Dear Member of the Covenant Commonwealth:

The following letters are attached for your review: 1) April 19th Letter to Stated Clerk of Session, Mr. Scott Troxel; 2) April 24th Elder Letter from Mr. Joe Eades in response to Letter 1; 3) May 15th Letter to New Elders on Session in response to Elder Joe Eades.

To date, I have received no response from anyone in leadership except for Mr. Joe Eades.

In addition, it is important for you to also know that Judge Muriel Robinson placed a father and former long-time member of the church in jail on May 16th. The 80-day sentence to jail was described as a "privilege" of the court which will be served out on weekends until the Judge's sentence is served.

I have faith that Judge Robinson is a fair judge who would not punish a man so harshly if she knew the **deceptions** that have repeatedly taken place regarding the welfare of so many small Covenant children.

The letters attached reveal a story you have intentionally not been told.

Respectfully,

Austin Davis
