ASI Pastor Steve Berger – Facebook Post – Jan 6, 2021

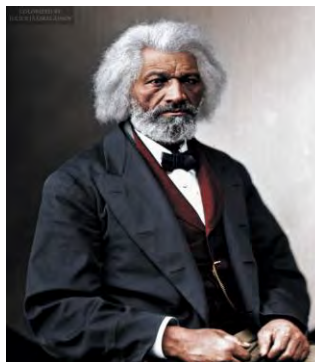

Is Ambassador Services International (ASI) located at the former home of Civil War abolitionist leader, Frederick Douglass, near the U.S. Capitol in Washington, D.C.?

Grace Chapel senior Pastor Steve Berger broadcasts from just outside the U.S. Treasury Building in Washington, D.C. on January 6. Facebook

ASI Ministry – Former Home of Frederick Douglass?

Frederick Douglass

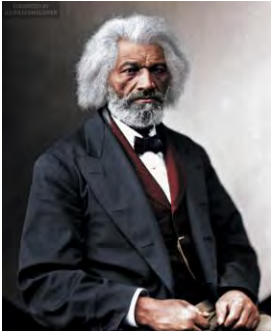

Frederick Douglass moved to Washington, DC, in 1871. He'd lived in or spent lots of time in New York, Massachusetts, Ireland, and England after he famously escaped enslavement in Maryland three decades earlier, and in 1871 President Hayes named the writer and abolitionist the US Marshal for the District of Columbia. He settled in Capitol Hill, at redacted, a short walk from the US Supreme Court and the Capitol.

Hi Sarah: President Trump interviewed my wife, Catherine, in the mid-80's when she worked for Perry Ellis. President Trump chose Catherine's step-brother, Kelly Perdue, for the 2nd Apprentice winner. I've tried to get info to President Trump about two police cover-up cases that have collided in Nashville but meeting face to face with a Presidential Candidate or President is impossible unless you personally know one. The Nashville Police Chief just stepped down after 19 women stepped forward with allegations and the police leadership is rotten to the core. To learn more about the ongoing child sex abuse cover-up colliding with the Steve McNair cover-up, see the link below. I pray President Trump will help my family. Thanks, Austin 615-999-8190

Does President Trump know about the alleged murder of Grant Solomon, and the rigged murder grand jury of former Baltimore Ravens and Tennessee Titans QB Steve McNair?

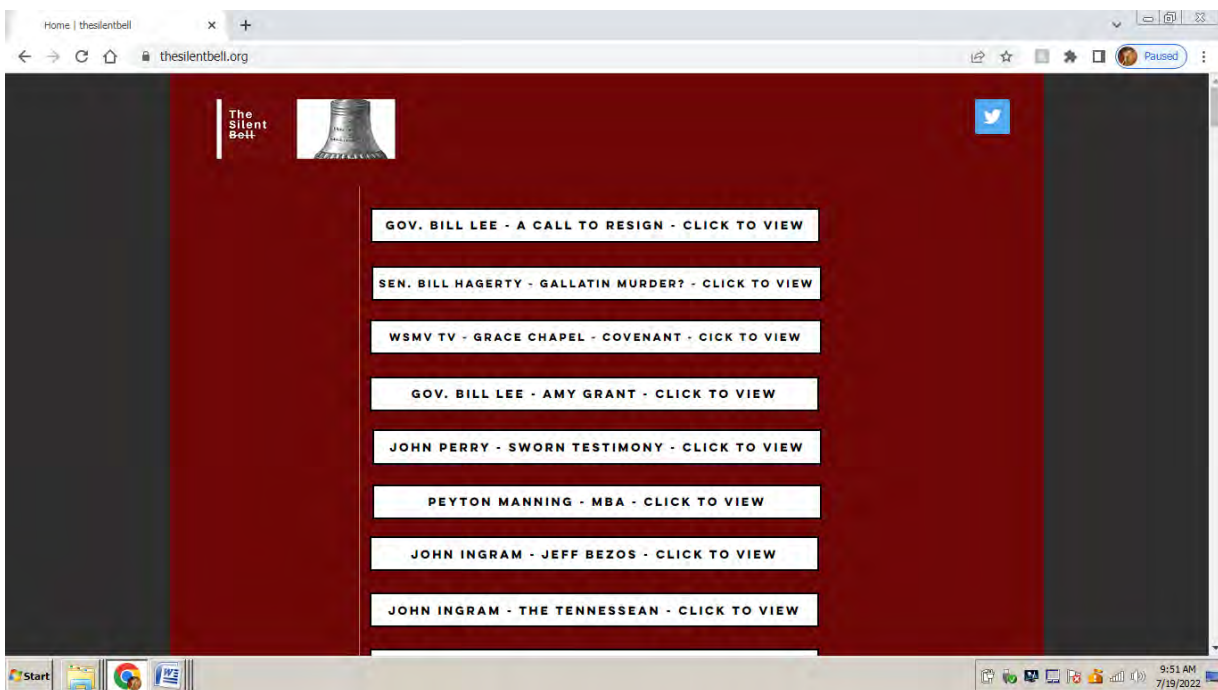

Steve McNair

Grant Solomon

Did White House Deputy Press Secretary Sarah Matthews provide *"The Silent Bell"* web site information to President Trump or Mark Meadows? Have President Trump or Mark Meadows watched the whistleblower interview video filmed on Dec 15, 2014?

To watch the video interview: <https://www.youtube.com/watch?v=hhYXcaW4Fps>

To read The Silent Bell, select this link: <https://www.thesilentbell.org/>

The Silent Bell reports what the Montgomery Bell Academy (MBA) school newspaper (The Bell Ringer), and The Harpeth Hall School newspaper (Logos), and other news organizations, do not report. Below is a MBA parent's message sent to MBA father, Austin Davis, after he was wrongfully arrested on Oct 20, 2017, and jailed for 18-days to protect child-molester John Perry, Gov. Mike Huckabee, and the global legacy of Rev. Billy Graham. The retaliation arrest also protected the collision of three alleged child sex abuse cover-up cases connected to Attorney Larry Crain: 1) John Perry child sex abuse cover-up case; 2) The alleged gang rape of a 6<sup>th</sup> grade Brentwood Academy student; 3) The rape of at least one three year old child at Fellowship Bible Church. A MBA parent wrote: *"You are going up against the powers, the big boys, the old guard here in Nashville, big law firms... wow... I mean, **you are getting crushed like a bug**... simply because all you say rings true to me."*

For Gov. Huckabee: A Citizen's Message from Arlington and The White House - Jul 15, 2015

A Crushed Bug

A crushed bug, Austin Davis is a distant blood nephew of Founding Father Patrick Henry, and a distant blood cousin of First Lady Dolley Madison, wife of President James Madison, Father of the U. S. Constitution. Per the White House Historical Association, in 1814, First Lady Dolley Madison ordered for the George Washington portrait to be saved before the British burned the White House. A White House steward, a slave, and others saved the portrait. Sam Bartholomew was a MBA-Harpeth Hall father and board chairman with Adams and Reese LLP. Christ Presbyterian Elder, Gif Thornton, is a MBA-Harpeth Hall father and the managing partner of Adams and Reese LLP. Gif Thornton is a long-time friend of Gov. Bill Lee and Tennessee Attorney General Herbert Slatery. Gif Thornton is also the chairman of Gov. Bill Lee’s judicial selection committee which recently participated in the selection process of Christ Presbyterian member, Sarah K. Campbell, as a new justice of the Tennessee Supreme Court. During a recent child sex abuse cover-up legal appeal, MBA father Austin Davis requested for the justices of the Tennessee Supreme Court to recuse from his case because of the conflicts of interest with Gov. Bill Haslam, Gov. Bill Lee, Attorney General Herbert Slatery, Christ Presbyterian Church, and other conflicts of interest. However, Austin Davis was not provided a fair, impartial judiciary and his appeal was denied. Question: Does it really matter if a citizen of Tennessee is presumed innocent prior to a fair, impartial trial, or is it more efficient to skip the trial process by moving straight to sentencing and imprisonment imposed by a government official?

“No judge of the Supreme or Inferior Courts shall preside on the trial of any cause in the event of which he may be interested, or where either of the parties shall be connected with him by affinity of consanguinity, within such degrees as may be prescribed by law, or in which he may have been of counsel, or in which he may have presided in any Inferior Court, except by consent of all the parties. In case all or any of the judges of the Supreme Court shall thus be disqualified from presiding on the trial of any cause or causes, the court or the judges thereof, shall certify the same to the governor of the state, and he shall forthwith specially commission the requisite number of men, of law knowledge, for the trial and determination thereof. The Legislature may by general laws make provision that special judges may be appointed, to hold any courts the judge of which shall be unable or fail to attend or sit; or to hear any cause in which the judge may be incompetent.” Tennessee Constitution – Article VI, Section 11.

Attorney Sam Bartholomew was a long-time friend of Attorney Gif Thornton. Gif Thornton is the managing partner of Adams and Reese law firm, and an elder at Christ Presbyterian Church. Gif Thornton also served on the Nashville Presbytery Standing Judicial Committee during the John Perry – Mann Act Federal crime cover-up which is still on-going in 2022. Gif Thornton and Austin Davis were both fathers in the same MBA class when Austin Davis was wrongfully arrested and jailed for 18 days to protect the John Perry – Mann Act Federal crime cover-up. Gif Thornton and Austin Davis were also both fathers at Harpeth Hall when Daisy Davis was ostracized and bullied out of school to protect the John Perry- Mann Act Federal crime cover-up.

Sam Bartholomew, Jr., is the father of Bo Bartholomew, and two former Tennessee football players, Will and Ben Bartholomew. Sam Bartholomew, Jr., is also the father-in-law of Cy Young Winner R.A. Sam Bartholomew, Sr. - Capt. of undefeated 1939 University of Tennessee football team. Played for Philadelphia Eagles, Purple Heart and Bronze Star in Gen. Patton's 3<sup>rd</sup> Army.

Sam Bartholomew, Jr. - Capt of West Point football team. Served in Armed Calvary squadron in Vietnam in 1968-1969.

Will Bartholomew - Tennessee Peyton Manning's Fullback

Will Bartholomew - D1 co-owner with Peyton Manning

R.A. Dickey - son-in-law of Sam Bartholomew, Jr. Played for University of Tennessee. Cy Young Winner in 2012. Knuckleball pitcher.

R.A. Dickey is an outstanding person and a powerful global voice against child sex abuse. Austin Davis played pick-up ball with R.A.'s father (Harry) and knew R.A. since he was a young boy at the YMCA gym. Harry Dickey worked for Sam Moore and Thomas Nelson Publishing. Austin Davis coached many of R.A.'s classmates, including his future brother-in-law, Bo Bartholomew.

Sam Bartholomew's friend and law school classmate, J. Thomas Smith, is a friend of protected child-molester John Perry's attorney, Larry Crain. Tom Smith is also an elder at Stephens Valley Church, which includes the charter memberships of Billy Graham's Publisher, Sam Moore, and the former wife of Billy Graham's biographer-ghostwriter, John Perry (Mrs. Susan Ann Pyle (Perry) Clark). Tom Smith was not an elder at Covenant Presbyterian Church, but he made a grown-man decision to join Stephens Valley Church Leadership after exposure of the on-going John Perry child sex abuse cover-up via numerous lawsuits in Tennessee Courts. Stephens Valley Church leadership includes four defendants named in the 1<sup>st</sup> and 2<sup>nd</sup> Davis family lawsuits filed in 2013, as well as other people not yet named. Four named defendants in the first two lawsuits were: 1) Pastor Jim Bachmann; 2) Elder John Avery; 3) Elder Dale Lewelling; 4) Elder Joe Eades. The on-going fraud and John Perry-Mann Act Federal crime cover-up still continues in Aug 2022. There is NO statute of limitations for child sex abuse across state lines under the Federal Mann Act.

Questions: 1) Why did Sam Moore tell Austin Davis he had nothing to do with the banning and police actions against Austin Davis? 2) Why did Sam Moore tell Austin Davis he was not in agreement with Jim Bachmann about the banning-police action, and yet Sam Moore loyally followed Pastor Jim Bachmann to become a charter member of Jim Bachmann's new church: Westminster Chapel (aka, Stephens Valley Church)? 3) Why did Brownlee Currey and John Ingram remain friends with Pastor Jim Bachmann as Pastor Jim Bachmann, Sam Moore, and many others continued to support the banning and abuse of former Harpeth Hall student, Daisy Davis, during the John Perry – Mann Act Federal crime cover-up?

Questions: 1) Does the Nashville Christian Community support the banning and abuse of a young Harpeth Hall girl to protect child-molester John Perry, and the global legacy of Rev. Billy Graham? 2) Did Pastor Steve Berger tell the truth in his sworn affidavit provided to the Federal Court on behalf of accused child-molester and accused murderer, Aaron Solomon?

Do President Trump and Mark Meadows believe Pastor Steve Berger's DC statement, or Pastor Steve Berger's sworn affidavit on behalf of accused child-molester and accused murderer, Aaron Solomon?

### DC Statement

On Jan 4th, 2021 I drove to Washington, D.C. for meetings that had been set up before the horrific events of January 6th. On the morning of January 6th, I walked through the National Mall praying for our country. This is something I do on a regular basis when I am in DC. I was back at my hotel by 11am and had no part in the march to the Capitol. Any statement to the contrary is patently false. I was there to pray and observe, not to participate in, or incite violence or rioting.

At 7:00 PM CST I went live on Facebook to encourage my friends with the scriptural admonition to possess their soul through patience, to encourage our church family that no matter who the president is, Jesus is our King. I have made this same statement for over 30 years of pastoral ministry spanning 5 different Presidents.

I briefly shared my personal experience from being on the ground. I acknowledged what I saw that was positive, prayerful, and peaceful and condemned that which was violent. I also quickly shared what the news reports were saying about the death of a woman at the Capitol. The initial reports, that were wrong, said that she was 16, she was actually 35.

There was additional incorrect reporting that a facial recognition system had identified Antifa activists in the Capitol. That report has since been shown to be false. Also, there was reporting about Antifa being bussed into the capital, a report that has now been retracted. Trying to accurately share information, while events are rapidly unfolding, has its challenges. When you find out that sources you deemed legitimate, were mistaken, you need to right the wrong.

Therefore, I apologize for sharing things that were wrongly being reported by multiple outlets. I, in no way, intentionally misled or would mislead anyone. Unfortunately, there are news stories, posts, and tweets about my time in DC that are distorted at best and completely fabricated at worst. They are intended to mislead people about me and my activities in DC. There has been threatening, hateful accusations hurled at me that have no basis in reality, even by other church leaders, and not a single one of them reached out to me to verify the reports about me. While they attack me for false reporting, or being involved in nefarious behavior, they give themselves a pass for doing the exact same thing. Where is their apology to me, as I have offered mine? Their hypocrisy knows no bounds. Such are the days we are living in.

In closing let me say again, the events that happened at the Capitol were tragic, deadly, and unpatriotic. I condemn these actions unequivocally. Sadly, they are all too reflective of the vitriol within too many people.

Please join Sarah and me as we continually pray for peace, calm, and the healing of our nation.

Pastor Steve Berger, 1/9/2021

*"My name is Steve Berger. I have first-hand knowledge of the following events... I did meet with Grant Solomon on or about May 8, 2018, at 11:30 am. We met privately in my office. Our conversation consisted of a discussion of spiritual matters, namely how Grant could grow closer to Christ. At no time in this meeting (or otherwise) did Grant report to me any sexual abuse allegations of any kind involving his sister, his father, or any other person. At no time (or otherwise) did Grant express to me that he was afraid of his father or that his father had abused him or Gracie in any way whatsoever." Sara, Redacted... At some point, I think it would be good for you to call Demetria just to let her know you are helping me. The addition of a publicist might make WSMV have a 2nd thought... If anyone reporter wanted to, they could be creative to find an angle to report-- security in churches, women being blocked at the front door, bullet-proof vests under robes, etc. -- if they wanted to report on something other than the child molestation...

Austin - It was great meeting you yesterday and thanks again for breakfast. This timeline and the attachments are very helpful. Let me review the information and get back to you tomorrow. I hope I can help you!

Thank you!

Sara Jo Houghland Walker is the daughter of Calvin Houghland, Jr.. Calvin Houghland, Jr., is a friend of Attorney J. Thomas Smith. Attorney Tom Smith was a friend and classmate of Attorney Sam Bartholomew, Vice-Chair of the 2000 Middle Tennessee Billy Graham Crusade. On or about 2013-2014, Tom Smith befriended attorney, Duncan Cave, who represented members of the Davis family in four child sex abuse cover-up cases related to protected child-molester John Perry. Duncan Cave introduced child sex abuse whistleblower, Austin Davis, to Sara Jo Houghland, the former Director of Communications for the Tennessee State Department of Revenue. Question: Did Tom Smith befriend the Davis family attorney, Duncan Cave, to gather information or to undermine the Davis family?

Sara Jo Houghland Walker was unable to break through the media blockade which included WSMV TV. Question: Why do WSMV TV and other local news organizations protect child-molester John Perry and accused child-molester Aaron Solomon, but they do not protect Harvey Weinstein, Jeffrey Epstein, Ghislaine Maxwell, and Prince Andrew?

Protected child-molester John Perry with city of Nashville as a photo backdrop.

WSMV TV news anchor Aaron Solomon - accused child-molester and accused murderer.

Question: Why is John Perry the most protected child-molester in the world? The London Daily Mail published a global lie that the “*statute of limitations*” had expired on child-molester John Perry. However, the “*statute of limitations*” will never expire under the Federal Mann Act since John Perry committed child sex abuse across state lines. To date (Aug 23, 2022), the London Daily Mail has not corrected the false “*statute of limitations*” article as requested by Austin Davis. Just as WSMV TV has protected the Mann Act Federal crime cover-up, the London Daily Mail has also protected John Perry and his child sex abuse across state lines.

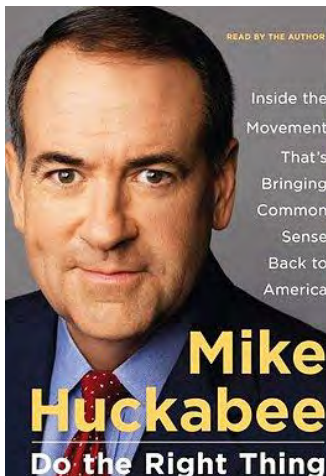

## JOHN PERRY'S STATEMENT TO DAILY MAIL ONLINE

Thank you for getting in touch. I haven't read the article but have heard about it.

I don't have anything to say for the record, but will tell you that the person behind it has been pursuing a vendetta against his former church for years and this story is one of the means he has used.

Having failed there, he has evidently turned his attention elsewhere.

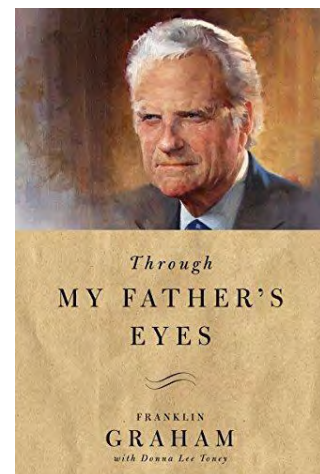

I will also tell you that whatever private difficulties there may have been, the parties involved were reconciled and restored years ago, for which I thank God every day.

NBC news is owned by Comcast Corporation which employs Sara Jo Houghland Walker. Sara Jo Houghland Walker's aunt is Sara Jo Houghland (Sloan) Gill, and her uncle was George Sloan won over 100 Steeplechase wins and was the all-time leading amateur steeplechase winner in the U.S. Also, George Sloan was the only amateur to be both champion in the U.S., and in England. Queen Elizabeth and the United Kingdom knew the handsome American steeplechase champion as "The Sloan Ranger." Sara Walker's father is Calvin Houghland, Jr., and her mother is Gloria Houghland. Question: Do Calvin Houghland, Jr., Gloria Houghland, Sara Jo Houghland (Sloan) Gill, Diane Lackey Benedict, Attorney Joe Lackey, Jr., Attorney J. Thomas Smith, and Iroquois Steeplechase patrons support four alleged child sex abuse cover-up cases, the alleged murder of former Ensworth student, Grant Solomon, and the presence of Juror # 5, Andrew McDonald, in a whistleblower's rigged retaliation trial before a judge who refused to properly recuse: Judge Steve Dozier?

Do President Trump and Mark Meadows know that Catherine Fleming Davis arranged for prominent Southern Baptist biographer, John Perry, to speak to "The Sow and Grow Garden Club" at the family home of Joe and Honey Rodgers several years prior to Nashville Police silencing whistleblower, Austin Davis? Prior to learning about John Perry's "private" child sex abuse, Catherine Fleming Davis attended the engagement to introduce the invited guest speaker, John Perry, to a group of her mother's friends. #### A PETITION AT THE HARPETH HALL SCHOOL

Dear Mrs. Jess Hill (Head of School) and Harpeth Hall Board of Trust,

We are writing to you today on behalf of a significant number of current parents, former parents, and alumnae. The past week has been challenging for everyone, regardless of viewpoint. One thing on which we all agree is that, you, the faculty and the board, care deeply about our girls and Harpeth Hall as an institution. With that in mind, **nothing can surpass a parent's love and concern for a daughter.**

Adopting a policy that invites application to Harpeth Hall by anyone other than females is a critical change in the structure of the school, and by extension, has a major impact on our daughters.

We understand deeply the need for each and every child to be supported and to find the best environment for each stage of their development. We also admire every parent that seeks to find the very best environment for their unique child. Nashville presents many options, including schools spread across every social and educational dimension – who accept and develop children without consideration of sex/gender.

But we chose Harpeth Hall intentionally because of its educational excellence, its many traditions, and, yes, its focus on girls. As much as many see issues of sex/gender as very complex, there is also a simple approach for our school: that Harpeth Hall selects and develops girls across a wide spectrum of backgrounds, but only girls, girls at birth who also identify as girls today.

We feel strongly that this is ideal for our daughters and granddaughters, and will allow them to develop and grow, compete, and thrive without the distractions and complexities of boys, born or declared, in the classroom, and on the fields and stages.

A significant number of families and donors in the Harpeth Hall community, including those copied on this message, feel that the administration and board at Harpeth Hall have failed to include us in the process of considering such **major change. Harpeth Hall's reputation is damaged and we would all like to be part of the process of fixing it.**

We respectfully request a live, open-forum town hall, with all school administrators, committee members, and board members involved in the creation and adoption of this policy.

Given recent damage to the Harpeth Hall brand nationally and internationally, the matter is urgent. We submit the following dates and times to you to be held in **Harpeth Hall's main gym with no media, crisis management, or PR teams present:**

\* -- Wednesday, 8/17 at 7:00pm and Thursday, 8/18 at 7:00pm

On behalf of all Harpeth Hall community members that have consented to CC on this message, we thank you for your consideration as we seek to restore trust in The Harpeth Hall School.

Respectfully, **(Aug 22nd Update – More Signatures have been released by WSMV TV)**

The Austin Davis family has provided truthful John Perry - child sex abuse cover-up information to the Harpeth Hall – MBA collaborative community since 2012, but the Harpeth Hall – MBA collaborative community continues to protect the John Perry – Mann Act Federal crime cover-up in 2022. To date (Aug 23, 2022), Jess Hill, Sen. Dear Sen. Hagerty and Sen. Blackburn: Four years ago today, I was wrongfully jailed in retaliation for speaking out about judicial favoritism and three alleged child sex abuse cover-up cases in Nashville and Brentwood. Today, I am asking for your help in a 4th alleged child sex abuse cover-up case (Gracie Solomon), and the alleged murder of Gracie's 18-year old brother, Grant Solomon. I look forward to speaking with you soon. In Christ, Austin Davis 615-999-8190

Have President Trump, Mark Meadows, Steve Berger, Sen. Bill Hagerty, Judd Deere, and Sarah Huckabee Sanders, ever discussed John Perry, Aaron Solomon, the alleged child sex abuse of 11-year old Gracie Solomon, and the alleged murder of 18-year-old Grant Solomon?

On July 20, 2020, at approximately 08:43 am, Aaron Solomon made a possible false report to 911 to cover up the alleged murder of his only son, 18-year-old Grant Solomon. *“My son’s truck backed over him and it’s rolled over him and drug him into the ditch and it is on top of him... somehow it drug him underneath it... somehow it backed up... we were on an incline and I guess he did not have it in park or something.”* From available photographs taken at the scene during the rescue effort, there do not seem to be any tire tacks in the tall grass above the front of the truck. Question: Do Gallatin Police and Emergency Responders possess photographs not released to the public? Below is a link to the 911 phone call, and statements made by Aaron Solomon during the 911 phone call: <https://www.instagram.com/p/CQrWPwPlaE5/?h=en>

*“I’m trying... It’s...it’s 1357 S. Water Street. It’s off 109. Please hurry... Please hurry. 1357... Uhm, my son’s truck backed over him and it’s rolled over him and drug him into the ditch and it is on top of him... He’s trapped under the truck, and I, I, yeah he, somehow it drug him underneath it... Yes, my son is under it... I’m trying... No, I’m trying to call 911... Oh my God... My name is Aaron Solomon... Oh my God... Yes. Yes... He’s eighteen... He just turned eighteen a couple of weeks, about a month ago... It’s my son... Oh my God... Oh my God, this is not good... Oh, please hurry... I don’t know, I don’t think so... He’s not, uh, he’s not alert, right... No, he’s out... and he’s trapped... I got three guys here... and he’s trapped under the truck... Oh my God... Aaron Solomon.... Huh... It’s a Toyota Tacoma, Tacoma, it’s, the vehicle, he’s underneath the vehicle... and it’s... It’s a white truck... That’s my son... it, somehow it backed up... yeah, yeah... I’m on, I’m on with 911 right now.... Oh my God.... Oh my God... Oh my God... No, no, he was just getting out of it... it.. we were on an incline and I guess he didn’t have it in park or something.. or it wasn’t engaged... or.. Oh my God... Oh my God... I can’t believe this... No... No... No.. Yes... No... No... Huh... Huh... Uh, uh, somebody is telling me he is coming too, maybe... maybe... Well, he can’t, he can’t move... I don’t think he can move... I don’t know... no he can’t move, he’s trapped... I’m telling you man... I’m telling you... Yeah, somebody talked to him... he said there is blood.. Is he facing up or down... He is facing up and they said he may aspirate, we need to hurry... Oh my God... Yeah, yeah, there is blood coming out... yeah, somehow it drug him down, I think... I don’t know whether it wasn’t in park, or what, or if it didn’t engage the brake, or it drug him underneath somehow. They said he is facing up. But he is bleeding from his mouth... so, Grant, turn your face to the side if you can, barely... but be careful... we can’t move him... we can’t, can’t move him... Oh God... Sirens arriving... Yeah. Ok. All right.”* Aaron Solomon – 911 Call – July 20, 2020.

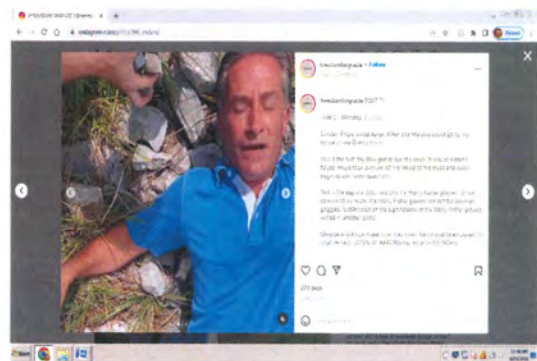

On July 20, 2020, a short time after Aaron Solomon called 911 at approximately 8:43 am, Aaron Solomon provided a written witness statement to Gallatin Police Officer Kurtis McKelvey about the alleged truck accident which purportedly took the life of 18-year-old Grant Solomon. Aaron Solomon was the only witness to the alleged truck accident: "My son Grant & I pulled into WPI separately, parked side by side. I was still in my car, but noticed my son get out to get his baseball gear out of the back of his truck. I looked down to check a work email & the next thing I know I hear, & see the truck rolling backwards into the ditch, I get out of my car to try to find my son & I saw that he was trapped underneath the truck & I immediately called 911." Question: Did Aaron Solomon tell anyone that Grant's truck flipped over and was on its side on top of Grant's pelvis area?

NARRATIVE		

On July 20, 2020, as emergency responders attempted to rescue and save the life of 18-year-old Grant Soloman, Gallatin Police Officer Kurtis McKelvey interviewed accused murderer Aaron Solomon about the alleged truck accident which purportedly took the life of 18-year-old Grant Soloman. Officer McKelvey wrote in his supplement report: *“ I spoke with the father of the male subject and he was identified as Mr. Aaron Solomon. Mr. Solomon stated that he was meeting his son Grant at the facility and that he had arrived there first. Mr. Solomon stated that he was sitting in his vehicle when Grant pulled in next to him in his white pickup truck.”* Question: 1) Has newly selected Tennessee Attorney General Jonathan Skrmetti read Aaron Solomon’s conflicting sworn testimony in sealed juvenile court records about the morning of July 20, 2020?

July 20, 2020 – Where are the tire tracks through the grass?

Aaron Solomon – only witness

On July 20, 2020, several photographs were taken while police and emergency responders were working at the alleged "truck accident" scene. Question: Where are the Toyota Tacoma truck tire tracks if the heavy Toyota Tacoma truck rolled through the tall grass?

July 20, 2020 – Photograph taken within 1 hour (approximately) after the alleged truck accident.

Did Grant Solomon drive his truck to WPI?

Aug 22, 2022 – Tire tracks from a light vehicle in a field eight days later and still visible after a heavy rain.

*“My son’s truck backed over him and it’s rolled over him and drug him into the ditch and it is on top of him... **somehow** it drug him underneath it... **somehow** it backed up... we were on an incline and I guess he did not have it in park or something.”* Aaron Solomon – July 20, 2020 – 911 Call. Question: If the truck rolled backwards dragging Grant Solomon underneath the truck into the rocky ditch, why are no tire tracks in the grass?

Aaron Solomon – July 20, 2020 – 911 Call. Question: If the truck rolled backwards dragging Grant Solomon underneath the truck into the rocky ditch, why are no tire tracks in the grass?*

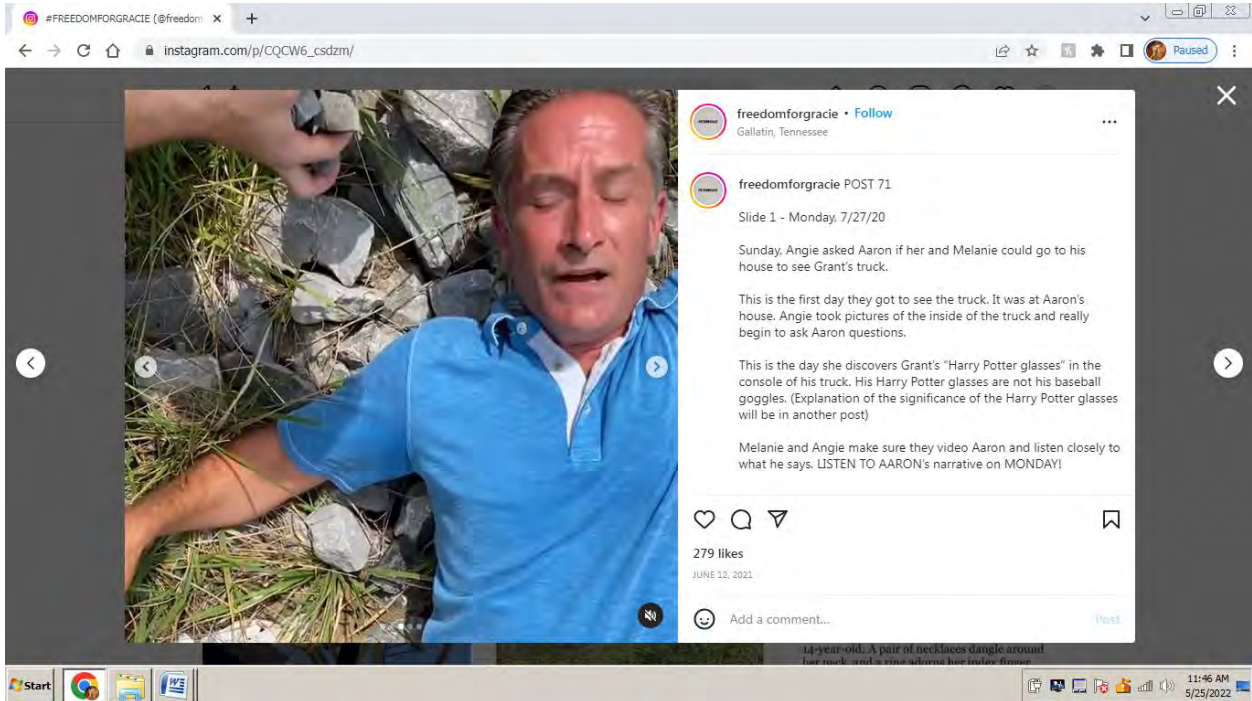

Where are the truck tire tracks?

Did anyone other than Aaron Solomon see Grant Solomon drive his truck to WPI?

On July 20, 2020, Grant Solomon was pronounced dead at 09:30 am at Sumner Regional Medical Center Emergency Room. Questions: 1) Did Aaron Solomon ever tell anyone that the truck flipped over on its side pinning Grant underneath the side of the truck at his pelvis area? 2) Did Aaron Solomon ever tell anyone that Grant was injured at his pelvis area instead of the back of his skull? 3) Did Aaron Solomon ever become “visceral” when asked for precise details about the “tragic accident” story? 4) Did Aaron Solomon ever drop to his knees, confess that he was “guilty, guilty, guilty,” confess that that he was a cursed man, confess that he would have survivor’s guilt for the rest of his life, and confess that he would live in hell every day for the rest of his life?

On or about July 28, 2020, Aaron Solomon’s video re-enactment of where Grant Solomon was laying on the rocks.

Where are the tire tracks through the tall grass?

Bloody rocks near the driver side of the truck.

On July 20, 2020, a short time after Grant Solmon was pronounced dead at 09:30 am, Aaron Solomon purportedly called his former boss at WSMV TV, Rudy Kalis, to obtain a phone number for Vince Gill (*per at least one source at the hospital*). Former Ensworth father, Aaron Solomon, contacted Ensworth father, Vince Gill, to request for him to sing a song at Grant Solomon's celebration of life service. On July 25, 2020, Vince Gill dedicated a song for Grant Solomon to alleged child sex abuse victim, Gracie Solomon, on behalf of his long-time friend, Aaron Solomon. Question: Was Aaron Solomon using the fame and celebrity of Vince Gill to project a loving, positive public image to the community during an alleged murder cover-up of his only son, Grant Solomon?

On July 25, 2020, Aaron Solomon shared information about Grant's missing personal belongings during the "celebration for life" service at Grace Chapel Church. Aaron Solomon shared: "After the accident scene was cleared Monday, a man was looking around the scene and found Grant's cell phone, his GCA baseball cap, and what's left of the sports goggles he was wearing. Ironically, this man just happens to know one of my best friend's, Lee, and gets my number from Lee... text me to know that he has Grant's things and he wants them returned to his family." Questions: (1) Did Gallatin Police ever speak to the unidentified man who had Grant's cell phone, GCA baseball cap, and what was left of Grant's sports goggles? 2) If Gallatin Police properly investigated the alleged "tragic accident," why were Grant Solomon's personal belongings still being discovered at the alleged murder scene within ten days of the alleged murder? 3) Is one of Grant's baseball bats still missing? On or about, July 28, 2020, Aaron Solomon physically demonstrated for a grieving mother how her only son was lying face-up on the passenger side of the truck. Drew Hall, a WPI employee, provided a statement that Grant Solomon's head was on the driver side of the truck. At least one emergency responder report also recorded that Grant Solomon's body was physically extracted towards the driver side of the truck. Grant's blood was located on the driver side of the truck, along with Grant's glasses. In the photo below, 8 of 9 of the emergency responders were standing on the driver side of the truck.

In the Peabody Award-winning docuseries, and a new HBO movie entitled, The Staircase, novelist Michael Peterson was the only witness present during the alleged accidental death of his wife, Kathleen Peterson. Former WSMV TV news anchor, Aaron Solomon, was the only witness to the alleged accidental death of 18-year-old Grant Solomon. Question: Was the “accident” scene staged to cover-up a murder? See injury reports below.

Question: Why did Kathleen Peterson have more physical injuries during a shorter alleged staircase fall compared to Grant Solomon’s single back head wound after he allegedly fell to the ground after being run over and dragged by a large Toyota Tacoma truck through a steep ditch of large sharp-edged rocks?

The Staircase – Kathleen Peterson’s blood

Michael Peterson freely talked about the alleged accidental death of his wife, Kathleen Peterson, during a docuseries entitled, The Staircase. Aaron Solomon freely talked about the alleged “truck accident” approximately eight days after the alleged murder of 18-year-old, Grant Solomon, on or about July 28, 2020. In at least four videos, Aaron Solomon described and/or demonstrated for a grieving mother how her only son was run over on a downhill slope where Grant’s body finally came to rest lying face-up on sharp-edged rocks beneath the passenger side of the truck near a large culvert pipe. Aaron’s friend, Sam Johnson, long-time friend of Grace Chapel Founding Pastor Steve Berger, assisted with the “accident” demonstration. Two blood-stained rocks are near the front tire on the driver side of the truck. Question: Did Aaron Solomon lie to a grieving mother to protect an alleged murder cover-up of her 18-year-old son, Grant Solomon?

Per a six-page letter from Melanie Hicks to Gov. Bill Lee, retired FBI agent Dan Hodges concluded in his private investigation: *"It is impossible for Grant Solomon to have died without assistance."* Questions: 1) Did anyone notice an uncrushed white carton with a red top near the front **driver** tire on a close-up photograph on a previous page? 2) How did the uncrushed white carton get lodged next to the front **driver** tire? 3) Did the blast of the alleged truck crash knock large rocks across the sidewalk and into the grass? 4) If the blast of the alleged truck crash was violent enough to knock rocks across the sidewalk and into the grass, why was Grant Solomon's body not brutally injured on front and back from head to toe? 4) Have Gallatin Police released all photographs of the alleged murder scene, including any cell phone photographs taken by bystander witnesses?

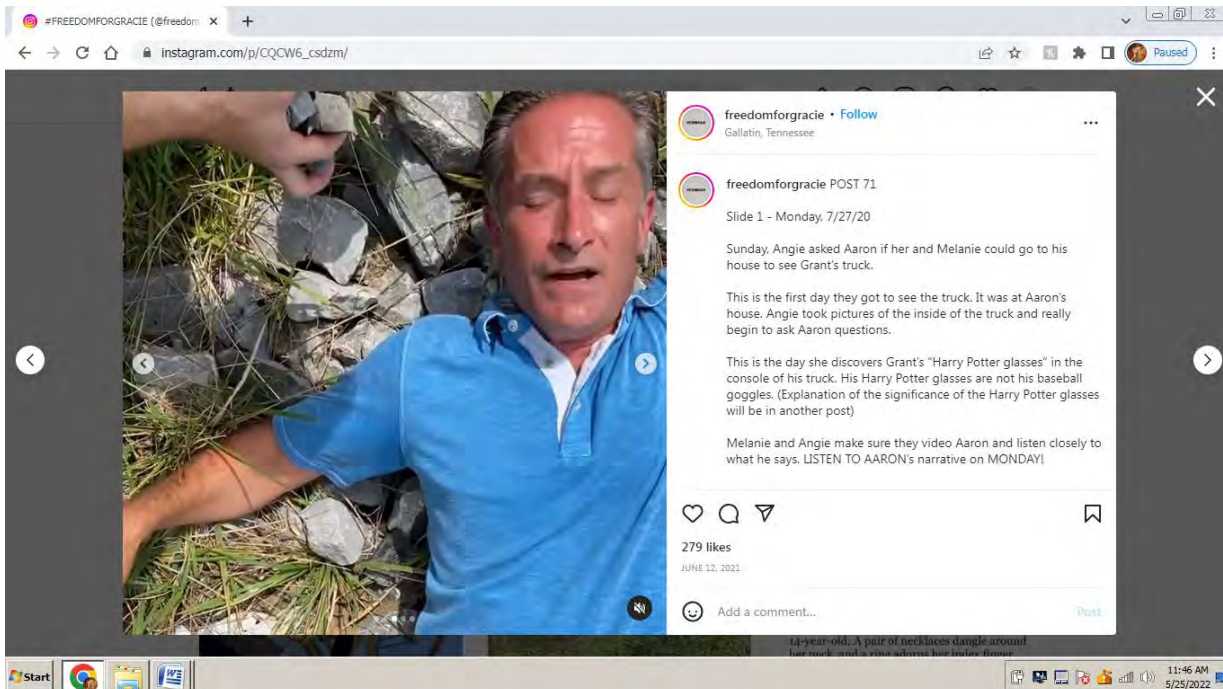

Concerned citizens simply wish to know if this is an accident or a staged murder?

If Aaron Solomon told an elaborate false story to a grieving mother about her only son lying face-up on the passenger side of the truck; and if Aaron Solomon deliberately drove the truck into the ditch and over the bleeding, injured body of his only son, Grant Solomon: who is telling the truth about the alleged child sex abuse of Gracie Solomon, and the alleged murder of Grant Solomon: 14-year-old Gracie Solomon, or former WSMV TV news anchor, Aaron Solomon?

Aaron Solomon claimed that Grant Solomon’s head was on the passenger side of the truck. Drew Hall stated Grant Solomon’s head was on the driver side of the truck. Pastor Steve Berger stated that he met “privately” with Grant Solomon without Grant ever speaking a word about being afraid of his father. Grant’s friends and sister state that Grant was terrified of his father. Grant’s friend, Anna Smith, stated in her sworn affidavit: *“Grant then went on to tell me his father, Aaron Solomon, had molested Gracie, his youngest sister. I asked him how long his dad had been molesting Gracie and he explained he remembers it all the way back when she was a newborn. I was completely shocked and asked why he hadn’t told anyone. Grant told me he was terrified of his father because Aaron had “so much power.”* To learn more about Anna Smith’s sworn affidavit and other sworn affidavits, select this link:

We met privately in my office, Our conversation consisted of a discussion of spiritual matters, namely how Grant could grow closer to Christ, At no time in this meeting (or otherwise) did Grant report to me any sexual abuse allegations of any kind involving his sister, his father, or any other person. At no time (or otherwise) did Grant express to me that he was afraid of his father or that his father had abused him or Gracie in any way whatsoever.”

That employee accompanied Ms. Solomon to the Williamson County Sheriff’s Department to make a report of allegations on May 4, 2018, and an investigator was assigned to the case. At no time did Grant mention anything to me about his mother’s trip to the Sheriff’s Department or any claims of abuse.”

Question: Was Patti Tremblay the unidentified Grace Chapel employee cited in Pastor Berger’s sworn affidavit?

Pastor Steve Berger - Why didn't Pastor Berger identify the Grace Chapel employee in his affidavit?

Patti Tremblay – Steve Berger’s former personal assistant – Did Patti Tremblay attend the Angie Solomon meeting with Sheriff Jeff Long?

Laurie Ellsworth – per “Freedom4 Gracie” web site timeline, Laurie was possibly at a significant lunch meeting with Grant Solomon’s mother, Angie Solomon.

Questions: 1) Did Patti Tremblay or Laurie Ellsworth contact Grace Chapel-GCA Security Director Bill Woodward about Angie Solomon’s safety concerns prior to Pastor Steve Berger’s “private” meeting with Grant Solomon, on or about, May 8, 2018? 2) Prior to Pastor Steve Berger’s “private” meeting with Grant Solomon, did Bill Woodward try to do the right thing by telling Gracie and Grant Solomon that they could go to his office if “they ever need a place to hide?”

May 16, 2018: Pastor Steve Berger's sworn affidavit fails to mention a word about an email Grant Solomon's mother sent to Grace Chapel Elder Kurt Beasley approximately eight days after Pastor Steve Berger's "private" meeting with 15-year old Grant Solomon. The May 16<sup>th</sup> email indicates that Pastor Steve Berger's former personal assistant, Patti Tremblay, referred Grant Solomon's mother to Grace Chapel Elder Kurt Beasley: "Hi Mr. Beasley: I have been referred to you by Patti Tremblay. I am concerned for the lives of myself and my children. I have attached the last conversation held with my former husband. It was Monday at 2:27 pm. There is a large back story here. Would you be able to find time for me this week? Sincerely, Angie."

Angie contacts elder Kurt Beasley at Grace Chapel, who is also an attorney. In the email she says "I'm afraid for my life and that of my children. The elder ignores her, says there is "nothing he can do".

May 4 – May 16, 2018: Three years after Grant Solomon’s mother expressed safety concerns for her family and other children at Grace Christian Academy, Pastor Steve Berger failed to mention two significant men in leadership who possibly could have helped 11-year-old Gracie Solomon, and 18-year-old Grant Solomon: 1) Williamson County Sheriff Jeff Long; 2) Grace Chapel - Grace Christian Academy Director of Security Bill Woodward. Pastor Berger was also a man who possibly could have helped Gracie and Grant, but Pastor Berger has “*sworn under oath*” that he was unaware of the serious concerns shared with Sheriff Long prior to Pastor Berger’s “*private*” meeting with Grant Solomon, on or about, May 8, 2018.

Per Pastor Berger’s sworn affidavit, an unidentified Grace Chapel employee did not inform Pastor Steve Berger about the information shared with Sheriff Jeff Long. The Freedom4Gracie web site indicates the church employee was possibly Pastor Berger’s ex-personal assistant, Patti Tremblay, but Pastor Berger’s sworn affidavit failed to identify the employee.

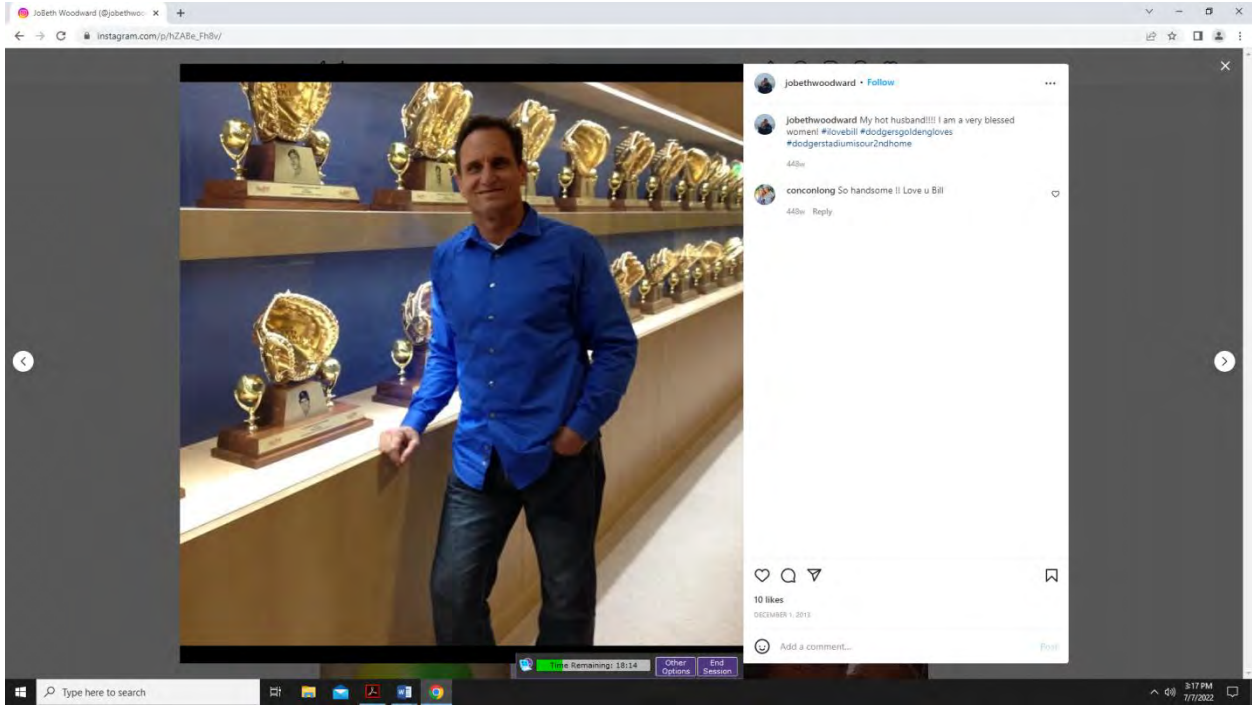

Per Pastor Berger’s sworn affidavit, Sheriff Jeff Long apparently did not inform Pastor Berger or Campus Security Director Bill Woodward about safety information he learned in meeting with Angie Solomon prior to Pastor Berger’s “*private*” meeting with Grant Solomon.

Per Pastor Berger’s sworn affidavit, Bill Woodward (*on the left*), the Grace Chapel and Grace Christian Academy Director of Security, and a former Navy Seal, apparently did not know anything about Angie Solomon’s safety concerns for other girls at Grace Christian Academy, he therefore was unable to inform Pastor Steve Berger prior to Pastor Berger’s “*private*” meeting with 9<sup>th</sup> grade student, Grant Solomon. The “*Freedom4Gracie*” website timeline indicates it is possible that Security Director Bill Woodward may have been informed before May 7 or May 8, 2018, but Pastor Steve Berger did not include any information about Bill Woodward in his sworn affidavit filed on behalf of accused child-molester and accused murder, Aaron Solomon. To learn more, visit the Freedom4Gracie timeline web site: <https://www.freedom4gracie.com/timeline>

It appears that retired Navy Seal Bill Woodward and GCA Pitcher Grant Solomon shared a love for America's pastime, the great game of baseball. Per the "Freedom4Gracie" web site, on May 7 or May 8, 2018, Bill Woodward may have tried to help Gracie and Grant by telling them they could go to his office if "they ever need a place to hide." Observation: It is never too late for a retired Navy Seal and baseball lover to join Grant Solomon in trying to protect his little sister, Gracie.

Grant Solomon – tried to protect his little sister, Gracie.

June 14, 2021: Per Pastor Steve Berger's sworn affidavit, Pastor Steve Berger's former personal assistant, Patti Tremblay, and Williamson County Sheriff Jeff Long, were not identified as sources informing Pastor Steve Berger of the serious allegations of abuse, or a possible threat to other GCA and/or Grace Chapel students, prior to Steve Berger's "private" meeting with Grant Solomon, which took place on or about, May 8, 2018. Per the "Freedom4Gracie" web site, Grace Chapel – GCA Security Director Bill Woodward was possibly informed and allegedly told Gracie and Grant Solomon on May 7 or May 8, 2018, that they could go to his office if "they ever need a place to hide."

On Feb. 3, 2022, nineteen months after the alleged murder of Grant Solomon, news reporter Alex Willis asked Gov. Bill Lee during a press conference if he had received a 6-page letter from Melanie Hicks about the alleged murder of 18-year-old Grant Solomon. Gov. Bill Lee responded: *“So, uh, whenever I receive a letter like that, and it’s been several months, I may have received a letter... with regard to that, then, that letter moves on to our, either **Department of Safety, appropriately so**, or legal services, to determine if there is any reason for our engagement there, and I, I, trust the investigative process there, and wouldn’t have anything else to say about that.”* To watch Gov. Bill Lee’s exchange with Alex Willis, select this link: <https://twitter.com/TheTNHoller/status/1489708208931409928>

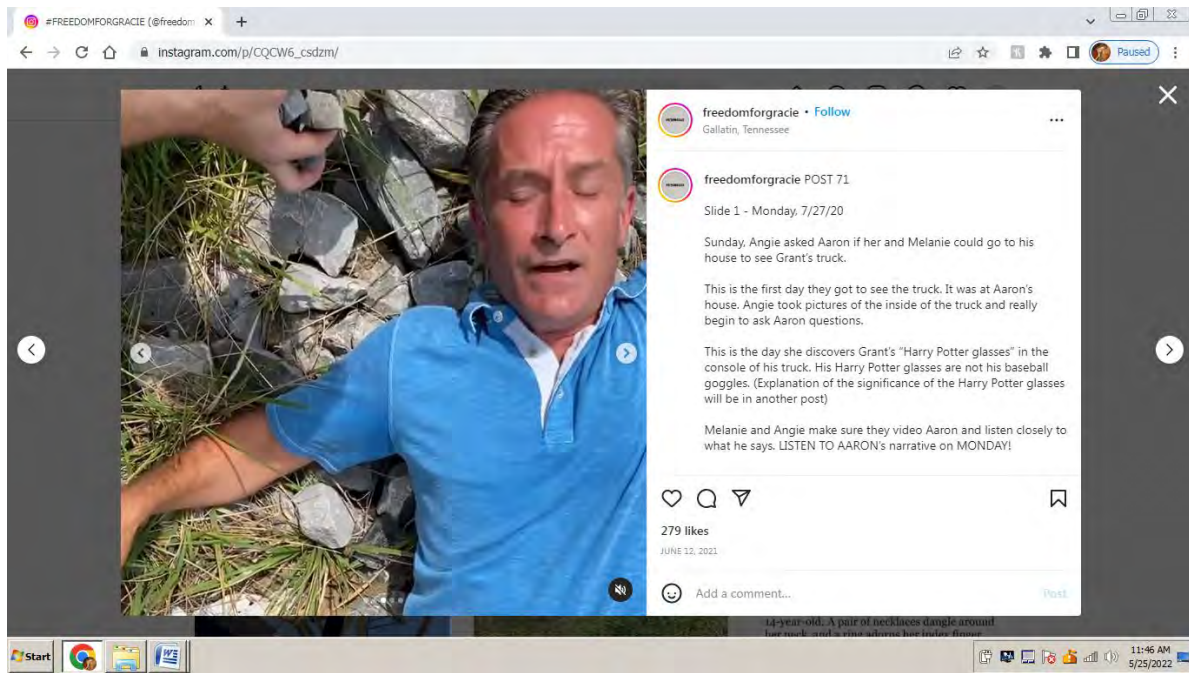

Gov. Bill Lee was slick in the use of his words during the press conference. Gov. Lee chose not to say the Department of Homeland Security and Safety, but instead referred to the Department of Safety. Also, Gov. Bill Lee was very careful with his choice of words to communicate that it was “appropriate” for the “Department of Safety” to review the 6-page letter about the alleged murder of Grant Solomon. However, Gov. Bill Lee did not reveal that former Williamson County Sheriff Jeff Long was the Commissioner of Homeland Security and Safety, or that Grant Solomon’s mother desperately sought Sheriff Long’s help three years earlier in May 2018. To date (Aug 23, 2022), Gov. Bill Lee and Homeland Security Commissioner Jeff Long have not responded to the six-page letter sent by Melanie Hicks.

Question: If Homeland Security and Safety Commissioner Jeff Long was unable to protect 18-year-old Grant Solomon, is Commissioner Jeff Long able to protect 6.8 million citizens in Tennessee?

Why did Gov. Bill Lee give such a slick answer about the 6-page letter of Melanie Hicks that was “appropriately” reviewed by Jeff Long’s Homeland Security and Safety Department, or Legal Services? Are all peaceful, non-threatening citizen letters sent to Gov. Bill Lee reviewed by Homeland Security or Legal Services? Is Gov. Bill Lee afraid of, or disconnected, from 6.8 million citizens in Tennessee?

Is it “appropriate” for Homeland Security Commissioner Jeff Long to review the 6-page letter from Melanie Hicks about the alleged murder of Grant Solomon? Is there an audio recording of Angie Solomon and Sheriff Jeff Long’s “safety” meeting in May 2018? How many “abuse and safety” conversations did Grant Solomon record, or share with friends prior to his alleged murder at the Ward Performance Institute (WPI) in Gallatin, Tennessee on July 20, 2020?

Melanie Hicks emailed her 6-page letter to Gov. Bill Lee requesting an investigation of the alleged murder of Grant Solomon on Nov. 26, 2021 (at least one copy was sent certified mail). Three days later on Nov 29, 2021, Gov. Bill Lee's Chief Legal Counsel, Lang Wiseman, announced he was leaving his office on Dec. 3, 2021, exactly one week after Melanie Hicks sent an email to Gov. Bill Lee. It is unknown if Gov. Bill Lee's Chief Legal Counsel, Lang Wiseman, ever read the 6-page letter sent by Melanie Hicks. On Aug 8, 2022, Melanie Hicks was allowed three minutes to make a public statement during the Tennessee Attorney General hearing at the Tennessee Supreme Court building. Nine months after sending Gov. Bill Lee a six-page letter about the alleged murder of 18-year-old Grant Solomon, no one had responded. Melanie asked: *“Prior to a new Tennessee Attorney General being named, I would like to know if Gov. Bill Lee’s legal counsel, Jonathan Skrmetti, has reviewed my 6-page letter to Gov. Lee? I would also like to know if the next Tennessee Attorney General will facilitate an open investigation into the alleged murder of 18-year-old Grant Solomon, and would you be more transparent as to your progress on any potential investigations regarding Grant’s alleged murder with the relevant parties?”* To watch Melanie’s full statement, and the response of Gov. Bill Lee’s chief legal counsel, select this link: <https://youtu.be/5L-b7h3PoJ4>

Gov. Bill Lee's chief legal counsel, Jonathan Skrmetti, was allowed three minutes to respond to Tennessee citizen, Melanie Hicks: *"I provided some talking points for responding... I do apologize for not responding to the letter... I want to reassure everybody that this was a case that was taken seriously by Tennessee's Law Enforcement community."* Jonathan Skrmetti graduated from Harvard Law School where he was editor-in-chief of the Harvard Journal of Law and Public Policy. *"I do remember getting that letter and reviewing it. My understanding was that letter had been hand-delivered to a relative of the Governor's, uh, and I provided some talking points for responding. I did reach out to the District Attorney General's conference about that letter. It raised some troubling allegations and it turned out that this is a case that had come to the attention of the Director of the DA's Conference, as well as to a very experienced district attorney. Uh, they had both been to the crime scene, as I understand it. They had investigated the case. They did not see predication for moving forward. Uh, in the information I provided to the, uh, given to the person who handed off the letter, I did note there was also the possibility of a Federal investigation based on some potential fraud allegations incorporated into the complaint. Um, which is another potential avenue. As you know, the Governor's office is not responsible for initiating investigations, or for initiating prosecutions, um, and so, I was not in a position to order it, uh, but I did communicate the significance of the allegations raised to the head of the conference, and ensured that they had been taken seriously and that that case had received the attention it should. I know there is a lot of community concern about that case. It is a tragic case, um, and I think it is right that it has received significant attention from both investigators and prosecutors. Um, I also understand that in some circumstances, um, there simply is not the evidence to proceed with the case, and we may never know exactly what happened. But I am confident based upon my conversation with the director of the DA's conference, who got personally involved in this, and expended significant amount of his own time in a way that he does not for virtually any other case in this state, that this is a case that received substantial attention, and to the extent that the prosecutorial resources could be deployed, uh, they were deployed, and that this case received a thorough investigation. Uh, I do apologize for not responding to the letter. As I said, my understanding was this was a hand-delivered letter, and that there would be an oral response. But I want to reassure everybody that this was a case that was taken seriously by Tennessee's Law Enforcement community. Thank you, your honor."*  
Jonathan Skrmetti response to Melanie Hicks – TN Attorney General Hearing – Aug 8, 2022

On Aug 8, 2022, Melanie Hicks made a public statement requesting for public servants to be more transparent about any potential investigations regarding the alleged murder of 18-year-old Grant Solomon. In response, Gov. Bill Lee’s chief legal counsel, Jonathan Skrmetti, disclosed new information that he had personally reached out to the Director of the District Attorney General’s Conference and was confident that Grant Solomon’s case had been thoroughly investigated. Jonathan Skrmetti did not provide the Director’s name, or the name of the experienced DA who also visited the “*crime scene*,” but he did reassure Melanie Hicks and the Tennessee Supreme Court justices that the case was taken seriously by Tennessee’s Law Enforcement community. Question: Why didn’t Jonathan Skrmetti provide Melanie Hicks and the Tennessee Supreme Court with the name of the District Attorney General Conference Director, or the name of the experienced DA who also visited the “*crime scene*?”

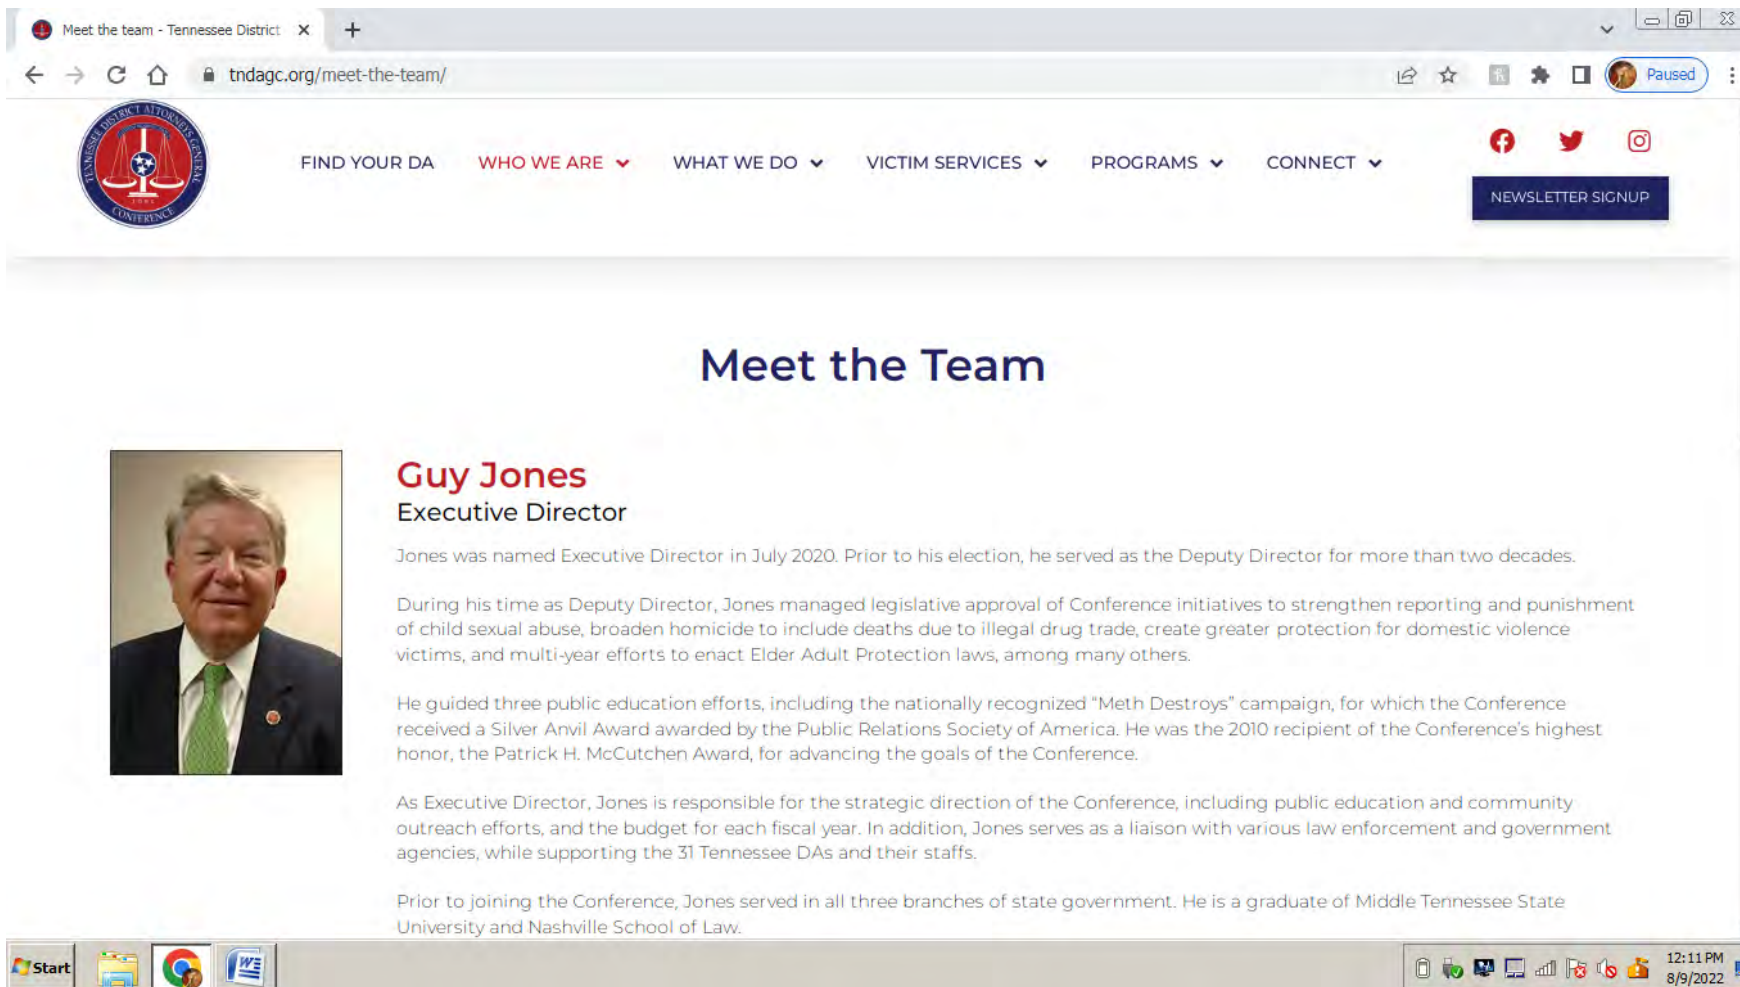

Who is the Director of the Tennessee District Attorneys General Conference?

Jonathan Skrmetti chose not to be transparent with Melanie Hicks and the Tennessee Supreme Court when he did not provide the name of the Director of the Tennessee District Attorneys General Conference, or the name of the experienced District Attorney who also went to the “*crime scene*.” Questions: 1) Since Grant Solomon’s alleged murder occurred in Gallatin, Tennessee, wouldn’t it seem important for Jonathan Skrmetti to disclose to Melanie Hicks and the Tennessee Supreme Court that the Director of the Tennessee District Attorneys General Conference is Guy Jones, an attorney in Gallatin? 2) Doesn’t it seem a little bit important that Guy Jones was sworn in to office in a Gallatin courtroom thirteen days after 18-year-old Grant Solomon was allegedly murdered about three miles from the Gallatin courthouse. 3) Since Jonathan Skrmetti was not transparent to disclose any names, who is the unnamed District Attorney who also went to the Gallatin “*crime scene*” to allegedly determine that there is not enough evidence to proceed in Gallatin with the Grant Solomon alleged murder case?

Question: Why did Jonathan Skrmetti intentionally conceal the identity of TNDAGC Director Guy Jones immediately after Melanie Hicks requested more transparency from Tennessee public servants? *“I am confident based upon my conversation with the director of the DA’s conference, who got personally involved in this, and expended significant amount of his own time in a way that he does not for virtually any other case in this state, that this is a case that received substantial attention, and to the extent that the prosecutorial resources could be deployed, they were deployed, and that this case received a thorough investigation... I want to reassure everybody that this was a case that was taken seriously by Tennessee’s Law Enforcement community.”*

**Guy Jones**  
Executive Director

Jones was named Executive Director in July 2020. Prior to his election, he served as the Deputy Director for more than two decades.

During his time as Deputy Director, Jones managed legislative approval of Conference initiatives to strengthen reporting and punishment of child sexual abuse, broaden homicide to include deaths due to illegal drug trade, create greater protection for domestic violence victims, and multi-year efforts to enact Elder Adult Protection laws, among many others.

He guided three public education efforts, including the nationally recognized "Meth Destroys" campaign, for which the Conference received a Silver Anvil Award awarded by the Public Relations Society of America. He was the 2010 recipient of the Conference's highest honor, the Patrick H. McCutchen Award, for advancing the goals of the Conference.

As Executive Director, Jones is responsible for the strategic direction of the Conference, including public education and community outreach efforts, and the budget for each fiscal year. In addition, Jones serves as a liaison with various law enforcement and government agencies, while supporting the 31 Tennessee DAs and their staffs.

Prior to joining the Conference, Jones served in all three branches of state government. He is a graduate of Middle Tennessee State University and Nashville School of Law.

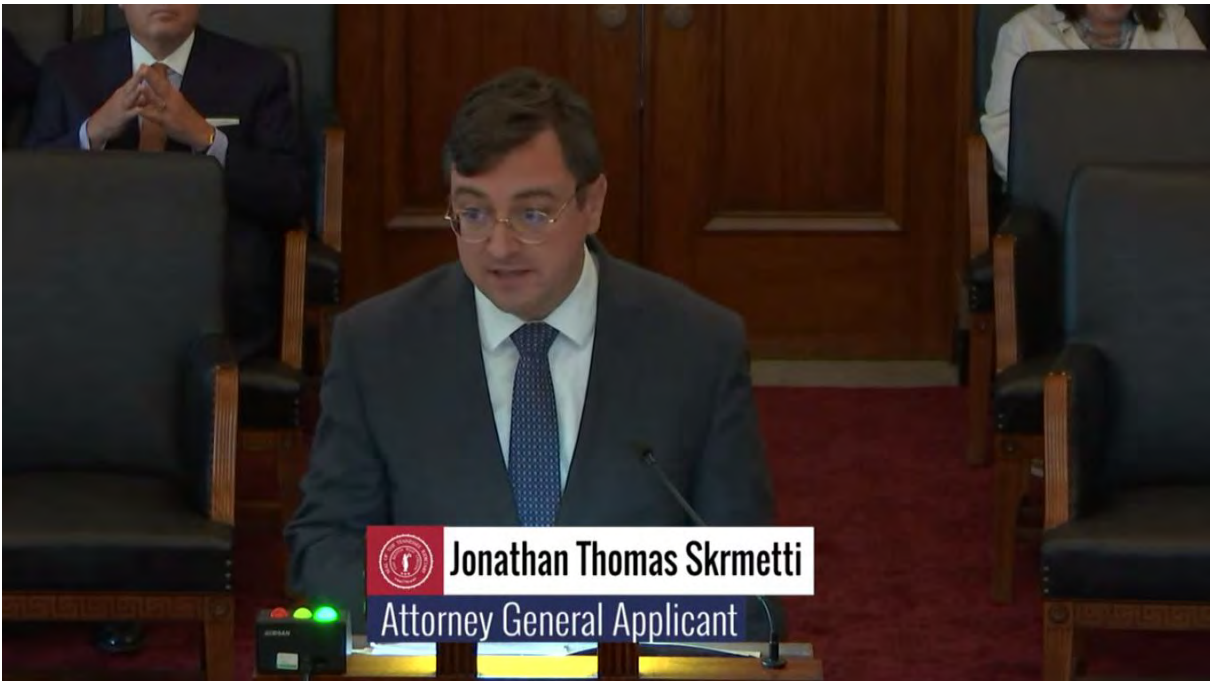

Aaron Solomon told a grieving mother that Grant Solomon’s head was lying face-up on the passenger side of the truck. Drew Hall stated Grant Solomon’s head was near the front tire on the driver side of the truck. Jonathan Skrmetti told Melanie Hicks and the Tennessee Supreme Court “*this case received a thorough investigation.*” Question: Do conflicting eyewitness statements made by the only eyewitness in an alleged murder case matter at all to Jonathan Skrmetti, TNDAGC Director Guy Jones, and an unidentified District Attorney who also visited the “*crime scene?*”

Is this a photograph of a brazen alleged murder cover-up “*in progress?*” during the Tennessee Attorney General Public Hearing?

Jonathan Skrmetti also intentionally chose not to identify the experienced District Attorney who also visited the “*crime scene*,” as did TNDAGC Director Guy Jones, per the understanding of Jonathan Skrmetti. Sumner County District Attorney Ray Whitley was recently elected to serve on the Tennessee District Attorneys General Conference Executive Committee. Questions: 1) Was Sumner County District Attorney Ray Whitley the District Attorney intentionally not identified by Jonathan Skrmetti during the Tennessee Attorney General hearing on Aug 8, 2022? 2) Was Jonathan Skrmetti intentionally participating in an alleged murder cover-up case during the Attorney General public hearing before the Tennessee Supreme Court?

News – Jul 11, 2022

Ray Whitley, District Attorney General for the 18th Judicial District, Sumner County, has been elected by fellow members of the **Tennessee District Attorneys General Conference (TNDAGC)** to serve on the organization’s Executive Committee for the upcoming year beginning July 1. In this position Gen. Whitley will have a vital voice in guiding the overall administration of justice in Tennessee. “The Executive Committee is a well-respected group of thoughtful leaders, and I am humbled to be elected to serve on this important committee,” Whitley said. “Over the last year, the District Attorneys Conference has worked on a number of critical initiatives to help protect Tennesseans and ensure that wrongdoers across the state are held accountable for their crimes. I am looking forward to continuing that work as a leader with my fellow DA’s.” “The mission of the Tennessee District Attorneys General Conference is to support our elected District Attorneys in their constitutional duty to seek justice and protect Tennesseans,” said **Guy R. Jones, TNDAGC Executive Director**. “General Whitley’s election to the Executive Committee, and his wise counsel and leadership, will be instrumental in managing a budget of over \$130M and 1,100 employees across the state.” Whitley has served as District Attorney General since 1980, when he was appointed by Gov. Lamar Alexander. Prior to his appointment, he served as a United States Army Captain in the Vietnam War and as an Assistant United States Attorney prosecuting Federal crimes in the Middle District of Tennessee. He is a member of First United Methodist Church in Hendersonville and the Gallatin Lions Club, where he previously served as president. The Tennessee District Attorneys General Conference was created by the General Assembly in 1961 to provide for a more prompt and efficient administration of justice in the courts of the state. It is composed of the elected District Attorneys General from the state’s 31 judicial districts. [www.tndagc.org](http://www.tndagc.org)

**Jonathan Skrmetti selected by Tennessee Supreme Court as new Attorney General – by WZTV – Wednesday, August 10<sup>th</sup>, 2022**

*Jonathan Skrmetti selected by Tennessee Supreme Court as new Attorney General (State of Tennessee)*

NASHVILLE, Tenn. (WZTV) — The Tennessee Supreme Court has selected a new Attorney General and Reporter. Jonathan Skrmetti, a Franklin resident, has been named the state's 28th AG. This comes months after Herbert Slatery III [announced](#) he would not seek another term. "The Court has made an excellent choice in Jonathan Skrmetti," Slatery said Wednesday. "The Justices recognized Jonathan's dedication to public service, his hands-on leadership experience in this Office, and his outstanding legal pedigree. Significant matters like antitrust and opioids are complex and take many years to resolve. It will be gratifying to pass the baton to Jonathan, who as Chief Deputy saw the initiation of some of these cases, steer them toward resolution as Attorney General and Reporter." From 2018 to 2021, Skrmetti was the Chief Deputy Attorney General in the AG's Office, where he managed 160 attorneys in 15 litigating divisions and served as a negotiator in the \$26 billion multistate opioid settlement. Since December 2021, he has served as chief counsel to Gov. Bill Lee. Skrmetti is a graduate of Harvard Law School. He earned undergraduate degrees from both the University of Oxford (England) and George Washington University. He is a member of the Tennessee Bar Association, Federalist Society for Law & Public Policy, and the Memphis Bar Foundation. "It will be a privilege to continue serving the people of Tennessee as their Attorney General and Reporter," Skrmetti said. "I look forward to working with the dedicated public servants at the Attorney General's office to represent all three branches of Tennessee's government. I thank the Supreme Court for entrusting me with this responsibility and General Herbert Slatery for his eight years of distinguished leadership." Skrmetti lives in Franklin with his wife and four children.

On Aug 15, 2022, Gov. Bill Lee announced that Jonathan Skrmetti will be replaced by Erin Merrick as Chief Legal Counsel on Sept 1, 2022. Gov. Bill Lee also announced that Gov. Lee's Press Secretary, Casey Sellers, will succeed Laine Arnold as Director of Communications on Sept 2, 2022. On Aug 28, 2022, Casey Sellers joined Covenant Presbyterian Church during two alleged Mann Act Federal crime cover-up cases, and the alleged murder cover-up of former GCA-Ensworth student, Grant Solomon. On Aug 28, 2022, Harlow Sumerford also joined Covenant Presbyterian Church. Harlow Sumerford is the former Director of Communications for Tennessee Attorney General Hebert Slatery, and currently Director of Media Relations for HCA Healthcare. Question: Will new Tennessee Attorney General Jonathan Skrmetti open investigations on the John Perry child sex abuse cover-up at Covenant and Christ Presbyterian Church, and at least three other alleged child sex abuse cover-up cases connected to Attorney Larry Crain, and the alleged murder of 18-year old Grant Solomon, and the rigged murder grand jury of former Tennessee Titans QB Steve McNair?

Amy Grant is among the class of 2022 Kennedy Center Honorees. The Christian music great and lifelong Nashvillian will be celebrated for her "lifetime artistic achievements" at the center's annual star-studded gala in Washington, D.C. on December 4. She is part of a class that includes actor George Clooney, rock giants U2, soul legend Gladys Knight and composer/conductor/educator Tania León. Grant was selected as "the first artist to bring contemporary Christian music to the forefront of American culture," per the center's chairman David M. Rubenstein. Thursday's announcement included statements from all five honorees. "Never in my wildest dreams did I imagine ever receiving this prestigious Kennedy Center Honors," Grant said. "Through the years, I've watched so many of my heroes serenaded by colleagues and fellow artists, always moved by the ability of music and film to bring us together and to see the best in each other. I cannot wait to celebrate with my fellow honorees, friends, and family. Thank you for widening the circle to include all of us." The ceremony, which is traditionally attended by the sitting U.S. president, is a fundraiser for the Kennedy Center for Performing Arts. It will not be broadcast live, but will air on CBS at a later date.

Per Centennial Medical Center history, HCA purchased West Side Hospital in Sept 1980 to merge with HCA flagship hospital, Park View, to ultimately become the modern-day Tri-Star Medical Center owned by HCA. Question: Would Dr. Thomas Frist, Sr., support the arrest and jailing of Dr. James Fleming’s son-in-law to protect the John Perry child sex abuse community cover-up, which includes the abuse and banning of Dr. James Fleming’s granddaughter, a former Harpeth Hall girl student. Joe Rodgers was also a long-time friend of Billy Graham Crusade Vice-Chairman, Sam Bartholomew, who managed Sen. Howard Baker's statewide campaign in 1972 prior to the nationally televised Watergate Hearings which began in May 1973. During the nationally televised live hearings, Fred Thompson asked Nixon aide, Alexander Butterfield, the question that effectively ended the Nixon Presidency: "Mr. Butterfield, are you aware of the installation of any listening devices in the Oval Office of the President?" Butterfield answered: "I was aware of listening devices, yes sir." On Aug 9, 1974, President Richard Nixon resigned from his office.

Protected child-molester John Perry wrote two books about his friend, Chuck Colson. John Perry also spoke to "The Sow and Grow Garden Club" at the home of Joe and Honey Rodgers. Did Joe and Honey Rodgers protect John and Susan Ann Perry, and the global legacy of Rev. Billy Graham?

John Perry wrote two biographies about his friend, Chuck Colson, Special Counsel to President Richard Nixon. John Perry is at the center of a child sex abuse cover-up connected to the Ukraine, Presidential Politics, and a Thomas Nelson biography about Rev. Billy Graham entitled: Through My Father's Eyes.

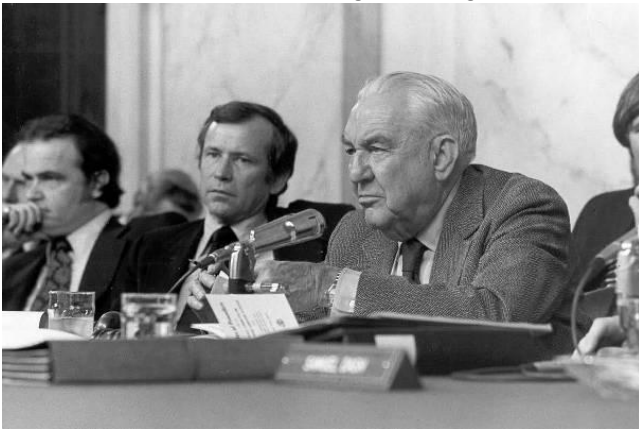

Did Gov. Bill Lee learn anything from Chuck Colson and Watergate?

Child sex abuse whistleblower, Austin Davis, has Republican and Democrat friends who have served in the U.S. Senate. In July 2022, a child sex abuse cover-up connected to the Ukraine, the 2008 Presidential primary process, and the global legacy of Rev. The suit was originally filed in October by three alleged victims of abuse and was amended Friday to add five others. All eight were given pseudonyms. It alleges that Tomczak, who lives in Franklin, Tenn., and other church leaders covered up sexual abuse in the denomination and at a Christian school in Gaithersburg, Md., in the 1980s and 1990s... Operation Andrew Group has a long relationship with the Nashville Mayor’s Office and the Metro Nashville Public Schools. The Austin Davis family was unlawfully banned from Julia Green Public School and Park for several years when Pastor Jim Bachmann’s new church met at Julia Green Public School. Julia Green Principal Andrew Davis is the uncle of Carter Wamp who worked on the 2008 Mike Huckabee Presidential staff with Sarah Huckabee Sanders. Mayor John Cooper and the Metro School Board are well informed about the unlawful banning to protect the John Perry – Mann Act Federal crime cover-up, but elected public leaders and Nashville Police have turned a blind eye to encourage the continuous abuse and hatred towards the Davis family for over a decade, with impunity.

Nashville mourns iron man Steve McNair, who helped carry the Titans and a proud city to the Super Bowl.

THE INVESTIGATION

Woman, 20, also found dead

By Kate Howard and Chris Kelsey

Further Tennessee 'Three girls' lawsuit: Steve McNair was linked to an apparent murder-suicide with a 20-year-old woman, and last year...

By David Oliver

Steve McNair was the smallest town boy who made good.  
He grew up in Mount Olive, Miss., a hard-facility rural town about midway between Jackson and Hattiesburg, but already found time and fortune as an NFL quarterback with the Tennessee Titans.  
Yet even in his hallowed moment — including quarterbacking his team to the Super Bowl in the 2001 season and earning NFL Co-MVP/Vanderbilt Player of the Year in 2003 — Mr. McNair remained true to his roots.  
"Growing up where I grew up and how I grew up, all I ever wanted to do was make those people back home proud," he said in an interview last year.  
"You don't think about playing on TV. You don't think about the money. You just want to be able to go back home and have those folks say, 'Hey, Steve did OK for himself. He did us proud.' That's good enough for me."  
And now he's gone.  
Mr. McNair, 36, was found dead Sunday afternoon from multiple gunshot wounds in a condo he owned on Second Avenue, a 20-year-old woman...

Gov. Bill Haslam protected corrupt Nashville Police Dept and John Perry child sex abuse cover-up. His former legal counsel, Atty Gen Herbert Slatery, is still protecting the cover-up and Steve McNair's secret rigged grand jury.

Thank you for writing to me regarding your daughter, Daisy Davis. I was saddened to read your story, and appreciate you sharing this information.

After consideration and review, I believe that your best course of action is to seek legal advice regarding this matter. An attorney of your choice is in the best position to advise you of your options. Unfortunately, this office cannot advise you from a legal standpoint.

I am also forwarding you letter to Commissioner O'Day's office at the Department of Children's Services for further review and consideration.

I genuinely hope that an appropriate resolution is found soon. Please accept my best wishes.

## Lawyer fights faith's battles in courts

### Attorney has been at center of cultural wars

**By SHERA BURKE**  
*Staff Writer*

From defunding anti-abortion protesters to protecting the rights of parents to want to educate their children at home, Brentwood lawyer Larry Crain has been at the center of many of America's most divisive cultural stand-offs.

He's part of a Christian legal movement that has in recent years increasingly fought its spiritual battles in the nation's courtroom.

For Crain, a self-described born-again Christian who has won precedent setting cases before the U.S. and Tennessee supreme courts, it's a calling to keep the other side from sanitizing America of its religious foundation.

"If that morality were to persist, all the religious symbols that are significant to our culture... all of that would be subject to erosion," he said.

The Nashville resident added: "If the government can censor or ban that kind of activity, it effectively strips a citizen of a basic fundamental right."

**He defended pro-lifers**

Crain represented the anti-abortion group Operation Rescue after it was sued by the National Organization for Women over the pro-lifers tactic of blockading the abortion clinics to slow their business.

7 Q. In the lawsuits, they've given the ages 11 and  
8 then they changed it; they went to 12. Do you know  
9 what the age was?  
10 A. I believe the age when [REDACTED] was first sexually  
11 abused -- is that what you're asking me?  
12 Q. Uh-huh.  
13 A. Was 11.  
14 Q. Eleven? The lawsuit says -- uses the word  
15 "incident," which seems to indicate it's only one  
16 time. Is it one time or is it multiple times?  
17 A. Multiple times.  
18 Q. Is it constrained just to Tennessee?  
19 A. No.  
20 Q. What other states?  
21 A. I'm not sure what other states there are, but  
22 I think some of the incidents occurred outside of the  
23 state of Tennessee.  
24 Q. Did [REDACTED] go over that or give you any  
25 information on those states, where it was?

Four Justices of the Tennessee Supreme Court refused to recuse as requested by child sex abuse whistleblower, Austin Davis. After the Tennessee Supreme Court refused to recuse and denied the appeal of Austin Davis, Gov. Bill Lee appointed Christ Presbyterian Church member, Sarah K. Campbell, to replace the late Justice Cornelia Clark. To date (Aug 23, 2022), the Tennessee Supreme Court is still protecting the John Perry – Mann Act Federal crime cover-up, the alleged Aaron Solomon – Mann Act Federal crime cover-up, the alleged murder of former Ensworth – GCA student, Grant Solomon, and the rigged murder grand jury of Tennessee Titans QB Steve McNair.

*Pictured in the courtroom at the Supreme Court Building in Nashville are, seated: Justice Sharon G. Lee, Chief Justice Roger A. Page, and Justice Jeffery S. Bivins; standing: Justice Holly Kirby and Justice Sarah K. Campbell.*

Did Operation Andrew Group board member, Howard Gentry, inform any of his staff or criminal court officers to deny child sex abuse whistleblower, Austin Davis, the opportunity to review the video tape of his trial to ensure the accuracy of the trial transcript? Did Howard Gentry instruct his staff to send an unsigned and uncertified trial transcript to the Tennessee Court of Appeals after Austin Davis filed his “*notice of appeal*?” Does it matter if a trial transcript is unsigned and uncertified by a Davidson County criminal court reporter when a case is appealed to the higher courts? Does Howard Gentry know how Harpeth Hall Alumnae Director Scottie Coombs was chosen for the 1<sup>st</sup> secret grand jury, or how Davidson County Sheriff Sgt. Solomon Holley was chosen for the 2<sup>nd</sup> secret grand jury, resulting in two retaliation indictments to punish and silence Austin Davis. To learn more about secret grand juror Scottie Coombs, or secret grand juror Sgt. Solomon Holley, or the FBI arrest of ex-Judge Casey Moreland, visit The Silent Bell web site: <https://www.thesilentbell.org/>

Austin Davis is not a trained lawyer and he assumed that the judges, judicial staffs, attorneys, prosecutors, and the court reporter were honest and ethical "*officers of the court?*" Question: Do accurate signed transcripts, honest secret grand juries, and exculpatory information matter any more in the Davidson County Criminal Court System administered by Davidson County Criminal Court Clerk Howard Gentry? See email to Criminal Court Reporter Patsy Norman below.

Subject: Re: Court Transcripts - State v. Willie Austin Davis

Ms. Norman: Thanks for the transcripts. I'll check with Ms. Barr to make sure she has the voir dire, trial and closing remarks from the trial of Sept 11-12, 2017, and also the sentencing hearing from Sept 28, 2017, as part of the record already. Also, I requested a transcript of my probation hearing on Nov 1, 2017, since I was in a courthouse jail cell and not in the courtroom when the hearing took place. If you have a transcript of the hearing on Nov 1, 2017, I would still like to have a copy and also have it in the trial record.

Since I am without legal representation again, I'm not always certain on how to proceed. During most of my criminal and civil court hearings since 2013, I did my best to inform various courts of a child sex abuse cover-up which is connected to Presidential Politics. In recent years, I have done my best to inform courts of numerous connections in the child sex abuse cover-up case to the alleged gang rape case of a 6th grade Brentwood Academy student.

On Sept 27, 2018, the Honorable Thomas Brothers acted swiftly to provide DA Glenn Funk with DVD's of the sworn testimony Judge Brothers directly heard about the child sex abuse in his courtroom. The DA's Office maintains the child sex abuse is a "*myth*" and the DA's Office held back exculpatory information about a Mann Act Federal crime and did not provide Judge Blackburn a copy of the letter from Judge Brothers, or DVD's of the sworn testimony about child sex abuse across state lines prior to Judge Blackburn's ruling in September.

Since you are an officer of the court, I am providing you exculpatory information withheld from Judge Blackburn (*see attachment*).

Two closing questions:

- 1.) How does one get access to verify accuracy of transcripts? A previous court reporter told me that I could not have access to the video/audio records of my hearings.
- 2) How do I get a transcript of grand jury selection and a transcript of the grand jury proceeding that indicted me?

Thanks,  
Austin Davis

Davidson County Criminal Court Reporter Shana Crawford did not sign and certify the voir dire and trial transcripts for the Judge Steve Dozier retaliation trial against child sex abuse whistleblower, Austin Davis. Question: Do the criminal court reporters working in the Davidson County Criminal Court System under the administrative authority of Criminal Court Clerk Howard Gentry no longer sign and certify transcript records of a criminal trial court as true and accurate?

Davidson County Criminal Court Clerk Howard Gentry – Operation Andrew Group Board Member

Former Christ Presbyterian Academy Headmaster Richard Anderson was provided information about the John Perry child sex abuse cover-up a month before Gracie Solomon posted a video about an alleged child sex abuse and alleged murder cover-up connected to Grace Chapel Church and Grace Christian Academy. On April 14, 2021, Austin Davis sent Grace Christian Academy High School Principal Richard Anderson an email via his Christ Pres email address. Twelve days later, on April 26, 2021, Christ Presbyterian Church attorney, Robert Pautienus, sent Austin Davis a “*cease and desist*” letter to silence him from providing truthful information to Christ Presbyterian faculty and staff members. As a result of the “*cease and desist*” letter, and the fear imposed on other people to silence them from saying anything about the John Perry – child sex abuse cover-up, thousands of church members, financial donors, and CPA students and alumni remain uninformed about one of the biggest political, sports, media and religious child sex abuse cover-up scandals in the history of the world.

Re: CEASE AND DESIST NOTICE

Dear Mr. Davis:

TN Chief Justice  
Jeffrey S. Blvens

Please be advised that I represent Christ Presbyterian Church ("CPC"), and its related entities, including Christ Presbyterian Academy (CPA), Koinonia, and the Nashville Institute for Faith and Work. I have reviewed your voluminous email communications and your allegations against my client. In your emails, you specifically accuse Matt Moore, CPC, and CPA of being involved in a multifaceted conspiracy. Your email insinuates that Matt Moore, CPC, and CPA participated in a criminal activity regarding a large cover-up for John Perry. You allege that this conspiracy has lasted for years and involves former CPC and CPA alumni and teachers.

Please be advised that Matt Moore, CPA, CPC, and its related entities, are not and have never been involved in any criminal conspiracy, and all of your allegations against them are patently false. Any assertion on your behalf otherwise is intentionally designed by you to harm CPC, CPA and Matt Moore.

Fidells Law –  
Former Judicial

Please be advised that you need to immediately cease and desist any further communications to and regarding Matt Moore, CPC, CPA, and any other related entity. This includes ceasing all communications with Matt Moore, individually, and sending your inflammatory emails to employees of CPC and CPA. Your actions have defamed the character of both Matt Moore, CPC and CPA, and constitutes libel *per se*, harassment, and false light invasion of privacy.

Please be advised that if you send another communication to Matt Moore, CPA, CPC, or any of its related entities, or employees, then my client will be left with no option but to take any and all legal action against you to protect CPC, its related entities, and employees from your intentionally harmful actions. Nothing in this correspondence is a waiver or should be interpreted as any kind of waiver of any rights and remedies of Matt Moore, CPC, or any of its related entities, all of which are expressly reserved.

Yours to Call Upon,

Lee Beaman was honored with the Joe and Honey Rodgers Christian Civic Leadership Award and possibly knew Joe Rodgers, the financial chairman for the 1984 Reagan-Bush Campaign Committee. It is also possible Lee Beaman knew Thomas Nelson Publishing CEO and CNP President, Sam Moore, who also was a strong supporter of President Ronald Reagan. Per Christianity Today magazine, Thomas Nelson under Sam Moore's leadership published more than 300 million Bibles, as well as popular titles by Christian leaders such as Jerry Falwell, Billy Graham, Max Lucado and Charles Stanley. Question: Is Lee Beaman a friend of GOP National Committee Member Beth Campbell, Federal Judge Chip Campbell, Rev. Charles McGowan, Pastor Don Finto, Attorney Larry Crain, Rev. Scott Sauls, Rev. Jim Bachmann, Attorney Tom Smith, or anyone else at Covenant Presbyterian Church, Christ Presbyterian Church, Stephens Valley Church, or the Operation Andrew Group?

Aug 11, 2021 – Kentucky Attorney Todd McMurtry sent Melanie Hicks a “*cease and desist*” letter on behalf of Grace Chapel Pastor Steve Berger during two alleged Mann Act Federal crime cover-up efforts, and the alleged murder of 18-year old, Grant Solomon. Both alleged cover-up cases are connected to Tennessee and Kentucky.

**Re: Pastor Steve Berger**

**Dear Ms. Hicks:**

This letter serves as a demand to cease and desist from further making or disseminating any defamatory statements regarding my client, Pastor Steve Berger. As well, he demands that you take down the defamatory video described below and related defamatory posts on social media sites, including ones on *freedomforgracie* on Instagram. If you are represented by counsel, please forward this letter to that person immediately.

My investigation into this matter indicates you are familiar with the circumstances surrounding the defamatory video and its dissemination since you were present when the video was created. I will briefly recount the facts here.

Earlier this year, [REDACTED] recorded a video of Gracie in which she reads various statements, including a statement that Grant Solomon shared allegations of child abuse with Pastor Berger. The video further states that Pastor Berger did nothing after being told of the child abuse. Those accusations are false and defamatory.

As you should know, just days before Grant met with Pastor Berger, a representative from Grace Chapel (where Steve Berger served as Pastor) took Gracie's mother to the police station after the Solomons made the Church aware of allegations of child abuse. After an investigation by the police department, the allegations apparently were not substantiated. The fact, however, is that Pastor Berger takes his legal obligations seriously and would have fulfilled his reporting obligations had such allegations been made. Of equal importance, Grace Chapel had already taken protective action. Thus, Pastor Berger, through his church, had already taken appropriate action. As a result of the dissemination of the video which implies that Pastor Berger failed to fulfill his legal obligations, including those obligations set forth in Tenn. Code Ann. §37-1-403(a)(1), he has been and continues to be defamed. To be clear, at no point did Grant ever inform

Pastor Berger about any allegations of abuse. Had Grant done so, Pastor Berger would have ensured that the allegations were reported, just like they were a few days before.

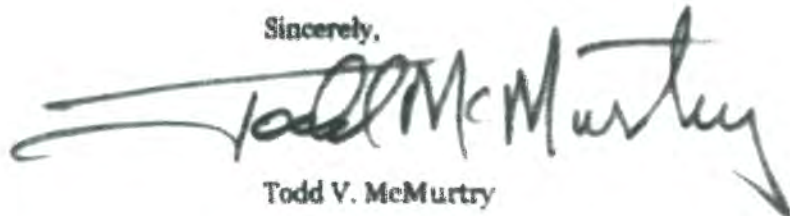

Pastor Berger has a cause of action for defamation against those who orchestrated the publication of the defamatory video. Our investigation indicates that you helped create and publish the video. As a result of your actions, the Williamson Home Page republished the defamatory statements further damaging Pastor Berger's reputation. Through this conduct, you and others are now potential defendants in a defamation action.

To start to attempt to mitigate the damages you have caused Pastor Berger, we demand that you take down the video and all related defamatory comments found on related social media sites. Should you fail to act fully and promptly, we may be forced to take legal action against you. Please understand that we will not accept the excuse that you do not know who now controls the video. You either know or can find out who can access the social media sites to take down the video.

If the video and offending social media posts are not taken down from Instagram, YouTube, and other social media sites by 5:00 PM on Friday, August 20, we will assume that you have chosen to ignore our request.

We hope you will do the right thing.

Sincerely,

Subject: Sen Rand Paul - Grant Solomon - Please Help Grant's Army?

Dear Sen. Paul:

I wrote you and others on June 9th to invite you to a prayer vigil in memory of alleged murder victim, Grant Solomon. Two of eleven attorneys responded to my invitation prior to the prayer vigil held on June 13, 2022:

Since alleged child molester and alleged murderer, Aaron Solomon, once worked for WBKO TV in Bowling Green, KY, and since you are a Bowling Green physician and U.S. Senator, I am reaching out to you on behalf of Grant's Army to ask for your help:

I am also copying a few members of Grace and Peace Presbyterian Church in Bowling Green, KY, since both alleged child sex abuse cover-up cases have connections to the Nashville Presbytery, Tennessee, and Kentucky (see pages 17-20 in link above).

Below are two videos and a grand jury report pertaining to my unlawful retaliation arrest at Covenant Presbyterian Church (Nashville). Secret grand juror and Davidson County Sheriff Sgt. Solomon Holley was videotaped during the John Perry - Mann Act Federal crime cover-up as Sgt. Holley further abused my already abused daughter by reporting her to the Nashville Police. *(Note: Sgt. Holley did not report Gov. Mike Huckabee's co-author, John Perry, to Nashville Police. However, Sgt Holley did secretly serve with my contaminated grand jury that wrongfully indicted me to protect child-molester, John Perry).*

In closing, it is my understanding that Mrs. Paul is a deacon in a Bowling Green Presbyterian Church. As a former presbyterian deacon at Covenant Presbyterian Church who tried his best to protect little children, I hope Mrs. Paul does not support my unlawful arrest and jailing to protect child-molester, John Perry, or the Easter weekend arrest and jailing of Angie Solomon, the mother of alleged murder victim, Grant Solomon, who tried to protect his little sister.

We desperately need some help down here in Tennessee:

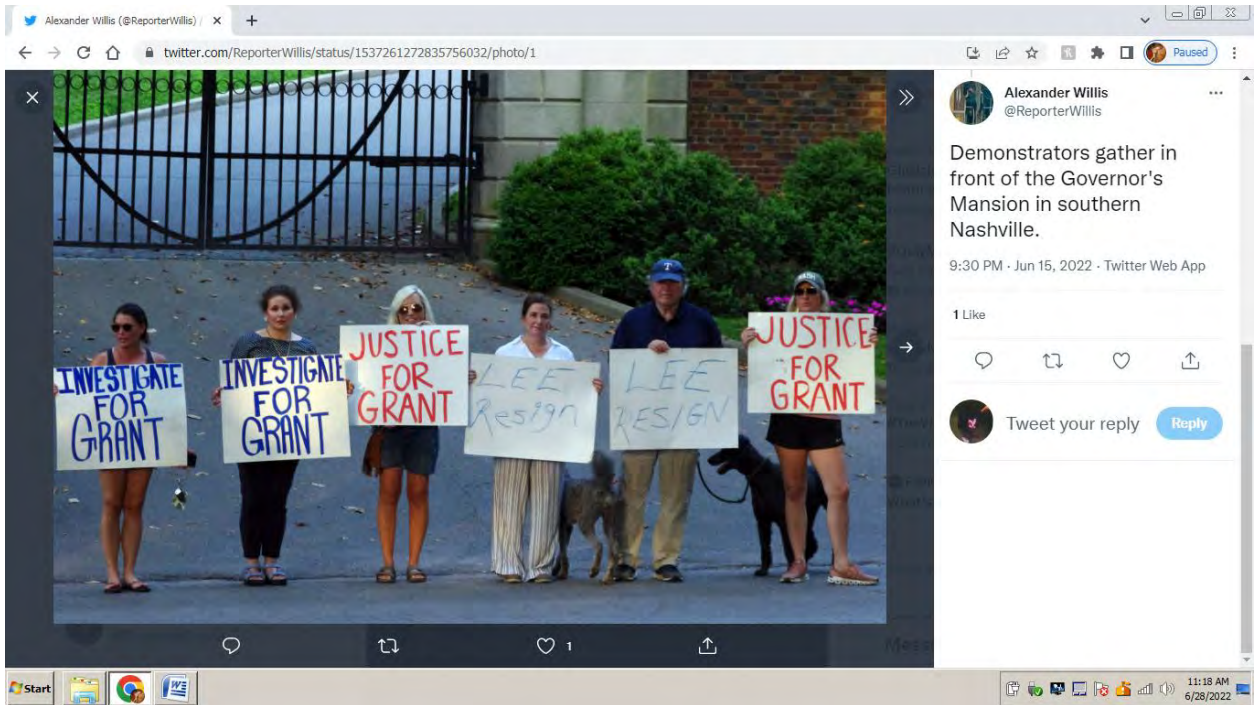

I look forward to hearing from you soon.

In Christ,

Almost two years has passed since alleged murder victim, Grant Solomon, mysteriously died on July 20, 2020. To date (Aug 23, 2022), Tennessee Democrats and Republicans continue to ignore repeated pleas for help from numerous victims and those who support them.

The 13<sup>th</sup> anniversary of Steve McNair's murder was July 4, 2022, and the 2<sup>nd</sup> anniversary of Grant Solomon's alleged murder was July 20, 2022. To date (Aug 23, 2022), Republicans and Democrats are still united in protecting two alleged Mann Act Federal crime cover-ups, the alleged murder of 18-year-old Grant Solomon, and the cover-up of Steve McNair's rigged murder grand jury. Question: Will Sen. Rand Paul or KY Senate Candidate Charles Booker inform the American people about Steve McNair's rigged murder grand jury, the alleged murder of 18-year-old Grant Solomon, and two alleged Mann Act Federal crime cover-ups with connections to Tennessee, Kentucky, Arkansas, North Carolina, and elsewhere? The deaths of Steve McNair and Grant Solomon have not been properly investigated by Nashville and Gallatin Police. Other alleged crimes, including child sex abuse allegations, have also not been properly investigated in the Nashville area. After many years of reaching out to Tennessee and Nashville metro government elected public servants, it is crystal clear that these *"citizen-victim"* issues are not important at all to elected Republican, Democrat or Independent public servants.

# RIGGED?

## GRAND JURY FINAL REPORT

WE, the Davidson County Grand Jurors for the April 2010 term, submit the following report in a summary of the last three months we have served. It has been an honor to serve under the auspices of the Honorable Mark Fishburn. We, as a Grand Jury, believe that through the process, we have gained insight into the structure of our judicial system, and have gained an increased respect for all those who work hard to make it flow smoothly.

In accordance with Tennessee Rules of Criminal Procedure, the Grand Jury deliberated upon 978 cases over the past three months. We presented the court with 885 True Bills, 3 No True Bills, 90 Sealed True Bills, and 0 Sealed No True Bills. We also had the opportunity to create panels that heard two closed cases concerning John J. Hooker and Steve McNair.

**John J. Hooker:** Mr. John J. Hooker requested an opportunity to present his case concerning his belief in the criminal intent of the state Supreme Court judges. The committee discussed the issues raised and did not find enough evidence of criminal activity to present the case to the entire Grand Jury. The panel appreciated Mr. Hooker's concerns about the impact of actions on the Tennessee Constitution, but decided that that was not a matter for the Grand Jury to consider.

**Steve McNair:** The Grand Jury was asked to hear information to reopen the Steve McNair case. Mr. Hill wanted to present this information, though he declined to ask for an indictment. He shared with the committee his views of the case but lacked evidence to support his views. Questions raised by Mr. Hill were cleared by evidence gathered by the Metro Police Department. The panel felt that this was a case that should not be heard by the other members of the Grand Jury.

Serving under the esteemed leadership of Grand Jury Foreman Mr. Richard Hillenbrand was a wonderful opportunity for us all. His detailed understanding of the law and the way he communicated or explained cases to the rest of the Jury was very helpful. We feel that his vast knowledge of the law and of law enforcement was very useful to us all. He did an excellent job of keeping us on task while still giving us ample time for questions and comments.

We, the Grand Jury, would like to thank the following individuals for taking the time out of their busy schedules to provide us with information that helped us better perform our judicial duties:

**Metro Police Department Liaison Gene Donegan:** Gene was wonderful at presenting cases to the Jury because he was clear and concise. The way he

# McNair case won't be reopened

Jun 17, 2010

Elizabeth Merrill ESPN Senior Writer

A former Nashville police officer's request to have the Steve McNair case reopened has been denied.

Vincent Hill told ESPN.com on Thursday night that he received word from a three-member Davidson County grand jury panel that there was insufficient proof to move forward and present his 32-page complaint to a full grand jury.

Hill, who spent 4½ years on the Nashville force and resigned in 2006, has disputed the police's ruling that McNair, the former Tennessee Titans quarterback was murdered by Sahel Kazemi, who then turned the gun on herself. Hill self-published a book called "Playbook to a Murder" and has spent the past 11 months conducting interviews and trying to debunk police findings that Kazemi murdered McNair in a downtown Nashville condo in the early morning hours of July 4, 2009.

On June 11, the panel heard a 30-minute presentation from Hill on what he described as "multiple errors" in the police investigation. **The former Metro Nashville traffic police officer says he was informed of the grand jury's decision Thursday in a letter from foreman Richard Hillenbrand.**

**Reached Thursday night, Hillenbrand said he couldn't comment on any decisions because the report is sealed.**

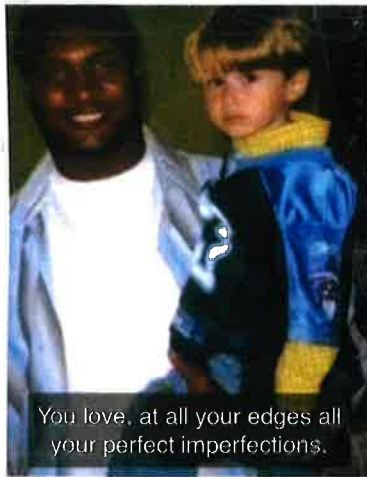

"Win, lose or draw, it's historic to just get it at that stage," Hill said. "Obviously, they thought there was something worth hearing just to even listen to the case.

"I would say that it's not over at this point."

Davidson County District Attorney Torry Johnson said in a news release that theories relating to the McNair investigation are not backed up by facts.

“The Earth is the Lord’s, and everything in it, the world, and all who live in it; for he founded it on the seas and established it on the waters. Who may ascend the mountain of the Lord? Who may stand in his holy place? The one who has clean hands and a pure heart, who does not trust in an idol or swear by a false god. They will receive blessing from the Lord and vindication from God their Savior. Such is the generation of those who seek him, who seek your face, God of Jacob. Lift up your heads, you gates; be lifted up, you ancient doors, that the King of glory may come in. Who is this King of glory? The Lord strong and mighty, the Lord mighty in battle. Lift up your heads, you gates; lift them up, you ancient doors, that the King of glory may come in. Who is he, this King of glory? The Lord Almighty-- he is the King of glory.” Psalm 24
