

Per a recent Politico report, Jon Meacham, a former Harpeth Hall board member, was a “framer” of President Joe Biden’s “Soul of a Nation” speech delivered in front of Independence Hall in Philadelphia, PA, on Sept 1, 2022. Question: Does President Biden know that Presidential speechwriter, Jon Meacham, was a Harpeth Hall board member during the on-going John Perry – child sex abuse cover-up, which is now collided with Aaron Solomon and the substantiated child sex abuse of 11-year-old Gracie Solomon, and the alleged murder of 18-year-old Grant Solomon? Does President Biden support the possible practice of intentionally obstructing information from reaching GCA educators during two substantiated child sex abuse cover-up efforts, and the alleged murder cover-up of former GCA-Ensworth student, Grant Solomon?

It appears that GCA has blocked certain email addresses from providing information to GCA faculty about the substantiated child sex abuse of Gracie Solomon, and the alleged murder of Grant Solomon. Instead of blocking information during an alleged murder cover-up, GCA leadership should be providing information to faculty, alumni, and GCA families. If GCA Leadership cares the slightest bit about protecting children and the reputation of the Lord Jesus Christ, GCA Leadership will encourage all GCA families to watch Ms. Melanie Hicks before the Tennessee Supreme Court, and to read the email below:

Dear Mr. Skrmetti:

Gov. Bill Lee's press secretary, Casey Sellers, joined Covenant Presbyterian Church this past Sunday. Below is a link I am providing you with information about Attorney Larry Crain, a child sex abuse cover-up involving Covenant-Harpeth Hall-MBA, an alleged child sex abuse cover-up involving Grace Chapel - GCA, and the alleged murder of former GCA-Ensworth student, Grant Solomon. I hope you will still meet with Ms. Melanie Hicks after you had to postpone the Aug 23rd scheduled meeting.
