

The Brentwood Academy (BA) alleged gang rape case involved Attorney Larry Crain who filed a \$1.5 million “defamation” lawsuit against the mother of the alleged 6th grade victim, and a \$300,000 lawsuit against BA parents, Michelle and Willis Nowell. Larry Crain had previously filed a \$3 million “invasion of privacy – defamation” retaliation lawsuit against Austin Davis in a related John Perry child sex abuse cover-up case. On May 12, 2021, alleged child sex abuse victim, Gracie Solomon, was courageous to make a public “cry for help” claiming her father, Aaron Solomon, had raped her, and also killed her brother, Grant Solomon. After Gracie Solomon made her public cry for help, Grace Chapel Attorney Larry Crain, sent a “cease and desist” letter to Medium Writer Shannon Ashley who was brave to report on Gracie Solomon’s public cry for help. Four months later on Sept 26, 2021, Carrie Underwood performed at a Grace Christian Academy (GCA) Benefit Concert to raise money for the private school located on the property of Grace Chapel Church.
