Subject: SH - An Open Letter For Steven Curtis Chapman - Sent To Show Hope Staff Members - Please Forward

Dear Mr. Chapman:

I know you are very busy with a new Netflix "A Week Away" movie launch, a speaking engagement at Liberty University, and a Drive-In Theater tour. However, I wish to respond to some confusion about my recent email concerning Gov. Bill Lee's new "adoption" initiative with your non-profit organization, Show Hope.

I am under the impression that you, Michael W. Smith, Amy Grant and Gov. Lee are all Christian friends, so maybe one, or all of you can persuade Gov. Lee to do the right thing?

For clarity, I did not state that you were personally involved in the on-going John Perry child sex abuse cover-up. However, I did truthfully state that you were connected to Gov. Bill Lee's new DCS "adoption" initiative: <https://www.keepandshare.com/doc15/23727/2021-1l-apr-1-rise-of-a-titan-gov-bill-lee-adoption-initiative-child-sex-abuse-cover-up?da=y>

For clarity, John Perry, a CPA Alumni Father, is a protected child-molester here in the Nashville community. Since you are also a CPA Alumni Father, I encourage you to read the sworn testimony of child sex abuse expert witness, Caroline Cone, a CPA Alumni Mother. <https://www.keepandshare.com/doc15/22758/2020-3l-dec-3-rise-of-a-titan-john-perry-global-statement-caroline-cone-sworn-testimony?da=y>

On March 14, 2016, child sex abuse expert witness, Caroline Cone, testified before MBA Father and Davidson County Judge Kelvin Jones. Judge Kelvin Jones presided over four John Perry child sex abuse cover-up lawsuits that were blocked from local news reports and all were won by fraud and lying.

On March 22, 2021, the same day Gov. Bill Lee announced the DCS - Show Hope "adoption" initiative, Phil Williams of NewsChannel5 reported that Judge Kelvin Jones is now under investigation by the Tennessee Bureau of Investigation. However, Phil Williams did not mention a word about the John Perry child sex abuse cover-up, or John Perry's child sex abuse across state lines which has NO statute of limitations under the Federal Mann Act: <https://www.newschannel5.com/news/newschannel-5-investigates/tbi-joins-investigation-of-misconduct-admissions-by-nashville-judge>

In closing, I pray you will read Matthew 5:13 and Matthew 18:6 as I continue to receive hate mail and threats while Gov. Bill Lee, Attorney General Herbert Slatery, Nashville Police, Phil Williams and Nashville news organizations continue to stand down as new threats are made: <https://www.keepandshare.com/doc15/23471/2021-1d-feb-4-rise-of-a-titan-billy-lyell-email-acct-court-docs?da=y>

I look forward to hearing from you by April 16, 2021.

In Christ,

Austin Davis
