Manning is a former American football quarterback who played 18 seasons in the NFL, primarily with the Indianapolis Colts. Considered to be one of the greatest quarterbacks of all time due to his numerous career achievements, he spent 14 seasons with the Colts and was a member of the Denver Broncos in his last four seasons. Manning played college football for the University of Tennessee, leading the Tennessee Volunteers to the 1997 SEC Championship in his senior season. He is the second son of former NFL quarterback Archie Manning and older brother of New York Giants quarterback Eli Manning.

A CRIME SCENE CONTAMINATED

JULY 4, 2009: Steve McNair's roommate, Wayne Neeley, had two phone calls with Judge Casey Moreland after leaving a murder scene without calling police or 911. The phone calls were allegedly about Wayne Neeley touching a bullet casing.

Steve McNair's Landlord

In 2009, after discovering the bodies of Sahe! Kazemi and Steve McNair, Wayne Neeley spoke with Metro Trustee Charlie Cardwell and Metro Judge Casey Moreland. In 2018, Tim Rohan interviewed Charlie Cardwell for the "Fall of a Titan" podcast. Charlie Cardwell apparently provided second hand information obtained from Wayne Neeley about discovering the murder scene when Wayne Neeley entered the apartment. It is reported that Wayne Neeley has never been interviewed by anyone since the initial police investigation. If this is true, why has Wayne Neeley remained silent for almost a decade?

WHO IS CITIZEN 3?

"It kinda makes you wonder that even Moreland had something to do with this. Because you could start thinking bigger picture like who could tell the Nashville Police to do a cover-up... so we really don't know how that conversation with Neeley and Judge Moreland even went. He could have told him, well, we need to get someone down there to fix the crime scene... right." Vincent Hill – Tim Rohan's Sports Illustrated Podcast – Episode 6

"McNair was seated on the sofa and likely was asleep, and we believe that Kazemi shot him in the right temple, then shot him twice in the chest, and then shot him a final time in the left temple. Kazemi then positioned herself next to McNair on the sofa and shot herself once in the right temple and expired. ... We do believe she tried to stage that when she killed herself, she would fall in his lap." Chief Ronal Serpas – July 8, 2009 – By Wayne Drash – CNN

"It was very thorough, very uhm, deliberate investigation, you know, into what had occurred. The evidence clearly indicates it's a murder-suicide versus any other scenario... uh, double-homicide, for example, we know that scenario has come up... or that (deep breath)... I guess that allegation has come up several times... but the evidence clearly supports a murder-suicide with Sahel Kazemi being the person that shot Steve, and then sat on his lap, and then shot herself, and then slowly slid off his lap, and fell onto the floor. And the evidence clearly backs that up. And all the other scenarios that are brought in, are apparently are being brought in by people that have no idea what the crime scene looked like." GRAND JURY FINAL REPORT

APRIL-JUNE TERM 2010

**Submitted to
Honorable Judge Mark Fishburn
Criminal Court Division VI**

Davidson County, Tennessee

**REPORT OF THE GRAND JURY
APRIL 2010 TERM**

GRAND JURY FINAL REPORT

WE, the Davidson County Grand Jurors for the April 2010 term, submit the following report in a summary of the last three months we have served. It has been an honor to serve under the auspices of the Honorable Mark Fishburn. We, as a Grand Jury, believe that through the process, we have gained insight into the structure of our judicial system, and have gained an increased respect for all those who work hard to make it flow smoothly.

In accordance with Tennessee Rules of Criminal Procedure, the Grand Jury deliberated upon 978 cases over the past three months. We presented the court with 885 True Bills, 3 No True Bills, 90 Sealed True Bills, and 0 Sealed No True Bills. We also had the opportunity to create panels that heard two closed cases concerning John J. Hooker and Steve McNair.

John J. Hooker: Mr. John J. Hooker requested an opportunity to present his case concerning his belief in the criminal intent of the state Supreme Court judges. The committee discussed the issues raised and did not find enough evidence of criminal activity to present the case to the entire Grand Jury. The panel appreciated Mr. Hooker's concerns about the impact of actions on the Tennessee Constitution, but decided that that was not a matter for the Grand Jury to consider.

Steve McNair: The Grand Jury was asked to hear information to reopen the Steve McNair case. Mr. Hill wanted to present this information, though he declined to ask for an indictment. He shared with the committee his views of the case but lacked evidence to support his views. Questions raised by Mr. Hill were cleared by evidence gathered by the Metro Police Department. The panel felt that this was a case that should not be heard by the other members of the Grand Jury.

Serving under the esteemed leadership of **Grand Jury Foreman Mr. Richard Hillenbrand** was a wonderful opportunity for us all. His detailed understanding of the law and the way he communicated or explained cases to the rest of the Jury was very helpful. We feel that his vast knowledge of the law and of law enforcement was very useful to us all. He did an excellent job of keeping us on task while still giving us ample time for questions and comments.

We, the Grand Jury, would like to thank the following individuals for taking the time out of their busy schedules to provide us with information that helped us better perform our judicial duties:

Metro Police Department Liaison Gene Donegan: Gene was wonderful at presenting cases to the Jury because he was clear and concise. The way he

McNair case won't be reopened

Jun 18, 2010

Elizabeth Merrill/ESPN Senior Writer

A former Nashville police officer's request to have the Steve McNair case reopened has been denied.

Vincent Hill told ESPN.com on Thursday night that he received word from a three-member Davidson County grand jury panel that there was insufficient proof to move forward and present his 32-page complaint to a full grand jury.

Hill, who spent 4½ years on the Nashville force and resigned in 2006, has disputed the police's ruling that McNair, the former Tennessee Titans quarterback was murdered by Sahel Kazemi, who then turned the gun on herself. Hill self-published a book called "Playbook to a Murder" and has spent the past 11 months conducting interviews and trying to debunk police findings that Kazemi murdered McNair in a downtown Nashville condo in the early morning hours of July 4, 2009.

On June 11, the panel heard a 30-minute presentation from Hill on what he described as "multiple errors" in the police investigation. The former Metro Nashville traffic police officer says he was informed of the grand jury's decision Thursday in a letter from foreman **Richard Hillenbrand.**

Reached Thursday night, Hillenbrand said he couldn't comment on any decisions because the report is sealed.

"Win, lose or draw, it's historic to just get it at that stage," Hill said. "Obviously, they thought there was something worth hearing just to even listen to the case.

"I would say that it's not over at this point."

Davidson County District Attorney Torry Johnson said in a news release that theories relating to the McNair investigation are not backed up by facts.

Elizabeth Merrill writes for ESPN.com. The Associated Press contributed to this report.

RULE 6: THE GRAND JURY.

(a) Formation of the Grand Jury.

(1) *Formation at a Regular Term.* On the first day of each term of court at which a grand jury is required to be impaneled, the judge of the court authorized by law to charge the grand jury and to receive its report shall direct the names of all the qualified jurors in attendance for the criminal courts of the county to be written on separate slips of paper and placed in a box or other suitable receptacle and drawn out by the judge in open court. **The foreperson and the twelve qualified jurors whose names are first drawn constitute the grand jury for the term and shall attend the court until dismissed by the judge or until the next term.**

The following oath shall be administered to all members of the grand jury, including the foreperson:

You as members of the grand jury do solemnly swear (or affirm) that you will diligently inquire, and true presentment make, of all offenses given you in charge, or otherwise brought to your knowledge, committed or triable within this county; that you will keep secret the state's counsel, the other jurors' and your own; that you will present no person from hatred, malice, or ill will, nor leave any unpresented through fear, favor, or affection, or for any reward, or the promise or hope thereof, but that you will present the truth, the whole truth, and nothing but the truth, according to the best of your skill and understanding. So help you God.

DID THIS "RICHARD HILLENBRAND" SERVE AS THE STEVE MCNAIR GRAND JURY FOREMAN?

"The evidence clearly points to a murder-suicide. We follow the evidence, that's it. If the evidence pointed to a double homicide we would have been all over it. There are some that argue it's a double homicide, but other than speculation and guess work they have nothing to support their theory. Just because they continue to repeat it, doesn't make it so. The investigators who were involved in this are highly experienced in homicide investigation. Those on the outside making these claims have absolutely no experience in investigation, let alone homicide investigation. As in all homicide investigations, there will be unanswered questions that have absolutely nothing to do with what actually occurred."

No. 91-5138.

United States Court of Appeals, Sixth Circuit.

Feb. 6, 1992.

"On June 11, the panel heard a 30-minute presentation from Hill on what he described as "multiple errors" in the police investigation. The former Metro Nashville traffic police officer says he was informed of the grand jury's decision Thursday in a letter from foreman Richard Hillenbrand. Reached Thursday night, Hillenbrand said he couldn't comment on any decisions because the report is sealed.... Davidson County District Attorney Torry Johnson said in a news release that theories relating to the McNair investigation are not backed up by facts." Elizabeth Merrill – ESPN Senior Writer – June 19, 2010

MULTIPLE ERRORS OR A CALCULATED COVER-UP?

Information on public corruption, Steve McNair's grand jury, other grand juries, plus a copy of a judicial letter to DA Glenn Funk, was provided to the Middle Tennessee Appellate Court on Feb 21, 2019. However, the information was not accepted in a related case.

AT NASHVILLE

REDACTED v. AUSTIN DAVIS

Circuit Court for Davidson County
No. REDACTED

REDACTED

REDACTED IN SUBMISSION TO THE
PERMANENT INJUNCTION GRANTED
TO ATTORNEY LARRY CRAIN.

ORDER

The appellant has moved this court to consider certain exhibits to his brief as post-judgment facts under Tenn. R. App. P. 14. The exhibits include a sworn affidavit, grand jury reports, and other documents that were not included in the record on appeal.

This court's jurisdiction is appellate only. Our review is generally confined to those facts established by the evidence in the trial court and set forth in the record on appeal. Tenn. R. App. P. 13(c). We may not act as a fact finding court, *Lewis v. Donoho*, App. No. 02S01-9901-CV-00006, (Tenn. May 21, 1999)(order on petition to rehear), or consider evidence that was not heard by the trial court. *Duncan v. Duncan*, 672 S.W.2d 765, 768 (Tenn. 1984).

Consideration of post-judgment facts is contemplated only when those facts occur after the judgment appealed, are unrelated to the merits and are not genuinely disputed. Tenn. R. App. P. 14, Advisory Commission Comments. Such post-judgment facts include bankruptcy, divorce, death, mootness, and other judgments or proceedings in the trial court. Tenn. R. App. P. 14.(a). Tenn. R. App. P. 14 does not permit a party to relitigate disputed issues by placing before the appellate court evidence not heard by the trial court. *Duncan v. Duncan*, 672 S.W.2d 765, 768 (Tenn. 1984). The facts presented by the appellant appear to relate directly to the merits of the case and to have occurred prior to the judgment under appeal. Thus, they are not appropriate for consideration as post-judgment facts under Tenn. R. App. P. 14.

It is, therefore, ordered that the motion to consider post-judgment facts be denied.

Dear Harpeth Hall Alumnae,

Many of you recently received an **unauthorized** email from a former Harpeth Hall student. email is an **improper use** of Harpeth Hall contact information and a clear **violation of our Privacy Policy** as stated on the alumnae portal of our website which states:

"The information in the Alumnae Directory may NOT be reproduced in any form or used for commercial, nonprofit, or political solicitation purposes or mass communication not previously approved by the Alumnae Office. It is NOT to be copied or provided to anyone outside the Harpeth Hall community. We anticipate sending you a more detailed report on the current state of matter in the near future; however, we wanted to send this more immediate response to reassure you that the former student's email was both **improper** and sent without Harpeth Hall's knowledge or consent.

We are most grateful for your loyalty to Harpeth Hall and regret any concern this **unauthor** email may have caused you.

Mr. Brad Gioia, **THREATENING EMAIL?**

Why did you write a letter to the MBA community on October 20th saying you contacted the police on a former MBA parent? If you contacted the police, why is there no police report in the MNPD records division? Why did you say the former parent's concerns "seem entirely unrelated to MBA," when you should be aware that at least two MBA faculty members **REDACTED**

During the MBA spaghetti supper, four police officers came to our home to arrest Austin to shut him up. Why did you ban Austin from the MBA campus? You know Austin shouldn't be banned. The army of boys Austin has coached since the 80s also know the banning is ridiculous. Everyone who knows Austin knows he loves and cares about kids. Yet for simply writing an email, Austin was thrown in jail for 18 days without an appearance before the night commissioner. No police report. No hearing. 18 days in jail.

I am disappointed you did not apologize to my children yesterday as Austin requested. Instead, he is back in court before Judge Cheryl Blackburn this morning.

Did Police / DA Funk know that Tim Rohan had been re-examining the murder of Steve McNair for approximately 8 months when the Davis family was banned from "correspondence" with the MBA Community?

Former Tulsa Police Chaplain Wade Burleson first cited a connection to the Steve McNair murder investigation in the 4th paragraph of a "Battle of Nashville" blog article on May 12, 2014. In submission to a permanent injunction imposed on Sept 24, 2018, all supporting Police, DA, and other documents were removed from the story.

Did Police Spokesperson Don Aaron shield Norris Tarkington from participating in the Sports Illustrated interview with Tim Rohan? In submission to a permanent injunction imposed on Sept 24, 2018-- approximately three weeks before the "Fall of a Titan" podcast was launched nationally-- the Austin Davis "keep and share" documents were taken private permanently and removed from public internet access. These Police and DA documents included Norris Tarkington documents.
