7 Q. In the lawsuits, they've given the ages 11 and
8 then they changed it; they went to 12. Do you know
9 what the age was?
10 A. I believe the age when [redacted] was first sexually
11 abused -- is that what you're asking me?
12 Q. Uh-huh.
13 A. Was 11.
14 Q. Eleven? The lawsuit says -- uses the word
15 "incident," which seems to indicate it's only one
16 time. Is it one time or is it multiple times?
17 A. Multiple times.
18 Q. Is it constrained just to Tennessee?
19 A. No.
20 Q. What other states?
21 A. I'm not sure what other states there are, but
22 I think some of the incidents occurred outside of the
23 state of Tennessee.
24 Q. Did [redacted] go over that or give you any
25 information on those states, where it was?
1 A. Yes, sir. Page 25

THE WHITE-SLAVE TRAFFIC ACT (MANN ACT)

2027. MANN ACT

Cases arising under the Mann Act, 18 U.S.C. § 2421 et seq., are investigated by the Federal Bureau of Investigation... Sections 2421 to 2423 of the Act set forth several offenses including the offense of knowingly transporting any individual, male or female, in interstate or foreign commerce or in any territory or possession of the United States for the purpose of prostitution or sexual activity which is a criminal offense under the federal or state statute or local ordinance. Section 2423 is concerned solely with the transportation of minors under the age of 18 years and provides for an enhanced penalty. This section should generally be used when minors are victims, although the other two sections also cover minors ("any individual").

NO STATUTE OF LIMITATIONS FOR SEX ABUSE OF CHILDREN

18 U.S. Code § 3283. Offenses against children

No statute of limitations that would otherwise preclude prosecution for an offense involving the sexual or physical abuse, or kidnaping, of a child under the age of 18 years shall preclude such prosecution during the life of the child, or for ten years after the offense, which ever is longer.

LONDON DAILY MAIL

JOHN PERRY'S STATEMENT TO DAILY MAIL ONLINE

Thank you for getting in touch. I haven't read the article but have heard about it.

I don't have anything to say for the record, but will tell you that the person behind it has been pursuing a vendetta against his former church for years and this story is one of the means he has used.

Having failed there, he has evidently turned his attention elsewhere.

I will also tell you that whatever private difficulties there may have been, the parties involved were reconciled and restored years ago, for which I thank God every day.

Daily Mail Corrections Request

Yesterday was the 4th anniversary of **false information** being published by the Daily Mail in an article about Mike Huckabee, John Perry, and an on-going child sex abuse cover-up case.

The **untrue** police statement in the Daily Mail article continues to damage and harm my innocent family. Nashville Police silenced and falsely criminalized me for asking questions about John Perry's "safe house" in July 2008, and for speaking out about a "Mann Act" Federal crime cover-up which is still on-going in 2019 as a new Presidential Election draws near.

Protected child-molester, John Perry, continued the Federal "Mann Act" cover-up on a global stage when he made a public statement to White House Correspondent Francesca Chambers prior to new sworn testimony being obtained which proves the Federal "Mann Act" Law was violated.

For the record, there is **NO** statute of limitations for child sex abuse under the "Mann Act."

The protected child-molester, John Perry, co-wrote manuscripts with Rev. Franklin Graham, Mike Huckabee, Roy Moore, Richard Land, Chuck Colson, and possibly Jay Sekulow's ACLJ organization.

Protected child-molester, John Perry, recently sued Rev. Billy Graham's publisher for \$3 million after the publication of **Through My Father's Eyes**.

I've reached out to President Trump, Gov. Huckabee, Rev. Franklin Graham, Gov. Bill Haslam, Gov. Bill Lee, and many other elected public servants with the hope that they would join my family as we stand against child sex abuse, but I was falsely jailed for 18 days while child-molester, John Perry, is still protected by Nashville Police.

By [FRANCESCA CHAMBERS, WHITE HOUSE CORRESPONDENT FOR DAILYMAIL.COM](#)

PUBLISHED: 13:30 EDT, 11 June 2015 | **UPDATED:** 14:25 EDT, 11 June 2015

Republican presidential candidate Mike Huckabee is facing fresh controversy over links to a child abuser today.

The evangelical Christian politician's co-author was revealed to have been found by police to have molested a **R** when **R** was just 11, and continued the abuse for three years.

John Perry, a prolific author who helped co-write hit movie *The Vow*, **was not prosecuted because the statute of limitations had passed by the time police became involved**, [Buzzfeed News](#) reported as it revealed the abuse.

Perry is the second associate of Huckabee to have been revealed as an abuser, after Josh Duggar's abuse of his sisters was disclosed.

Perry today told Daily Mail Online that **'the parties involved were reconciled and restored years ago' and that the investigation had been prompted by an individual who had a 'vendetta' against his former church.**

Documents uncovered by BuzzFeed News show that Nashville, Tennessee, police investigated Perry in 2012. **There is no suggestion Huckabee knew anything of the investigation into his co-author.**

Perry had earlier co-authored Huckabee's memoir about his failed 2008 bid for the GOP nomination.

Perry reportedly copped to the abuse and was subsequently excommunicated from his church. His wife also left him, citing 'inappropriate marital conduct' in the divorce proceedings.

Huckabee, a 2016 nominee for the GOP nomination, was already weathering the storm brought on by another child abuse scandal tied to his presidential campaign before BuzzFeed ripped the lid off of court documents implicating his two-time co-author Perry.

An evangelical conservative campaigning to win the votes of Christians nationwide, Huckabee has defended the Duggar family, of 19 Kids and Counting fame after it was revealed that their son Josh, a high-profile conservative activist, had molested several girls in his youth - two of whom were his sisters.

Josh Duggar underwent counseling for his offenses and was never charged in court.

'No one needs to defend Josh's actions as a teenager,' Huckabee said of his actions on Facebook last month, adding, 'but the fact that he confessed his sins to those he harmed, sought help and has gone forward to live a responsible life as an adult is testament to his authenticity and humility.'

Based on the timeline laid out by BuzzFeed, Perry's misdeeds did not come to legal authorities' attention until 2012, though his church became aware of the alleged abuse sometime between 2008 and 2010. It is unclear exactly when they took place.

Perry told Daily Mail Online: 'I don't have anything to say for the record, but will tell you that the person behind it has been pursuing a vendetta against his former church for years and this story is one of the means he has used.

'Having failed there, he has evidently turned his attention elsewhere.

'I will also tell you that whatever private difficulties there may have been, the parties involved were reconciled and restored years ago, for which I thank God every day.'

His books with Huckabee were released in 2007, Character Is the Issue, and late 2009, Do the Right Thing: Inside the Movement That's Bringing Common Sense Back to America.

Other works Perry takes credit for helping write include The Vow, the true story of Kim and Krickitt Carpenter. Written in 2000, it became a major motion picture starring Rachel McAdams and Channing Tatum in 2012.

His specialty is helping co-write autobiographical memoirs, though, and he's published a handful of non-fiction books under his own name.

In 2010 he co-authored the novel Letters to God, based off the feature film. According to Perry's [Amazon](#) page, it debuted at #7 on The New York Times Best Seller List.

'In more than thirty published books, New York Times bestselling author, collaborator, and ghostwriter John Perry has achieved success writing biography, autobiography, true-life memoirs, and fiction,' his [website](#) states.

'Clients of every age and walk of life have put their trust in him, from governors and college presidents to beauty queens and ordinary people with extraordinary stories of triumph.'

Perry's accuser is not named in the BuzzFeed article. But it states that R began speaking out in 2007, when R was at least 18 or older, according to one of the court documents it obtained.

Catherine Davis, a parishioner at Perry's former church, Covenant Presbyterian Church, said in the court document that the alleged victim told her that R began telling R R members, church leaders, school officials and other people in R life about the abuse that year, though R did not share her story with Davis until the summer of 2012.

Minutes of meetings from Covenant Presbyterian Church - part of the **national Presbyterian church** - given to BuzzFeed by a parishioner show that Perry resigned from its deaconate in 2008.

At a separate meeting in 2010, Perry was **reportedly** excommunicated after 'he confessed to committing heinous and repetitive sin [...] and has not shown evidence of repentance'.

Those same minutes were used as evidence in a 2012 lawsuit brought against the church by Mrs. Davis and her husband Austin Davis, **who are no longer parishioners there**.

The Nashville Police department told BuzzFeed, 'The alleged sexual battery was reported to have occurred when the victim was between the ages of 11 and 14.'

As a result of its 2012 investigation, 'the allegations of **sexual battery** were sustained, but it was determined that **the statute of limitations had tolled, barring prosecution**,' spokesman Don Aaron told BuzzFeed.

'**The victim was age 18 when R first disclosed the allegations to non-law enforcement and said at that time R did not want the matter reported to the Tennessee Department of Children's Services or the police.**'

Perry's divorce proceedings are not a matter of public record. But BuzzFeed reports that, according to documents filed, Perry's ex-wife claims he 'admitted sexual abuse' of child.

His response to her claim, based on the documents, was that 'there was never any testimony or other evidence of any kind presented' nor were there 'any orders or findings of fact [...] regarding any alleged sexual

abuse of any minor child relative to the parties' divorce or any other legal proceeding.'

Mr Davis, the ex-parishioner, claimed in his lawsuit that the church tried to cover up the scandal and harassed him for trying to bring it to light.

Covenant Presbyterian directed BuzzFeed to its lawyer.

The alleged victim of Perry's unwanted sexual advances reportedly told BuzzFeed that **R** doesn't share that view of how events unfolded. **R** believes that the church acted appropriately and does not believe it tried to cover up the abuse.

Buzzfeed states that Perry did not return multiple requests for comment before it published its article and that Huckabee's presidential campaign declined to comment for its story.

The campaign has not provided a comment to Daily Mail Online today.
