7 Q. In the lawsuits, they've given the ages 11 and  
8 then they changed it; they went to 12. Do you know  
9 what the age was?  
10 A. I believe the age when [redacted] was first sexually  
11 abused -- is that what you're asking me?  
12 Q. Uh-huh.  
13 A. Was 11.  
14 Q. Eleven? The lawsuit says -- uses the word  
15 "incident," which seems to indicate it's only one  
16 time. Is it one time or is it multiple times?  
17 A. Multiple times.  
18 Q. Is it constrained just to Tennessee?  
19 A. No.  
20 Q. What other states?  
21 A. I'm not sure what other states there are, but  
22 I think some of the incidents occurred outside of the  
23 state of Tennessee.  
24 Q. Did [redacted] go over that or give you any  
25 information on those states, where it was?

1 A. Yes, sir. Page 25

## 2027. MANN ACT

Cases arising under the Mann Act, 18 U.S.C. § 2421 et seq., are investigated by the Federal Bureau of Investigation... Sections 2421 to 2423 of the Act set forth several offenses including the offense of knowingly transporting any individual, male or female, in interstate or foreign commerce or in any territory or possession of the United States for the purpose of prostitution or sexual activity which is a criminal offense under the federal or state statute or local ordinance. Section 2423 is concerned solely with the transportation of minors under the age of 18 years and provides for an enhanced penalty. This section should generally be used when minors are victims, although the other two sections also cover minors ("any individual").

### 18 U.S. Code § 3283. Offenses against children

No statute of limitations that would otherwise preclude prosecution for an offense involving the sexual or physical abuse, or kidnaping, of a child under the age of 18 years shall preclude such prosecution during the life of the child, or for ten years after the offense, which ever is longer.

Brad Gioia and Robert Sawyer continue to protect a Mann Act Federal crime cover-up connected to Presidential politics and the Ukraine.

Ms. Crawford:

I filed the "designation of record" today. Below are the transcripts requested. Please let me know if there is any other court reporter who needs to be included on this email. I no longer have my attorneys but I would still like to review the video / audio records prior to writing my appellate brief. Also, how does one get a transcript for the grand jury selection process. Thanks, Austin Davis

1. Transcript of pre-indictment hearing before ex-Judge Casey Moreland on April 20, 2016 (DA's office had a copy at the beginning of the jury trial).

3. Transcript of pre-trial hearing before Judge Steve Dozier on March 10, 2017: a) Lauren Will's withdrawal motion; b) Willie Austin Davis hearing without Attorney Lauren Wills.

**Date:** Wed, Nov 13, 2019 10:15 am

Mr. Davis: This letter is to inform you the notice of appeal on your case has been forwarded to the court reporters who have worked on your case. There are four of us who have transcripts you have requested to be included in your appeal.

The estimated cost of preparing these transcripts is \$1,200. We are requiring payment in advance of the transcripts being prepared and filed with the clerk's office. As this is an estimate, upon receipt of payment, we will prepare the transcripts and if there is any amount due, that amount will need to be paid before filing. If the \$1,200 has a surplus, a refund to you will be issued.

We are asking that one money order or cashier's check be issued in the amount of \$1,200 payable to me, Patsy Norman, Primary Designated Reporter. I will then disburse the payments to the other reporters.

As time is of the essence, please get payment to me as soon as possible so that we may begin work on your transcripts and get them filed in a timely manner.
