Dear HH Community: Vince Gill dedicated a song to substantiated child sex abuse victim, Gracie Solomon, at her brother's celebration of life service. New information has been uncovered since I wrote Jess Hill and others an email twenty-two days ago. I still believe it is fair and appropriate to provide Vince Gill new information, but no one has responded to the email below. If you know the contact info for Vince Gill or Amy Grant, please forward the email to them. Thanks for your help. Austin Davis 615-999-8190 <https://www.instagram.com/p/CjTpj5QOHgz/>

Dear Ms. Hill:

On Feb 10, 2017, Harpeth Hall Alumnae Director Scottie Coombs signed a letter instructing Harpeth Hall alumnae on how to block my email messages during the John Perry - child sex abuse cover-up which is still on-going in 2022.

I later learned that Scottie Coombs was a member of the 1st contaminated secret grand jury session that wrongfully indicted me seven months earlier to cover up John Perry's child sex abuse on Aug 1, 2016.

On July 25, 2020, Vince Gill knowingly, or unknowingly, assisted in an alleged cover-up with accused child molester and accused murderer, Aaron Solomon, via the dedication of a song for substantiated child sex abuse victim, Gracie Solomon.

Vince Gill's song dedication took place during the "celebration of life service" for former GCA-Ensworth student, Grant Solomon.

Since I do not have contact information for Amy Grant or Vince Gill, please provide them this email. If Vince or Amy wish to review new evidence obtained since the initial "accident" incident report, I am willing to meet with them.

Thanks for your assistance.
