said in the video that Samael is the only one that impresses me that much or had done so up to that point just in terms of spirit interactions

01:10 ✓✓

But you still remember I know you do what I said in that video that when I saw him it was like nah you know Samael it's like a candle 🕯️ compared to him and he's like a fucking world trade center on fire 🔥🤦‍♂️

01:11 ✓✓

Hold on I'll send you that specific scene from Lord of the rings it's where gandalf so the wizard sacrifices himself to stop a hideous creature called The Balrog

01:11 ✓✓

So the both of us know and have experience in terms of spirit summonings as well as interactions and I'm telling you right now that I can say with 99 virtually 100% certainty that no magician or sorcerer so including me has ever come close to seeing anything or anyone like this

I've already told you how he makes me feel or how I feel. But I when looking at HIM , simply feel sorrow just incredible unlimited levels of sorrow you just feel incredibly sad but at the same time you feel joyous because you surpassed everything all the bullshit that the average person attaches value to such as family and crap like that, seeing him and being in his presence

It's just like imagine the worst level of depression you've ever felt if ever, like at some moment in time you just felt like not living or existing you felt completely nihilistic

01:21 ✓✓

Multiply that times unlimited

01:21 ✓✓

2

That's on negative note; c
positive note.

01:21 ✓✓

It's just like imagine the worst level of depression you've ever felt if ever, like at some moment in time you just felt like not living or existing you felt completely nihilistic

01:21 ✓✓

Multiply that times unlimited

01:21 ✓✓

That's on negative note; on a positive note,

01:21 ✓✓

Imagine feeling so high not because of anything mundane or even anything beyond the mundane imagine feeling like you're in a place that is free from time and space a place where you clearly feel that you have no more limitations you're no longer bound by anything or there's nothing after it here too so to speak regarding a state of mind

01:22 ✓✓

That's it
