## Former police officer fired for 'inflammatory' remarks about a cop who shot a black man is suing

A former MNPD officer, fired in February 2017 after an inflammatory Facebook post about the Philando Castile shooting, is suing.

By [J.R. Lind](#), Patch Staff | Feb 15, 2018 8:23 am ET

NASHVILLE, TN -- A former Metro Nashville Police officer, fired last year for an inflammatory Facebook post about a Minnesota police shooting, is suing the city for violating his First Amendment rights.

On July 7, 2016, Anthony Venable, a Hermitage Precinct officer, posted in Facebook comment thread about Philando Castile, who was shot during a traffic stop in Falcon Heights, Minn. the day before. "Yeah. I would have done 5," Venable wrote. Castile was shot four times.

**Venable, who is represented by notable Nashville defense attorney David Raybin and Brentwood attorney Larry Crain**, argues that the department's social media policy is selectively enforced, noting that just days after his firing, another officer was **decommissioned**, though not fired, for posting **a picture** of Black Panther Party National Chairman Bobby Seale and Defense Minister Huey Newton standing armed in Oakland, Calif. in 1967.

Attorney Larry Crain declined to represent the Davis family in June 2009, a month before Steve McNair was murdered. In Feb 2016, Attorney Larry Crain filed a \$3 million "defamation-invasion of privacy" lawsuit to silence Austin Davis. A \$2.1 million "defamation" default judgment is now protected by a permanent injunction. Apparently, all of this is legal and ethical in Tennessee. A notice of appeal has been filed with the Middle Tennessee Appellate Court.

**Re: REDACTED**

Dear Austin and Catherine,

It was my pleasure to meet with both of you today. I have since had an opportunity to review the documents that you left with me concerning your case.

The facts as related by you raise a host of legal and constitutional issues, all of which are complex in nature. It appears to me that you have sought repeatedly to resolve this matter following the admonition of the Holy Scriptures in 1 Corinthians: 6, Matthew: 18 and others. It is indeed unfortunate that your appeals to the ecclesiastical authorities of the church seem to have fallen on deaf ears. What is even more disturbing is the apparent pattern on the part of some church leaders within Covenant Presbyterian to use their political influence to try and intimidate you through the use of law enforcement and civil authority. This pattern opens the church and leadership to potential civil liability under such theories as invasion of privacy, defamation and for casting you in a false light.

# GAGGED

Attorney Larry Crain's Sept 24<sup>th</sup> permanent injunction forced the removal of supporting police documents from a 2014 blog article written by Oklahoma Pastor and former Tulsa Police Chaplain, Wade Burleson. ## Austin Davis, Covenant Presbyterian, and the Present Day Battle of Nashville, Tennessee

On a picturesque hill in southern Nashville, Tennessee, a knoll the old-timers named Red Bud Hill, sits a beautiful building called Covenant Presbyterian Church (PCA). On weekends, hundreds of people gather for worship services at this facility, one of the leading PCA churches in the south. Throughout the week the building is occupied by the staff, faculty and students of The Covenant School. The land around the church and school once belonged to the family of Amy Grant (the Burtons), but it is best known as the location where Union forces amassed to stop the advancing Confederate army during the last major Confederate offensive of the Civil War. This December 15-16, 1864 Civil War battle is called by historians The Battle of Nashville.

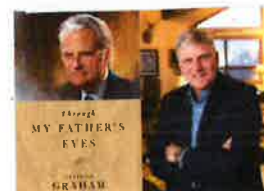

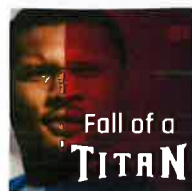

Today, Red Bud Hill is the location of another battle of Nashville.

The modern skirmish, unlike its predecessor, is being fought in the courtroom and not the countryside... This court battle, waged by attorney Duncan Cave, has received very little attention nationally, and surprisingly, none from the Nashville media as of yet. Some of the same people involved in the investigation and prosecution of the infamous Vanderbilt rape case and the murder investigation of Steve McNair are part of this modern day battle which has affected the lives of many people

**CASE CLOSED

**SUSPICIOUS TIMING  
OF PUBLIC  
ANNOUNCEMENT?**

**Chief Ronal Serpas is holding a press conference this afternoon**

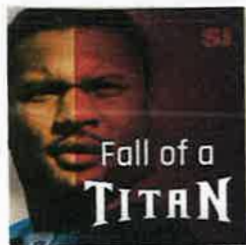

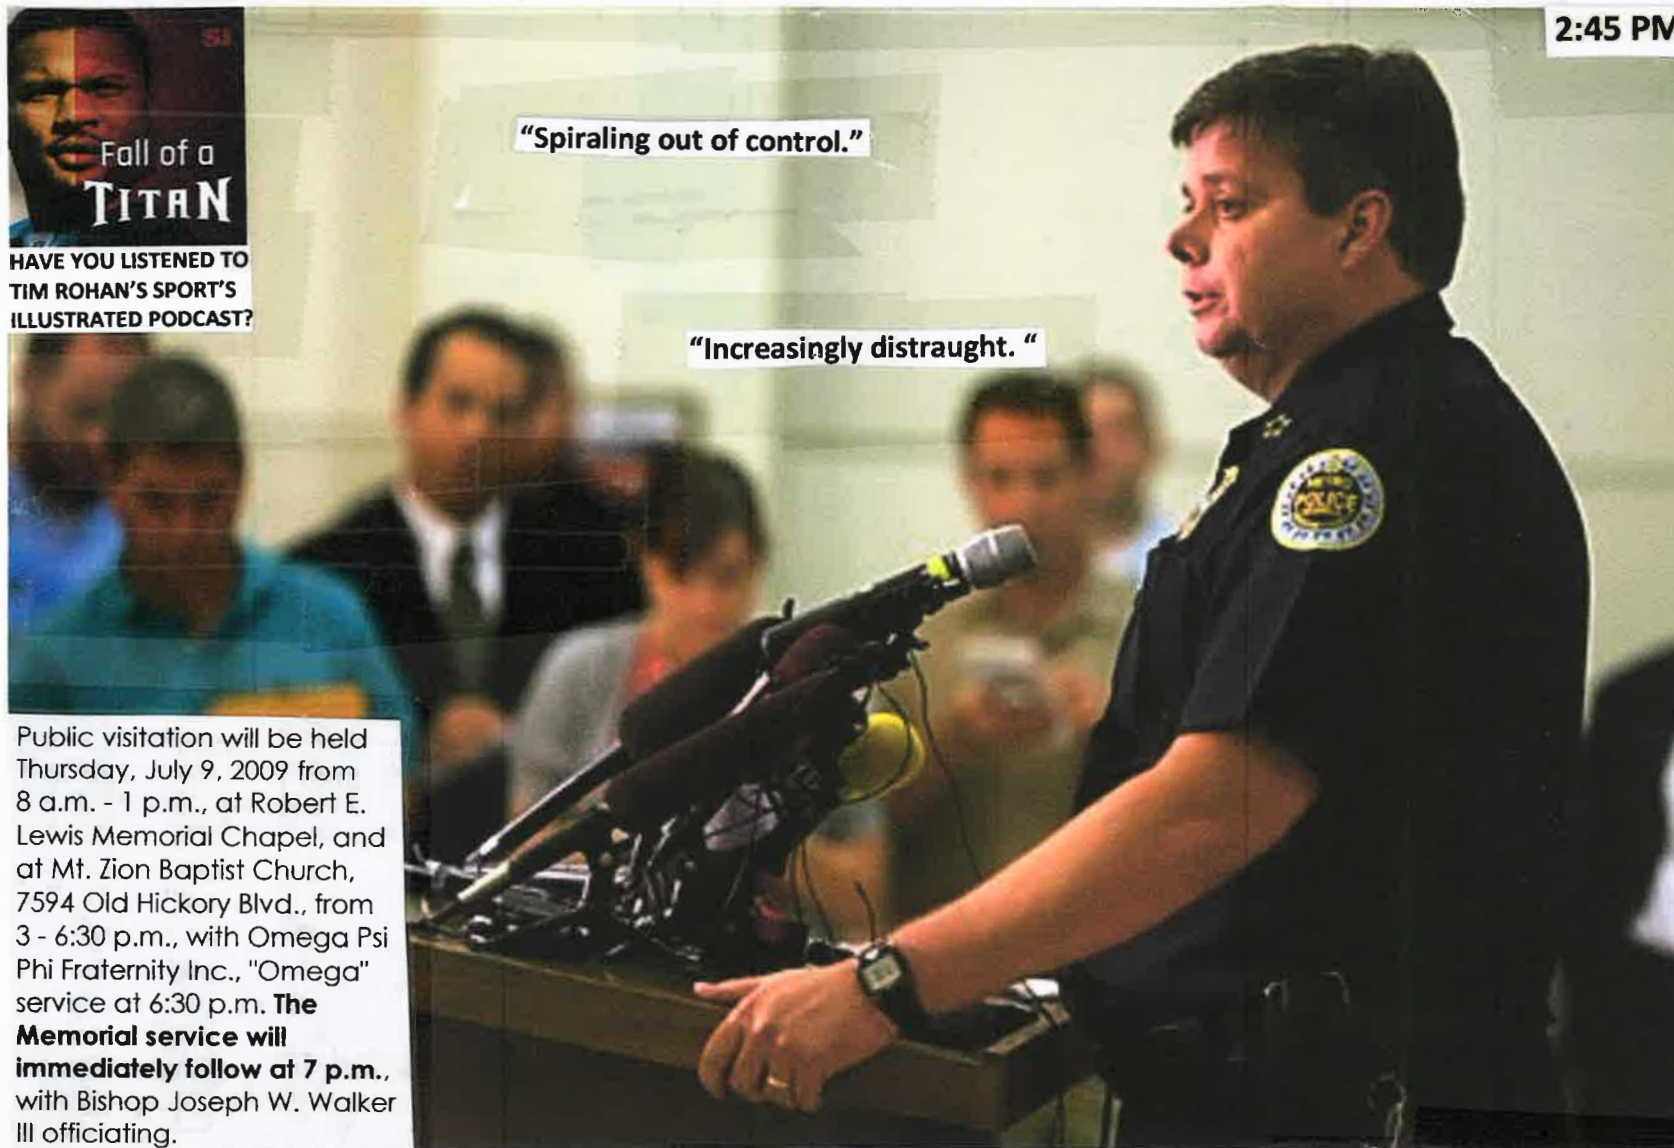

On July 2, two days before Steve McNair was murdered, his 20-year-old girlfriend Sahel Kazemi decided to unload all of her furniture on Craigslist. Family members say she was preparing to move in with McNair, who she believed was getting a divorce.

Though this is just educated speculation, it would appear to be further evidence of a murder-suicide: Young woman believes she's about to move in with former quarterback. But former quarterback isn't actually getting a divorce, and decides he might have run the old I'm-Going-To-Leave-My-Wife string just a bit too long, since his mistress is selling all her furniture. So he decides to come clean. This couldn't have been a pretty conversation.

Either way, we may get a final police ruling today. **Chief Ronal Serpas has scheduled a press conference for 2:45.** And chiefs, being the boss and all, usually don't decide to headline press conferences unless there's a significant breakthrough to unveil.

# DID SAHEL KAZEMI REALLY BUY A GUN A FEW HOURS BEFORE THE MURDER OF STEVE MCNAIR?

“Police said that Kazemi had purchased the gun at 5 p.m. Thursday, July 2, just hours before she was pulled over by police and two days before she used the gun to kill McNair and herself.” July 9, 2009 – ABC News – Emily Friedman

“Initially, when police ruled the case a murder-suicide, Metro police said that Gilliam met Kazemi when she was trying to sell a car, and returned to sell her a gun on July 2. They were believed to be acquaintances at that time, but further investigation showed the gun sale actually took place on July 3, just a few hours before the murder, and the two had known each other for several weeks.” Oct 20, 2009 – The Tennessean - Kate Howard

“Charles Robinson, the lead investigator, and his supervisor, Pat Postiglione, sat down and talked with (Rohan) about the case. The detectives who were in charge, and this police department, stand by the results of that investigation.”

**CASE CLOSED**

Tom Thurman –  
Retired -Deputy DA

“We reviewed the crime scene extensively, and I went over it with Pat and other investigators. It is clear to us that it was a murder-suicide. There is no question that is what happened. So many things pointed to that. We found the person who sold her the gun. The way the body was positioned, it would have been impossible to stage (a crime scene). That is the ultimate finding. We were the fact-finders and investigators. We’ve been down this road with this person (Hill) so many times. Mr. Hill is not an experienced investigator, but he keeps pushing this rather than look at the facts.”

**CASE CLOSED**

Pat Postiglione –  
Retired Detective

“The evidence clearly points to a murder-suicide. We follow the evidence, that’s it. If the evidence pointed to a double homicide we would have been all over it. There are some that argue it’s a double homicide, but other than speculation and guess work they have nothing to support their theory. Just because they continue to repeat it, doesn’t make it so. The investigators who were involved in this are highly experienced in homicide investigation. Those on the outside making these claims have absolutely no experience in investigation, let alone homicide investigation. As in all homicide investigations, there will be unanswered questions that have absolutely nothing to do with what actually occurred.”

**CASE CLOSED**

Torry Johnson –  
Former DA

Davidson County District Attorney Torry Johnson said Hill's conclusions are not backed up by facts. “As these theories have been suggested, any necessary police work has been done to follow up,” Johnson said. “But each time, those views have proven to be wholly without merit or contained a misrepresentation of the facts.”

**CASE CLOSED**

Chief Steve Anderson

“Detectives with decades of cumulative homicide investigative experience worked hundreds of hours to develop the facts surrounding the circumstances of these deaths,” Nashville Police Chief Steve Anderson said. “Without any doubt, I remain confident in the murder-suicide conclusion.”

# WHO IS CITIZEN 3?

## McNair Case: Many Questions Remain -

BY ARMEN KETEYIAN - UPDATED ON:  
DECEMBER 22, 2009-CBS NEWS

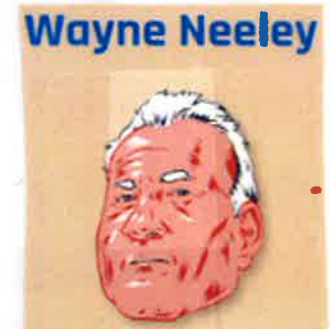

**Was someone else inside the condo that night?  
Or before police arrived?**

According to an officer who arrived on scene at 3:15 p.m. on July 4, both the back door in the dining room leading to a balcony deck and the door leading to the garage were found unlocked. Conceivably, an intruder could have entered or exited the condo from either area.

Another intriguing third party figure surfaces in a supplemental report to the case.

In it, Sgt. John Nicholson states upon arrival at the scene he was informed by lead investigator Charles Robinson that "three citizens, friends of McNair, had been through the apartment prior to police arrival."

Three citizens? Public reports repeatedly named only two people who set foot inside the condo before police arrived - Wayne Neeley, McNair's roommate, and another friend who Neeley called to the scene, Robert Gaddy. **So who is Citizen No. 3?** Who else was in that condo before police ever arrived?

### **Did McNair's roommate tell the truth?**

Neeley told police that he first arrived at the condo at around 12:40 p.m. He walked through the living room - the crime scene -- thinking the male and female were both asleep - somehow missing all the blood and bullet holes - before entering the kitchen and getting a beer from the refrigerator. From there, Neeley said, he walked back to the living room and finally noticed the blood, stopping to pick up a shell casing. At this point Neeley told police he still didn't recognize the male victim as McNair. He then exited the condo and called Gaddy, who arrived about 15 minutes later and immediately exclaimed, "Oh my God, it's Steve!" By the time Gaddy called 911 at 1:35 p.m., 55 minutes had passed since Neeley first showed up. Which begs these questions: how did Neeley not know it was McNair, a guy he'd lived with for at least three years? And what happened during that nearly one-hour interlude before police and medical personnel arrived?

The police said they "looked at" Neeley as a suspect. Postiglione went so far as to call his story "ridiculous." But in the end they chalked it all off to Neeley being in a "state of shock" and determined he had "told the truth."

"If he was involved," said Postiglione, "I would think he would come up with a whole lot better scenario than that one."

## DO YOU TRUST DETECTIVE PAT POSTIGLIONE AND HIS POLICE INVESTIGATIVE TEAM?

“There is no reason to believe Mr. McNair was murdered by anyone other than Ms. Kazemi,” Serpas said. The chief also said he didn't believe the scene was corrupted by the condominium's co-owner Wayne Neeley and McNair's friend Robert Gaddy even though Neeley discovered the bodies at 12:51 that afternoon and then waited 44 minutes before Gaddy arrived and called 911. Serpas said surveillance cameras that show much of the outside of the condominium did not show anyone trying to remove anything from the building. The evidence clearly indicates it's a murder-suicide versus any other scenario... uh, double-homicide, for example, we know that scenario has come up... or that (deep breath)... I guess that allegation has come up several times... but the evidence clearly supports a murder-suicide with Sahel Kazemi being the person that shot Steve, and then sat on his lap, and then shot herself, and then slowly slid off his lap, and fell onto the floor. **INFORMATION IS REDACTED IN SUBMISSION TO THE SEPT 24, 2018, PERMANENT INJUCTION.**

This past August, Mrs. Ann Carell was kind to inform my mother-in-law that I was the most "hated" man in the Nashville community a few days before her passing.

As my family watches the mass media coverage of another tragic shooting in Connecticut, we are reminded once again of the malicious report made to Metro Police

Again, thanks for your kindness and genuine care for children.

Detectives Robinson and Tarkington were the lead detectives assigned to investigate the shooting of Sgt. Detectives Robinson and Tarkington also led the investigation into the July 4<sup>th</sup> murder of retired Titans quarterback Steve McNair and the suicidal woman who shot him. Re: Supplement to Incident Report Number 2008-444421 Generated by Sgt. Chick

Dear Mr. Davis:

I am in receipt of your latest correspondence concerning the trespass/harassment complaint made by Mr. Jim Bachmann against you. Office of Professional Accountability (hereinafter OPA) records indicate that you were contacted by Lieut. Gordon Howey on January 21, 2009, January 22, 2009, and on January 30, 2009 regarding this incident.

In each of these contacts, he provided information in response to your inquiries about obtaining available reports. It further appears that you met with Lieut. Howey on February 24, 2009. During that lengthy meeting, you were advised that no evidence supports your assertion of a conspiracy, or misuse of police powers by members of the Metropolitan Nashville Police Department (hereinafter MNPD).

**Did Chief Serpas participate in another police conspiracy to cover-up the murder of Steve McNair and Sahel Kazemi twenty-four hours earlier?**

FALSE CHARGES.

LIES.

THERE WAS NO TRESPASS TO WITNESS.

I talked with the pastor Jim Bachmann. He has an extensive file on the subject with the letters he has sent. They have dealt with this for six years and did not want to involve police. They made a report because he came to the location on Sunday after being officially advised not to. He sent a letter which they perceived to be threatening. Security was present on Sunday. Mr. Bachmann said they will not prosecute unless it continues. I explained the mental health options if an arrest does become necessary.

I spoke w/ Worrick Robinson, who witnessed the trespass. He said the subject was not belligerent, but was confrontational. He only felt concerned when he learned the subject asked the security officer if he had a gun. He gave me the names of the security officers - Juan Knight and Troy Stackhouse.

I went to 5895 Willshire to speak with the suspect and his wife regarding the harassment complaint.

9 | Q. (By Mr. Russ) How are you currently employed?

10 | A. I am a judicial administrative assistant for  
11 | Judge Monte Watkins.

12 | THE WITNESS: He called and stated that he  
13 | had been in the courtroom two days prior during the  
14 | Vanderbilt trial, and he stated that he was told not

20 | forwarded it to me. That's how it all came after

22 | A. Oh, the first time I heard it, it was the  
23 | middle part of last year. Attorney Worrick Robinson  
24 | sent it to me, I listened to it, I then notified Judge  
25 | Watkins. He listened to it after that.

26 | Q. (By Mr. Russ) Now, you've mentioned that Mr.

29 | A. Yes.

We hired a private security guard to come to church on Sunday morning during worship wearing a uniform and having a marked patrol car.

We had a -- had a security survey done of the church. People came and walked the church with some of the deacons and advised us on various steps we could take to make the church more secure from that kind of -- that kind of activity. So that's what I recall particularly.

**John Bryant**

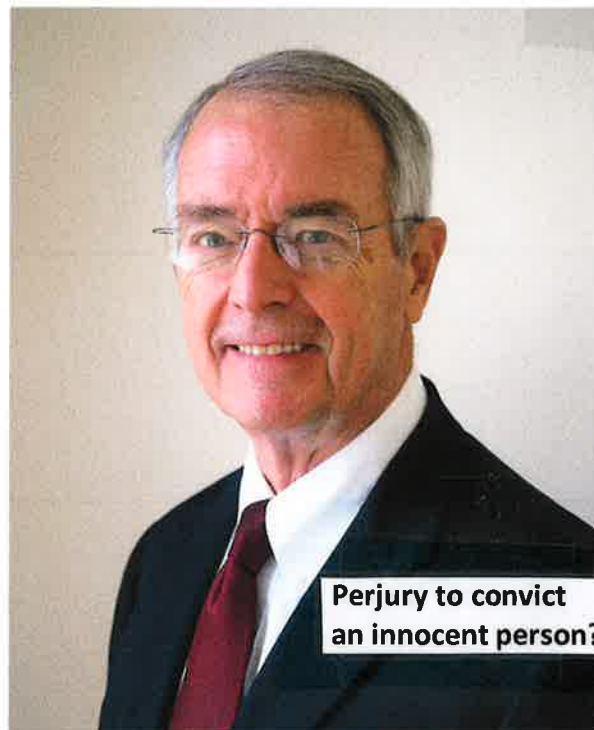

**Why did Judge Bryant ignore what Wade Burleson told him in 2014? Does Judge Bryant believe the former Tulsa Police Chaplain was lying?**

Retired Federal Judge John Bryant and Judge Steve Dozier apparently knew each other and were church members at Woodmont Baptist Church in the past. The disclosure of the Woodmont Baptist membership connection occurred during sworn testimony, as the “*surprise*” witness, retired Federal Judge John Bryant, replaced Herb Kneeland as a prosecution witness.

15 | THE COURT: Just so everyone knows this.

16 | At some point our membership at Woodmont crossed.

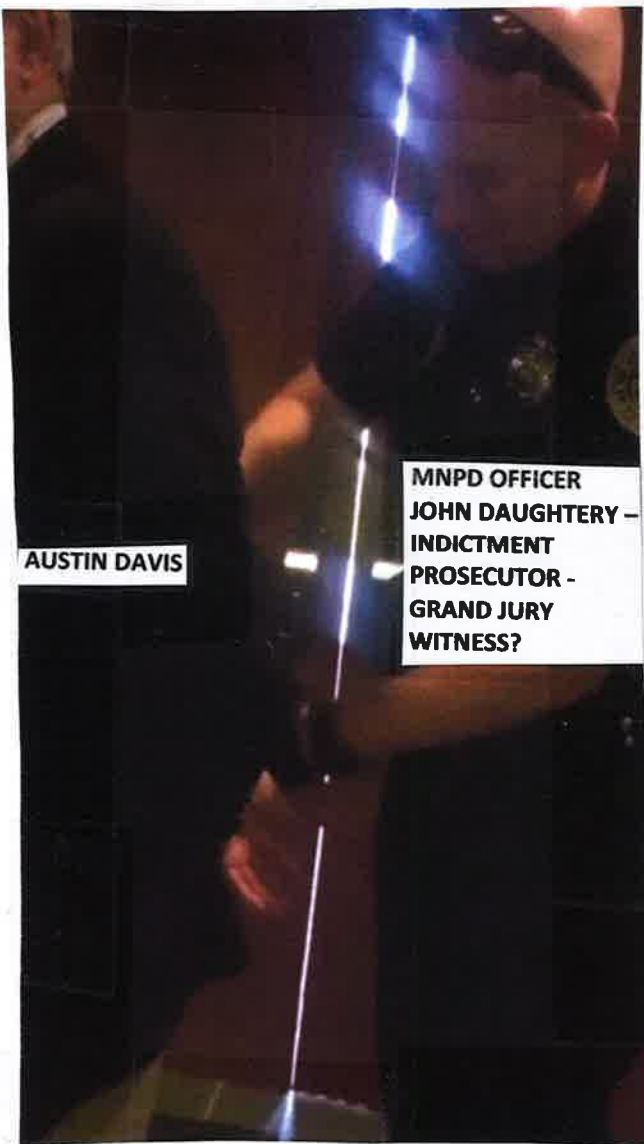

17 | THE WITNESS: Yes.

Judge Bryant was a “*surprise*” witness for DA Funk’s prosecution team who replaced Covenant Ruling Elder Herb Kneeland. Is it possible for a Federal Judge to nullify the independent decision-making process of a jury of average citizens?

STATE of Tennessee  
vs  
Walter Austin Davis, Defendant

MOTION FOR MISFEAL AND NEW TRIAL

Comes the undersigned pro se Defendant, at disadvantage without access to info or better resources to write a motion, to request a mistrial based upon Article VI Section 12 of the Tennessee Constitution, which guarantees a Defendant, that no Tennessee judge will preside over any case if there is a conflict of interest with individuals, or blood-kin, which is not disclosed to a Defendant, in order to obtain the needed consent from the Defendant, for the judge to remain on the case. A Defendant is guaranteed a fair, unbiased judge and Article VI Section 11 is not provided in the Tennessee Constitution to further empower or protect a Judge, but is provided to protect a Defendant from judicial abuse and favoritism by a powerful judge. Therefore, a Mistrial is requested based upon the following facts:

1) Judge Steve Dozier's Oct 23rd recusal order acknowledges that Judge Dozier has "an uncle" and also possibly knows "dozens" of Covenant Presbyterian Church (CPC) members and ex-members, which would include Covenant Member-Attorney and Fraternal Order of Police General Counsel, Wallace Robinson, who is a past financial donor and supporter of Judge Dozier's judicial campaign, and also attended the 2-hr sentencing hearing on Sept 28th, as well as appearing at the Court's entrance door on Sept 11 when the Defendant's jury trial began. Judge Steve Dozier's long-time relationship with Wallace Robinson is reason enough for a Mistrial to be declared since the Defendant was not informed of the <sup>donor</sup> friendship conflict of interest and the Defendant did not grant his <sup>needed</sup> consent for Judge Steve Dozier to remain as the presiding judge.

2) Judge Steve Dozier's uncle, Don Dozier, was a former police officer and member of CPC, and is listed as a charter member of Westminster Chapel of the CPC. Westminster Chapel has a congregational meeting on Oct 2, 2016, when Covenant Members voted to give <sup>Covenant</sup> Pastor Jim Bachmann, who is now the Founding Pastor of Westminster Chapel where Don Dozier is a charter member, and hundreds of other ex-Covenant members have also joined as charter members, with the new church now occupying Julie Jean Public School. Judge Dozier's recusal order states he did not know about the church membership of "an uncle", and also states that the Defendant's promise toward the Court is based upon "incomplete information". However, the Defendant is now incarcerated a 6 1/2 day facing 11 months or 29 days in prison and the Defendant seizes Article VI Section 11 as a fundamental, guaranteed right directly intended as a protection for the Defendant against any prejudice, bias or favoritism by a judge, since judges should recuse if there is <sup>over the</sup> appearance of prejudice to preserve the integrity of the Court. Therefore, Judge Dozier's long-time friendship, with Covenant Member Wallace Robinson, or Covenant Westminster Member Don Dozier, or dozens of current and former Covenant Members - if made known to the Defendant - would have never obtained the <sup>needed</sup> consent of the Defendant if he had known about such friendly relationships prior to the Sept 11-12 jury trial, or the Sept 28th sentencing hearing which Covenant-Attorney Wallace Robinson attended.

**EXCERPTS FROM A

DOZIER**

**MOTION FOR MISTRIAL AND NEW TRIAL**

Comes the incarcerated pro se Defendant, at disadvantage without access to info or better resources to write a motion, to request a mistrial based upon Article VI Section 11 of the Tennessee Constitution, which guarantees a Defendant, that no Tennessee Judge will preside over any case if there is a conflict of interest with individuals, or blood-kin, which is not disclosed to the Defendant,

- 1) Judge Steve Dozier's Oct 23<sup>rd</sup> recusal order acknowledges that Judge Dozier has "an uncle," and also possibly knows "dozens" of Covenant Presbyterian Church (CPC) members and ex-members, which would include Covenant Member-Attorney and Fraternal Order of Police General Counsel, Worrick Robinson,
- 4) After the Sept 28<sup>th</sup> sentencing hearing, the Defendant learned that Uncle Don Dozier, did refer to Dr. Martin Luther King, Jr., with the derogatory and racist phrase of "Martin Lucifer,"

To further demonstrate a "Uncle Don" bias from the Court, Judge Steve Dozier granted a prosecutor motion banning the Defendant from speaking the name of "Bull Connor" before the jury during the jury trial.

- 9) The Defendant informed Judge Steve Dozier on multiple occasions about his concerns about the indictment process which included the presiding judge, Casey Moreland, long-time friend of Covenant Member-Attorney Worrick Robinson, who is now arrested by the FBI and indicted by a Federal Grand Jury himself,
- 9) Additionally, Judge Dozier nor DA Funk's office were concerned about long-time friend of the police and grand jury foreman, Stan Fossick, possibly presiding over the original indictment, or the superseded indictment, even though Stan Fossick is a long-time family friend of the Dozier's and a political financial donor to both Judge Dozier's and DA Funk's campaigns, and has served as grand jury foreman over 40+ times per The Tennessean.

CASE NO: 2017-A-62

MOTION IN LIMINE 5

The Office of the District Attorney General, prosecuting on behalf of the State of Tennessee, respectfully requests this Court to order the defendant from referencing counsel for the State of Tennessee as anything other than "Mister," "Miss," or "General." In previous court dates on this matter, the defendant referred to counsel for the State several times as "Bull Connor"<sup>1</sup>. The State submits such references are inappropriate, and would serve to distract the jury from its role as the trier of fact in this matter.

## Dozier Trial Transcript – Sept 11, 2017 Witness John Bryant

BY MR. DAVIS:

Q. Would a visitor be able to invite somebody to the church?

A. Probably so, sure ordinarily.

Q. Would they need to go up and have a meeting with elders and get in there and say, hey, I'm a visitor, I've been coming here. I don't belong to you, but I saw six people over at the -- the other day and they looked like they might need to go to church to go somewhere, and I invited them and they are coming, but I want to make sure that when they come they don't run into Dweeboe and everybody out in front, so I want to make sure before I invited them that I cleared with you ruling elders?

A. I'm sorry. I didn't understand that question.

THE COURT: He's saying does a visitor have to get the permission of the Session or elders to invite another visitor?

THE WITNESS: No. A member or a visitor could invite someone else to come to our church.

BY MR. DAVIS:

Q. So when I was invited to a wedding in July of 2012 right as you were becoming an elder --

GENERAL HARRIS: Your Honor, I'm going to object to anything that the witness doesn't have personal knowledge of.

THE COURT: Okay. You are putting information in your question that's not testimony. So what is your question?

BY MR. DAVIS:

Q. Okay. Did you oppose Rick Jox inviting him to come to Covenant to his daughter's wedding in July of 2012 when I came?

A. I was not aware that Rick Jox had invited you. I mean, at the time that anybody invited you, you should have known that you are not permitted to go because you have already been informed that by the letter from the Session. So the fact that Mr. Jox may have invited you or anybody else could have invited you, does not relieve you from the obligation with the letter from the Session.

Mr. Brad Gioia, **THREATENING EMAIL?**

Why did you write a letter to the MBA community on October 20th saying you contacted the police on a former MBA parent? If you contacted the police, why is there no police report in the MNPD records division? Why did you say the former parent's concerns "seem entirely unrelated to MBA," when you should be aware that at least two MBA faculty members **REDACTED**

During the MBA spaghetti supper, four police officers came to our home to arrest Austin to shut him up. Why did you ban Austin from the MBA campus? You know Austin shouldn't be banned. The army of boys Austin has coached since the 80s also know the banning is ridiculous. Everyone who knows Austin knows he loves and cares about kids. Yet for simply writing an email, Austin was thrown in jail for 18 days without an appearance before the night commissioner. No police report. No hearing. 18 days in jail.

I am disappointed you did not apologize to my children yesterday as Austin requested. Instead, he is back in court before Judge Cheryl Blackburn this morning.

Did Police / DA Funk know that Tim Rohan had been re-examining the murder of Steve McNair for approximately 8 months when the Davis family was banned from "correspondence" with the MBA Community?

Former Tulsa Police Chaplain Wade Burleson first cited a connection to the Steve McNair murder investigation in the 4<sup>th</sup> paragraph of a "Battle of Nashville" blog article on May 12, 2014. In submission to a permanent injunction imposed on Sept 24, 2018, all supporting Police, DA, and other documents were removed from the story.

Did Police Spokesperson Don Aaron shield Norris Tarkington from participating in the Sports Illustrated interview with Tim Rohan? In submission to a permanent injunction imposed on Sept 24, 2018-- approximately three weeks before the "Fall of a Titan" podcast was launched nationally-- the Austin Davis "keep and share" documents were taken private permanently and removed from public internet access. These Police and DA documents included Norris Tarkington documents. Maybe Norris Tarkington will do another interview with Tim Rohan of Sports Illustrated without a 30-minute time limit imposed by Police Spokesperson Don Aaron?

# WHY DID DA GLENN FUNK SILENCE THE DAVIS FAMILY?

## MULTIPLE CASES COLLIDE

DA GLENN FUNK  
MBA ALUMNUS FATHER

Tim Rohan  
Sports Illustrated

Sports Illustrated reporter Tim Rohan was re-examining the murder of Steve McNair for about 8 months when the DA's office obtained a "no correspondence" ban imposed against all 4 members of the Davis family. A former Tulsa Police Chaplain referenced the Steve McNair and Vanderbilt Rape investigators in a blog article posted on May 12, 2014. All supporting documents for the Oklahoma blog article are now removed in submission to a permanent injunction imposed upon Austin Davis on Sept 24, 2018. The permanent injunction was imposed about three weeks before Tim Rohan launched the first episode of the Sports Illustrated podcast on Oct 17, 2018.

Was a "no contact" ban imposed to stop Austin Davis from sending emails with information to MBA faculty member and coach, Chris Sanders? Or to stop emails and information from reaching other former teammates of Steve McNair like Eddie George, Mike Archie, Drew Bennett, and many others?

**Subject:** note from Brad Gioia

Dear MBA community:

This morning we received an email from a former parent. His concerns seem entirely unrelated to MBA, but he has caused some worry and consternation in the community because he addressed the events of tonight's game. I am sorry that our email list was inappropriately used.

I have contacted MBA security as well as Metro police. I have asked the police not to allow this parent on campus. Again, I apologize for this problem and regret that we have become associated with these unfortunate events.

**WHY IS THERE NO RECORD OF A REPORT MADE TO POLICE?**

The MBA "no correspondence" ban included a 2017 MBA graduating class member who was also a writer for MBA's school newspaper: The Bell Ringer. On April 6, 2017, Brad Gioia provided untrue sworn testimony before Judge Cheryl Blackburn. Brad Gioia testified that Catherine Davis had sent him a "threatening" email. Readers can judge if Brad Gioia is a "gentleman" who genuinely practices "respecting women."

I enjoyed reading Peggy Noonan's recent column in "The Wall Street Journal" entitled "[America Needs More Gentleman.](#)"

The age of social media, political correctness, and many other events like the #MeToo movement have all raised questions and concerns about this topic...

I have been at the center of a boys school for a quarter of a century... It is critical that we talk to them about respect – in particular, respecting women – and envisioning a world in which there are more level playing fields.

I have those hopes in serving as Headmaster of Montgomery Bell Academy, and I will work hard with our faculty and staff to raise boys to be better men.

## PERJURY? A MOTHER'S LETTER PERCEIVED AS "THREATENING?"

Mr. Brad Gioia,

Why did you write a letter to the MBA community on October 20th saying you contacted the police on a former MBA parent? If you contacted the police, why is there no police report in the MNPD records division? Why did you say the former parent's concerns "seem entirely unrelated to MBA," when you should be aware that at least two MBA faculty members are part of a campaign?  
[REDACTED]

During the MBA spaghetti supper, four police officers came to our home to arrest Austin to shut him up. Why did you ban Austin from the MBA campus? You know Austin shouldn't be banned. The army of boys Austin has coached since the 80s also know the banning is ridiculous. Everyone who knows Austin knows he loves and cares about kids. Yet for simply writing an email, Austin was thrown in jail for 18 days without an appearance before the night commissioner. No police report. No hearing. 18 days in jail.

I am disappointed you did not apologize to my children yesterday as Austin requested. Instead, he is back in court before Judge Cheryl Blackburn this morning.

By Pioneer Press | [news@pioneerpress.com](mailto:news@pioneerpress.com)

WAS STEVE MCNAIR'S GRAND JURY RIGGED?

NASHVILLE, Tenn.—Nashville's top prosecutor said Thursday he is expecting a flood of appeals of criminal cases after it was discovered that a grand jury foreman was a felon and ineligible for jury service under state law.

The Tennessee grand jury led by Eugene Grayer returned 919 indictments during its three-month term between July and September of 2011.

About 800 of those cases had been resolved, mostly with guilty pleas, Davidson County District Attorney General Torry Johnson said at a news conference Thursday. About 90 cases still are pending.

Since the discovery two weeks ago of Grayer's 35-year-old conviction arising from a theft scheme, prosecutors have been working to repair the pending cases—either by getting new indictments from the current grand jury or issuing a criminal information, which bypasses the grand jury process but requires the consent of the defendant.

Of the 800-or-so other cases, Johnson said, "The worst-case scenario would be that all the cases and defendants are sent back to court and their cases are redone. ... In the best-case scenario, that would only happen in cases where the defendant could show he was somehow prejudiced by the fact that Mr. Grayer was on the grand jury, something I think would be exceedingly difficult."

Johnson said ultimately state appeals courts will have to decide whether the indictments are valid because of Grayer's conviction.

A call to the phone number listed on Grayer's handgun carry permit application rang unanswered, as did a call to a number listed for him in a phone directory.

Criminal defense attorney David Raybin said he has several clients who were indicted by the grand jury on which Grayer served, but he does not expect to appeal any of those cases.

That's because those clients pleaded guilty, waiving their rights to challenge any defects in the grand jury when they pleaded.

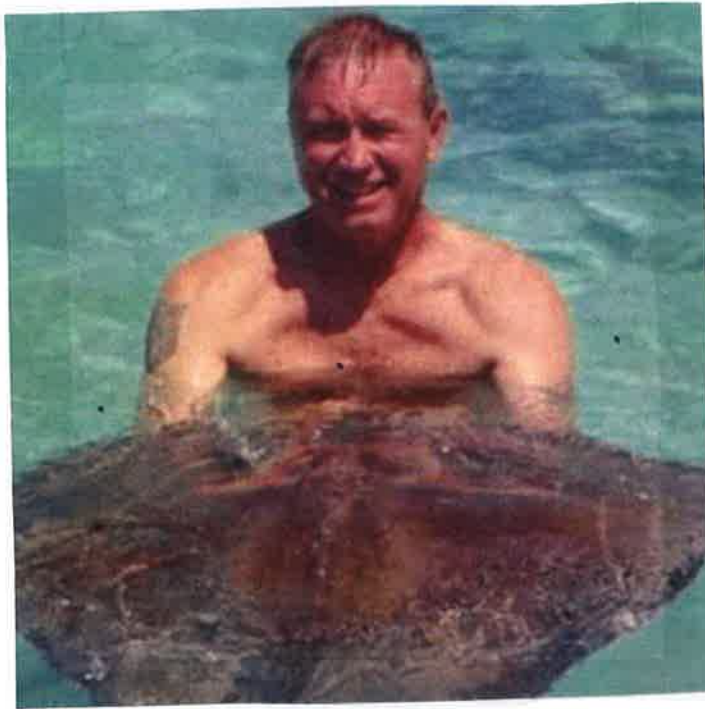

"However, those cases where there was a jury trial will probably have to be retried," the attorney said.

Raybin said his reading of the case law is that having a felon on a grand jury, particularly as the foreman, makes the indictments questionable in cases where the defendant pleaded not guilty.

# McNair case won't be reopened

Jun 18, 2010

Elizabeth Merrill/ESPN Senior Writer

A former Nashville police officer's request to have the Steve McNair case reopened has been denied.

Vincent Hill told ESPN.com on Thursday night that he received word from a three-member Davidson County grand jury panel that there was insufficient proof to move forward and present his 32-page complaint to a full grand jury.

Hill, who spent 4½ years on the Nashville force and resigned in 2006, has disputed the police's ruling that McNair, the former Tennessee Titans quarterback was murdered by Sahel Kazemi, who then turned the gun on herself. Hill self-published a book called "Playbook to a Murder" and has spent the past 11 months conducting interviews and trying to debunk police findings that Kazemi murdered McNair in a downtown Nashville condo in the early morning hours of July 4, 2009.

On June 11, the panel heard a 30-minute presentation from Hill on what he described as "multiple errors" in the police investigation. The former Metro Nashville traffic police officer says he was informed of the grand jury's decision Thursday in a letter from foreman **Richard Hillenbrand.**

**Reached Thursday night, Hillenbrand said he couldn't comment on any decisions because the report is sealed.**

"Win, lose or draw, it's historic to just get it at that stage," Hill said. "Obviously, they thought there was something worth hearing just to even listen to the case.

"I would say that it's not over at this point."

Davidson County District Attorney Torry Johnson said in a news release that theories relating to the McNair investigation are not backed up by facts.

## GRAND JURY FINAL REPORT

WE, the Davidson County Grand Jurors for the April 2010 term, submit the following report in a summary of the last three months we have served. It has been an honor to serve under the auspices of the Honorable Mark Fishburn. We, as a Grand Jury, believe that through the process, we have gained insight into the structure of our judicial system, and have gained an increased respect for all those who work hard to make it flow smoothly.

In accordance with Tennessee Rules of Criminal Procedure, the Grand Jury deliberated upon 978 cases over the past three months. We presented the court with 885 True Bills, 3 No True Bills, 90 Sealed True Bills, and 0 Sealed No True Bills. We also had the opportunity to create panels that heard two closed cases concerning John J. Hooker and Steve McNair.

**John J. Hooker:** Mr. John J. Hooker requested an opportunity to present his case concerning his belief in the criminal intent of the state Supreme Court judges. The committee discussed the issues raised and did not find enough evidence of criminal activity to present the case to the entire Grand Jury. The panel appreciated Mr. Hooker's concerns about the impact of actions on the Tennessee Constitution, but decided that that was not a matter for the Grand Jury to consider.

**Steve McNair:** The Grand Jury was asked to hear information to reopen the Steve McNair case. Mr. Hill wanted to present this information, though he declined to ask for an indictment. He shared with the committee his views of the case but lacked evidence to support his views. Questions raised by Mr. Hill were cleared by evidence gathered by the Metro Police Department. The panel felt that this was a case that should not be heard by the other members of the Grand Jury.

Serving under the esteemed leadership of Grand Jury Foreman Mr. Richard Hillenbrand was a wonderful opportunity for us all. His detailed understanding of the law and the way he communicated or explained cases to the rest of the Jury was very helpful. We feel that his vast knowledge of the law and of law enforcement was very useful to us all. He did an excellent job of keeping us on task while still giving us ample time for questions and comments.

We, the Grand Jury, would like to thank the following individuals for taking the time out of their busy schedules to provide us with information that helped us better perform our judicial duties:

**Metro Police Department Liaison Gene Donegan:** Gene was wonderful at presenting cases to the Jury because he was clear and concise. The way he

## FIELD TRIPS

We, as a Grand Jury, felt that having the chance to participate in ride alongs and take field trips was very beneficial. They allowed us to gain a better understanding of the law enforcement field. At the training academy, we were impressed with the simulations, training, and equipment available to the trainees. We did, however, feel as though our time at the Police Academy was too limited. We would have liked to have had additional time to learn more specifics about how our city officers are trained. The field trip to the jail was enlightening. Not only were we able to tour the facilities, we were shown the procedures used in booking, feeding, and housing the inmates. We were disappointed that the aftermath of the flood eliminated our field trips to the juvenile justice facility and drug court. At COMPSTAT we heard updates about the activities that had been going on across our city since the Nashville Flood of 2010. We also learned that the city is considering adding extra precincts. Many of us on the Grand Jury thought that was an excellent method of keeping the police more involved in the communities they serve.

## SUGGESTIONS FOR GRAND JURY

1. There are many terms used in the legal system that the public is not aware of. We feel as though it would be helpful to future Grand Juries if they were supplied with a list of terms and definitions of the "legal lingo" used when cases were presented.
2. Allowing the Grand Jury to sit in on a quick case, such as a Jail Docket, would be helpful with understanding the legal process.
3. A Monday, Tuesday, Thursday schedule would perhaps allow for better and more convenient attendance, especially in the summer months.

## LEGAL SUGGESTIONS

1. We felt as though in some cases, the punishment did not always fit the crime. This was a concept that bothered most of us sitting on Grand Jury. Stiffer punishments should be handed out for second and third offenders.
2. Higher DUI penalties should be imposed, especially for vehicular homicide where the defendant is traveling at excessive rates of speed.
3. Drug offenses when a child is present, whether being in a car or home, should carry stiffer penalties.
4. DUI offenders, anything more than a second offense, should be treated as "Habitual Offenders" and should receive harsher penalties.
5. Children should be better protected. We are concerned for children who are returned to or left in situations in which they or others have been harmed.

# DID THIS "RICHARD HILLENBRAND" SERVE AS THE STEVE MCNAIR GRAND JURY FOREMAN?

*"The evidence clearly points to a murder-suicide. We follow the evidence, that's it. If the evidence pointed to a double homicide we would have been all over it. There are some that argue it's a double homicide, but other than speculation and guess work they have nothing to support their theory. Just because they continue to repeat it, doesn't make it so. The investigators who were involved in this are highly experienced in homicide investigation. Those on the outside making these claims have absolutely no experience in investigation, let alone homicide investigation. As in all homicide investigations, there will be unanswered questions that have absolutely nothing to do with what actually occurred."*

# DOES GRAND JURY FOREPERSON RICHARD HILLENBRAND KNOW JUDGE STEVE DOZIER, OR GRAND JUROR SCOTTIE COOMBS, OR GRAND JUROR SOLOMON HOLLEY?

Judge Steve Dozier's good friend, Stan Fossick, has been appointed as Grand Jury Foreperson on 40% of the grand juries since 1993. Stan Fossick was foreperson of both indictments of Austin Davis in a rigged indictment process.

Stan Fossick and Richard Hillenbrand served on at least one grand jury together.

Judge Steve Dozier dismissed repeated concerns about ex-Judge Casey Moreland and obtaining a "fair trial."

## Meet Nashville's longtime jury foreman, a friend of law enforcement - Stacey Barchenger and Dave Boucher, The Tennessean

### DOES "RULE 6" PRESCRIBE OR PROHIBIT THE REPEATED DRAWING OF THE GRAND JURY FOREPERSON FROM QUARTER TO QUARTER?

There's a familiar face in the room when Nashvillians gather in secret to decide whether a person should face criminal charges: an 81-year-old wire company exec.... He's **Stan Fossick**, a Nashville businessman with ties to the city's police force and a history of donating to district attorney candidates and a judge.... Fossick is an executive with Mid-South Wire in Nashville... A 2013 Tennessean article noted Fossick has known Judge Seth Norman since high school, interacted with Judge Steve Dozier's father at community events, met Judge Cheryl Blackburn when she worked with the prosecutor's office in the 1990s and occasionally grabs dinner with outgoing Judge Randall Wyatt. Since those relationships began, Fossick has been chosen by the judges to serve as foreman of at least 42 grand juries, the most of anyone named in the 92 quarterly reports since 1993, according to a Tennessean analysis. Some reports are not publicly available. Those numbers show that in the last decade, he served as foreman a majority of the time... When Dozier ran for re-election in 2014, campaign records show, Fossick donated \$500. Dozier has appointed Fossick grand jury foreman a dozen times since 1993.... After former District Attorney General Torry Johnson announced his retirement in 2014, Fossick contributed to each candidate vying to replace him: \$250 to Glenn Funk, \$500 to Rob McGuire and \$400 to Diane Lance, according to records. Carol Etherington, Fossick's wife, worked for the police department until 1992, spending about 20 years as a specialist helping crime victims, according to a Vanderbilt University report. The report states Etherington, a nurse, established the Victim Intervention Program, one of the first police-based crisis counseling initiatives in the country... Funk, whose office plays a key role in cases that go before the grand jury, tells each panel its role is to serve as a check on his own authority... Funk said in an interview Tuesday he had no concerns about Fossick... But reports when Fossick is the foreman praise police and the courts... "There are angels who walk among us: They wear uniforms, sit behind desks, walk the streets, drive fast cars, carry guns and rescue children and wounded people every day. They work undercover, behind the scenes and look into the darkest corner of life, and aren't thanked enough," reads a report from the fourth quarter of 2003. Earlier this year, Fossick was the foreman when grand jurors raised concerns that police presentations were leading to bias in deliberations. And in early 2016, under the supervision of a different foreman, jurors suggested they should not meet inside the district attorney's office.

## Complete Police Report on Steve McNair's Death

By JJ Duncan on October 20, 2009 - **Excerpts**

### Interview of Carless Wayne Neeley

Neeley said approximately 15 minutes later, Gaddy arrived and they both then entered the condo. **Neeley said Gaddy exclaimed, "Oh my God, it's Steve!"** Neeley said they went back outside and that Gaddy called 911. Neeley said he then left the scene and telephoned General Sessions Judge Casey Moreland.

### Robert Gaddy

Gaddy said Neeley told him that he found someone shot inside the condo, but that he didn't recognize the person... **Gaddy stated that he and Neeley both entered the condo and he recognized the male as McNair.** Gaddy said he then went outside and called 911 (at 1:35 p.m.).

### Judge Casey Moreland

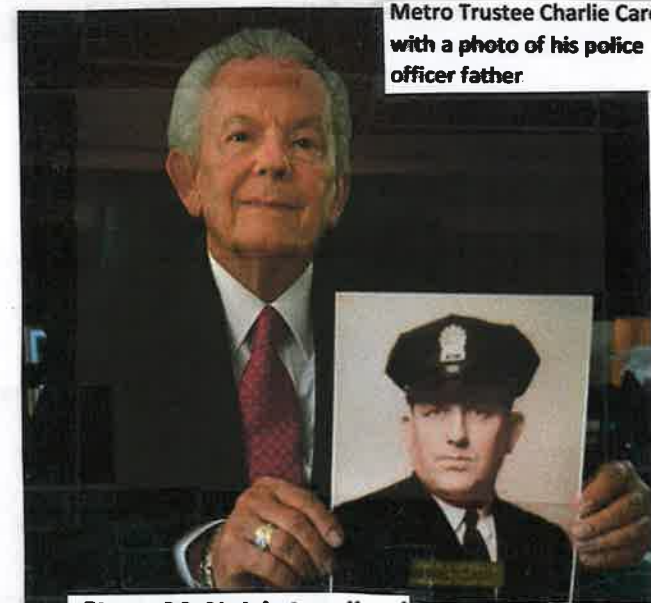

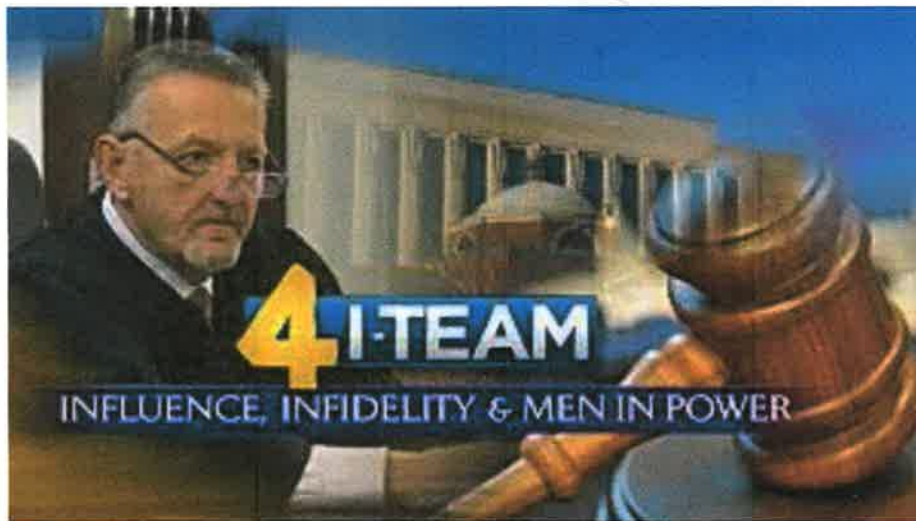

General Sessions Judge Casey Moreland stated that has been friends with Wayne Neeley for approximately 15 years. Moreland said Neeley telephoned him at 1:47 p.m. on July 4, sounded shaken, and said that he had just found someone shot in the condo. **Neeley told Moreland that he was not sure who had been shot, but that it was a man and a woman.** Neeley told Moreland that he had picked up a shell casing and then put it back down.

***Comment: Wayne Neeley and Casey Moreland's statements do not add up. Did Police just accept Casey Moreland's statement that Wayne Neeley did not know the identity of Steve McNair approximately 12 minutes after Robert Gaddy exclaimed: "Oh my God, it's Steve." Why would Wayne Neeley conceal Steve McNair's victim identity from Casey Moreland? Tax-paying citizens are expected to believe that Wayne Neeley called Judge Moreland a few minutes later and did not tell SEC Football Referee Casey Moreland that former Tennessee Titan Quarterback Steve McNair was shot dead by four bullets in Metro Trustee Charlie Cardwell's rented condo? Is this story really believable?***

## A CRIME SCENE CONTAMINATED

**JULY 4, 2009**: Steve McNair's roommate, Wayne Neeley, had two phone calls with Judge Casey Moreland after leaving a murder scene without calling police or 911. The phone calls were allegedly about Wayne Neeley touching a bullet casing.

Steve McNair's Landlord

In 2009, after discovering the bodies of Sahel Kazemi and Steve McNair, Wayne Neeley spoke with Metro Trustee Charlie Cardwell and Metro Judge Casey Moreland. In 2018, Tim Rohan interviewed Charlie Cardwell for the "Fall of a Titan" podcast. Charlie Cardwell apparently provided second hand information obtained from Wayne Neeley about discovering the murder scene when Wayne Neeley entered the apartment. It is reported that Wayne Neeley has never been interviewed by anyone since the initial police investigation. If this is true, why has Wayne Neeley remained silent for almost a decade?

**WHO IS CITIZEN 3?**

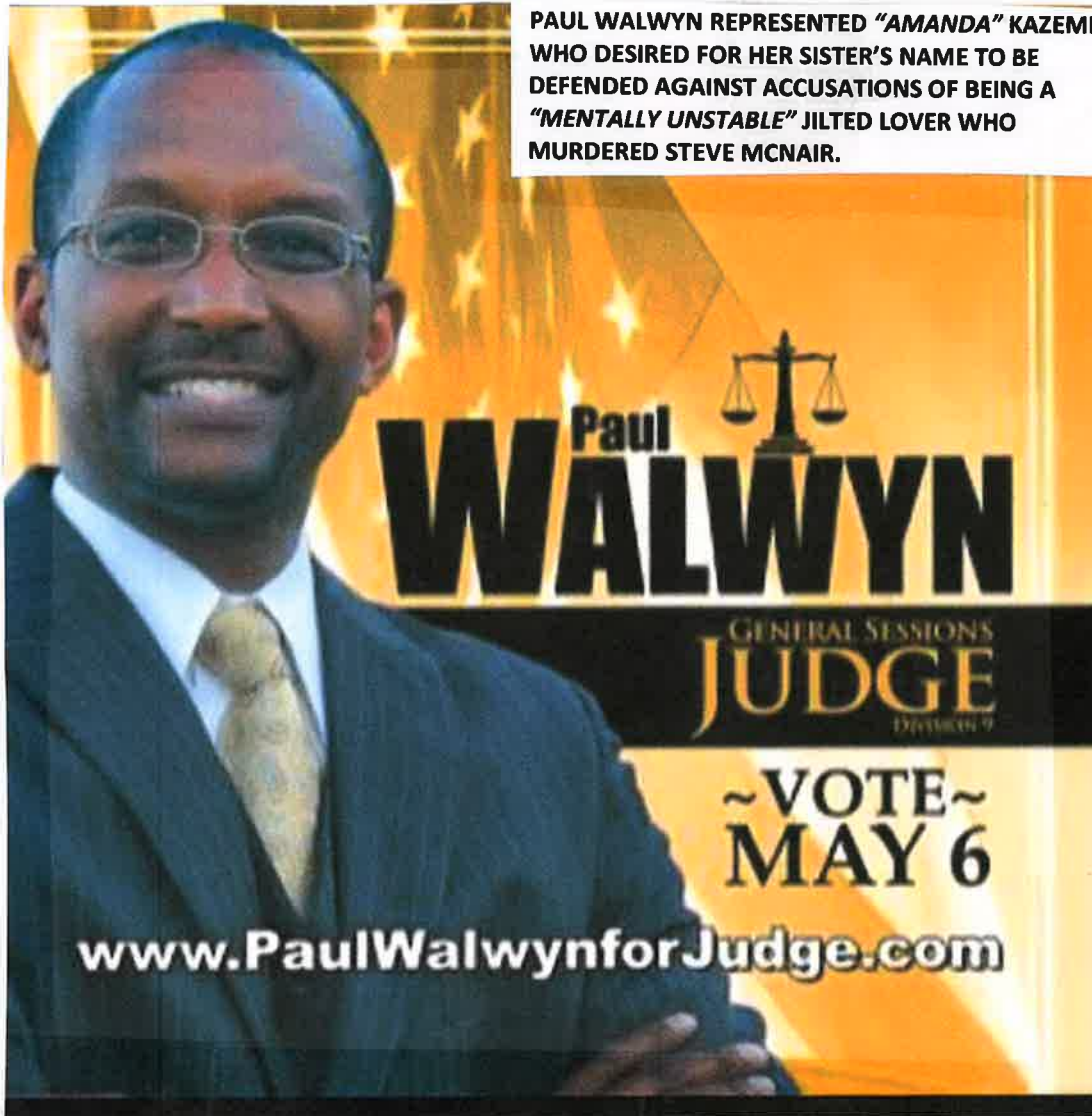

## DID POLICE AND / OR CASEY MORELAND COVER-UP STEVE MCNAIR'S MURDER?

### A FEW QUESTIONS?

1. Wayne Neeley was allegedly first to arrive at the murder scene at approximately 12:40 pm, and police arrived at the murder scene at 1:39 pm. If the timeline is accurate, 59 minutes passed without Wayne Neeley calling police or 911. Is it really believable that Wayne Neeley did not recognize Steve McNair as a murder victim during a possible 59 minutes in, and around, the apartment?
2. Did Wayne Neeley really call murder victim Steve McNair first after discovering the deceased bodies which included Steve McNair?
3. How come Robert Gaddy could so easily identify Steve McNair within seconds of entering the apartment, but Wayne Neeley-- Steve McNair's roommate-- could not identify a famous NFL quarterback during a possible 59 minutes?
4. Why did Wayne Neeley leave the murder scene before police arrived without personally ever calling police or 911?
5. Why did Wayne Neeley call Judge Casey Moreland about touching a "bullet casing" after Wayne Neeley left the scene of Steve McNair's murder? Did Wayne Neeley disturb anything else in the crime scene?
6. Has Casey Moreland ever obstructed justice, tampered with a witness, destroyed or altered evidence, conspired to retaliate against a witness, or participated in any criminal "conspiracy" or "public corruption" prior to his recent FBI arrest, conviction and sentencing?
7. Is Casey Moreland a credible and trustworthy police witness in the Steve McNair murder case?
8. Is Casey Moreland telling the truth when he told police that Wayne Neeley did not identify Steve McNair as a murder victim, but only identified a man and woman as deceased.
9. Did Wayne Neeley conceal the identity of Steve McNair as a murder victim during two phone calls with Judge Casey Moreland?
10. When did Wayne Neeley speak to Metro Trustee Charlie Cardwell? Did Charlie Cardwell hear any gun shots since he was living in one of the four units at Cardwell Place and was Steve McNair's landlord?
11. Why did Charlie Cardwell appear on the FOAT podcast to speak with reporter Tim Rohan about Wayne Neeley's discovery of the murder scene, but Wayne Neeley did not appear on the podcast to speak for himself?
12. Has Wayne Neeley ever given a public interview since the police interviewed him about the murder of Steve McNair? If not, why is he so silent?

MS. Leigh Terry

SUICIDE?

HARPETH HALL DIRECTOR  
OF ALUMNAE RELATIONS

September 10, 2016

Dear Harpeth Hall Alumnae,

Many of you recently received an **unauthorized** email from a former Harpeth Hall student. This email is an **improper use** of Harpeth Hall contact information and a clear **violation of our Privacy Policy** as stated on the alumnae portal of our website which states:

"The information in the Alumnae Directory may NOT be reproduced in any form or used for commercial, nonprofit, or political solicitation purposes or mass communication not previously approved by the Alumnae Office. It is NOT to be copied or provided to anyone outside the Harpeth Hall community. Individuals **violating** the Privacy Policy will be removed from the directory and will not be permitted to have any future access to the directory."

Please know that the former student's email was in no way an approved communication by Harpeth Hall. No one at the school had any prior knowledge of the sender's intended **unauthorized** use of such information and would not have approved it had such request been made. Harpeth Hall takes every precaution **to protect** your contact information and strives to communicate with you in an appropriate and professional manner.

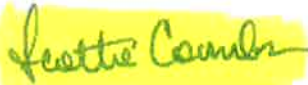

Further, we wish to reassure you that the **allegations** in the former student's email are **unsubstantiated**. We anticipate sending you a more detailed report on the current state of matter in the near future; however, we wanted to send this more immediate response to reassure you that the former student's email was both **improper** and sent without Harpeth Hall's knowledge or consent.

We are most grateful for your loyalty to Harpeth Hall and regret any concern this unauthor email may have caused you.

Warm regards,

**2<sup>ND</sup> LETTER TO HARPETH HALL ALUMNAE**

February 10, 2017

Dear Harpeth Hall Alumnae,

We are aware that large groups of alumnae continue to receive unsolicited emails from the *valglenn18@aol* email address belonging to Austin Davis. We deeply regret this repeated intrusion into your privacy. As background, alumnae contact information was acquired from the Harpeth Hall online alumnae directory through 1979 alumna Catherine Fleming Davis's account. Her access to our website and our online directory was terminated on September 9, 2016, as soon as we became aware of the Davis family's first mass email to our alumnae community and their violation of our privacy policy which is clearly stated on the alumnae portal of our website.

"The information in the Alumnae Directory may NOT be reproduced in any form or used for any commercial, nonprofit, or political solicitation purposes or mass communication not previously approved by the Alumnae Office. It is NOT to be copied or provided to anyone outside the Harpeth Hall community. Individuals violating the Privacy Policy will be removed from the directory and will not be permitted to have any future access to the directory."

As we communicated to you in September, the Davis family brought a suit against Harpeth Hall that was dismissed. The court's decision is final and unappealable. **CASES WON BY FRAUD CAN BE REVIVED**

Unfortunately, you may receive more unwanted emails from Austin Davis as he is still in possession of the alumnae email addresses acquired in September. He continues to violate our privacy policy with each mass email to our community. If you wish to block emails from the *valglenn18@aol* email address, you can mark the emails as spam or filter the emails so that they will not appear in your inbox.

Thank you for your support of and loyalty to Harpeth Hall. It remains our goal to protect our student and alumnae community. We work every day to uphold the highest standards of educational excellence and hear your frustration with this challenging situation.

Warm wishes,

Re: **REDACTED**

Dear Mr. Davis:

Thank you so very much for calling our office about the important legal matter you asked us to consider taking. We are very honored that you would think of our firm.

As we told you on the telephone, unfortunately, we are not in a position to undertake representation in this matter.

Just because my office is unable to assist with this matter does not mean there is not a valid claim here. It simply means we cannot help. I urge you to be reminded that this office is only one office, and there may be another attorney who would be more than glad to help with this possible claim.

You were told about the fact that there is a statute of limitations (the time by which a lawsuit must be filed in the courthouse or the claim may be barred forever) and how important it is to file a case on time. To be absolutely certain about the statute of limitations in this situation, you must immediately seek the advice of another attorney. Please do not delay in seeking the advice and opinion of another attorney of your choice. **Time is of the essence.**

Thank you again for calling us. If we can be of any help to you in the future about any other matter, please do not hesitate to contact us.

Best of luck to you and yours in the future.

Very sincerely yours,
