

After reaching out to Tennessee Democrat Leader, Sen. Jeff Yarbro, Austin Davis was disappointed to learn that Sen. Jeff Yarbro is an attorney with powerful Nashville law firm, Bass, Berry and Sims. Bass, Berry and Sims represents accused child molester and accused murderer, Aaron Solomon. See pages 27-29 at this link to learn more about Bass, Berry and Sims: <https://www.keepandshare.com/doc15/24311/2021-1x-sept-1-wsmv-tv-grace-chapel-church-covenant-presbyterian-church?da=y>

Subject: Gov. Bill Lee - Melanie Hicks - Grant Solomon's Mother - Steve McNair's Mother

Dear Sen. Yarbro: Why did Gov. Bill Lee delay a scheduled execution four days after his resignation was called for on Easter? Will Gov. Lee provide honest answers to Melanie Hicks, Grant Solomon's mother, and Steve McNair's mother? The Tennessee General Assembly should not adjourn until Gov. Lee steps fully in to the sunlight. Please provide this email-information to Tennessee Senators and Representatives. For citizen voters also receiving this email, please read the links below and continue to spread the word. Respectfully, Austin Davis 615-999-8190

The 112th Tennessee General Assembly ends: Here's what lawmakers achieved and fought over - **MELISSA BROWN AND ADAM FRIEDMAN | NASHVILLE TENNESSEAN | April 28, 2022**

Aaron Solomon Withdraws Defamation Suit - STEVE CAVENDISH – NASHVILLE SCENE – JUNE 30, 2021 - The legal action arose from a YouTube video posted in May in which Gracie Solomon, 14, accused Aaron Solomon of abuse, rape and also the murder of her older brother, Grant Solomon... There's a catch, though: His lawyers are planning to refile the same suit in federal court. **Aaron Solomon is represented by Bass, Berry & Sims**
