

5th round calling

not connected

talked with father he is fine and studying aarya will call in evening

talked with aayush he is under treatment but fine to study that's he attempted paper in offline mode

vaccinated on Sunday so mild fever but she is fine and last test not given so will attempt in offline mode

ber busy msg left for call back, last test 474 phy 102 chem 96 bio 276

talked with mom he will call later

first number not reachable and last two test not given talked with father he was outstation now online test fear so gui

not received, last score 343, 7 hrs to 9 hrs improved by 80 marks keep trying

all good last test result not came yet so she will update in evening

not received left msg health good taken vaccination last test 546 phy 138, chem 88, bio 285

all good last test 515 phy 117 chem 104 bio 295 he is busy so will talk later

preparing for upsc

talked all good network area problem so last test given offline total 432 phy 91 chem 70 bio 271

only mom's number and it's always busy so might be they will call later

only one number and not received twice

talked everything fine some doubts I cleared on call

out of service no college practicals file making so busy from 6 days last test 368 phy 64, chem 47 bio 260.

all good last test given offline 430 phy 95 chem 90 bio 250. study duration complete

not received left msg will try tomorrow

not received, last score 80, chem 69 bio 188 total 337 last was 380. pressure of neet exam so relaxed him.

last test 298 improving little phy is low 30 chem 70 bio 198 max negative in bio and physics currently 10 hrs :

all good but last test was disturbed because of internet issue, offline 444 scored

not improving much continue to college crash course

not improving much continue to college crash course

last test not good scored 531 phy 131 chem 109 bio 290 now aim 550+ guide to improve and paper analysis

talked to father harshada is not **there and parents don't know performance of harshada, harshad didn't pick**

**he was depressed now guided and motivated he is now ok and motivated for studies**

**talked with dad he inspired us for our effort last 438 he is happy. study hour 7 hrs.**

want a lecture wave optics, overall revising and last test 511. **never give online because didn't receive otp**

recovered from last suffering last 487, phy total duration 6-7 hrs ask to do telegram question

last test not because of **lack of revision**, study 8 hrs **problem in organic chemistry**

not received on both, making short notes last test 370 phy 70, chem 96 bio 200.

Father was second time positive last test not given will not attempt next also. study hours 6 hrs.

mom is outside where network is not proper

talked to father he is outside will ask mugdha to call

**again not received this happens from last two times I left messages**

study going well more practice some concept missed out last score 453 phy ?? Will share on whatsapp

all good network issue so talk incomplete

all good improving a lot

**diagnosed migraine** one month treatment is going so she is studying as much as she can

both the numbers are busy they should call

all good last test was good, zoo and chem was tough. 474, phy 126 chem 94 bio 254, target 500 + in next.

not received first then call, study good, not vaccinated. last test easy target to touch 600.

cancel the call

all good formula revision problem total 9 hrs, last test not given because of network issue, vaccinated, offline

didn't pick

all good talked with father he is satisfied sakshi has decided to give offline test on omr in future

all good Root canal in teeth so went to doctors appointment .asked to share last result on whatsapp

talked with mom,she is studying well but mom dnt know much she never ask question in telegram

only one number available and didn't pick

all good last test 640 phy 166 chem 161 bio 313,improved 40 marks.doing telegram question.

last test not given because of fever cold last to last test 377,phy 88 chem 100 bio 189.

not received on either number

all fine doing study last test not given fear of online testing daily 9 hrs in phy 50 chem 40.

busy

all well last test not given because she was not fine viral .will give next test ,study duration 10 hrs.

study well last to last 580,imroving from last 50 marks ,study duration revision 7-8 hrs.telegram number not a

TB effect is continous and report is positive , studying 2 hrs daily last test not given

not pick on both

not preparing for neet

talked with father she is not studying well to grasp well,her highest score 570.he will call tomorrow

all good didn't give last tst because of village visit now he will attempt next study hours 8

busy

all good also talked with father last test 385 phy 100 chem 69 bio 218.ask to give extra time for bio with cons

not receivede

filled CET 2021 he was in village so last test not given but will attempt next

talked with mom studying 10 hrs ..marks approaching 400.revision in continous,last few test not given syll cc

talked with father satisfied and he is improving continously,motivated asking for neet 2021

busy

talked to father he is in village teerth will call soon

talked with parents he is outside ask to send teyshree no

talked with mom she is studying and vaishnavi is in village and contactless she will call as she came back

talked with vaishnavi now noise pollution reduced so now she is studying well

last test 490 but in latest 404 reduced by 100 marks she is trying asked to follow a routine and schedule

talked with dad he is outside ask to call vaishnavil last 502 phy 129 chem 66 bio 307.

not received two times
