

On Nov. 18, 2022, PCA Stated Clerk, Dr. Bryan Chapell, advised child sex abuse whistleblower, Austin Davis, to report “*criminal activity*” to law enforcement. Dr. Chapell cited “*child abuse*” in his response, but the information provided to him involved “*child sex abuse*.”

Grant Solomon was murdered to cover-up child sex abuse, and his murder has numerous connections to the Nashville Presbyery, Christ Presbyterian Church, Covenant Presbyterian Church, WSMV TV, and the John Perry child sex abuse cover-up.

Dear Mr. Skrmetti:

Gov. Bill Lee's press secretary, Casey Sellers, joined Covenant Presbyterian Church this past Sunday. Below is a link I am providing you with information about Attorney Larry Crain, a child sex abuse cover-up involving Covenant-Harpeth Hall-MBA, an alleged child sex abuse cover-up involving Grace Chapel - GCA, and the alleged murder of former GCA-Ensworth student, Grant Solomon. I hope you will still meet with Ms. Melanie Hicks after you had to postpone the Aug 23rd scheduled meeting.

The Sept 1st email to Dr. Bryan Chapell contained a link with 275 pages of information about Pastor Jim Bachmann, Covenant Leadership, Dr. Charles McGowan, Rev. Billy Graham, the substantiated John Perry and Aaron Solomon child sex abuse cover-up cases, and the alleged murder of Grant Solomon, now referred to as the murder of Grant Solomon: <https://www.keepandshare.com/doc15/25493/2022-1m-aug-28-pres-trump-mark-meadows?da=y>

Sept 4, 2022 - Dr. Bryan Chapell – Pastor Jim Bachmann – Deacon Bill Clark – Stephens Valley Church

On Nov 18, 2022, Dr. Chapell responded he had no way to confirm if “*criminal activity*” had taken place in Nashville under the governing authority of the Presbyterian Church in America. Sadly, Dr. Chapell chose to turn a blind eye to “*criminal activity*” within the Nashville Presbytery even though he could review police reports, sworn testimony, court documents, transcripts and recordings, a judicial order, a judicial letter, and he could confirm “*criminal activity*” simply by asking a few questions of Austin Davis, the Davis family, and other former Covenant church members and witnesses, and non-member witnesses. One reason Dr. Bryan Chapell does not ask any curious questions about “*criminal activity*” is that Pastor Jim Bachmann helped “*set up the defense*” of Dr. Bryan Chapell in a previous undefined PCA controversy years ago, and Dr. Bryan Chapell has a lifetime “*through the years*” friendship with Pastor Jim Bachmann. Here is Dr. Bryan Chapell’s opening remarks about Pastor Jim Bachmann at Stephens Valley Church on Sept 4, 2022: *“Let me thank your pastor for his kind words... you know there are friends for a time, and then there are friends through the years... and uh, I very much respect your pastor as the latter... as a friend for the years... he won’t tell you, but uh, on rare occasions in the Presbyterian Church in America there have been controversies... uh, and I was in one some years ago, and it is good when you have friends for the years who have your back, and uh, your pastor was one of those who set up the place and the conversation and the defense and I consider him a lifetime advocate for which I am very grateful... so uh, my thanks for him, and my privilege, uh, to be in his church this day.”*

Dr. Bryan Chapell also has a possible friendship with Pastor Jim Bachmann’s life-long friend, ex-Covenant Deacon, Bill Clark. Bill Clark is the husband of Susan Ann (Perry) Clark, former wife of protected child molester, John Perry. It is unknown at this time if protected child-molester, John Perry, is also a respected friend of Dr. Bryan Chapell. It is known that Dr. Bryan Chapell, Pastor Jim Bachmann, and Deacon Bill Clark, were visiting with each other in front of the pulpit on the left side of the photograph above prior to all three men exiting the Stephens Valley Church sanctuary together on Sept 4, 2022. Apparently, PCA Stated Clerk, Dr. Bryan Chapell, supports Pastor Jim Bachmann’s intentional lies communicated to about 2000 Covenant members in 2013 to protect the “*flow of money*” and the “*criminal activity*” of the John Perry child sex abuse cover-up, which occurred across state lines in violation of the Federal Mann Act: <https://www.keepandshare.com/doc15/25526/2022-1o-sept-11-covenant-leaders-lied?da=y>

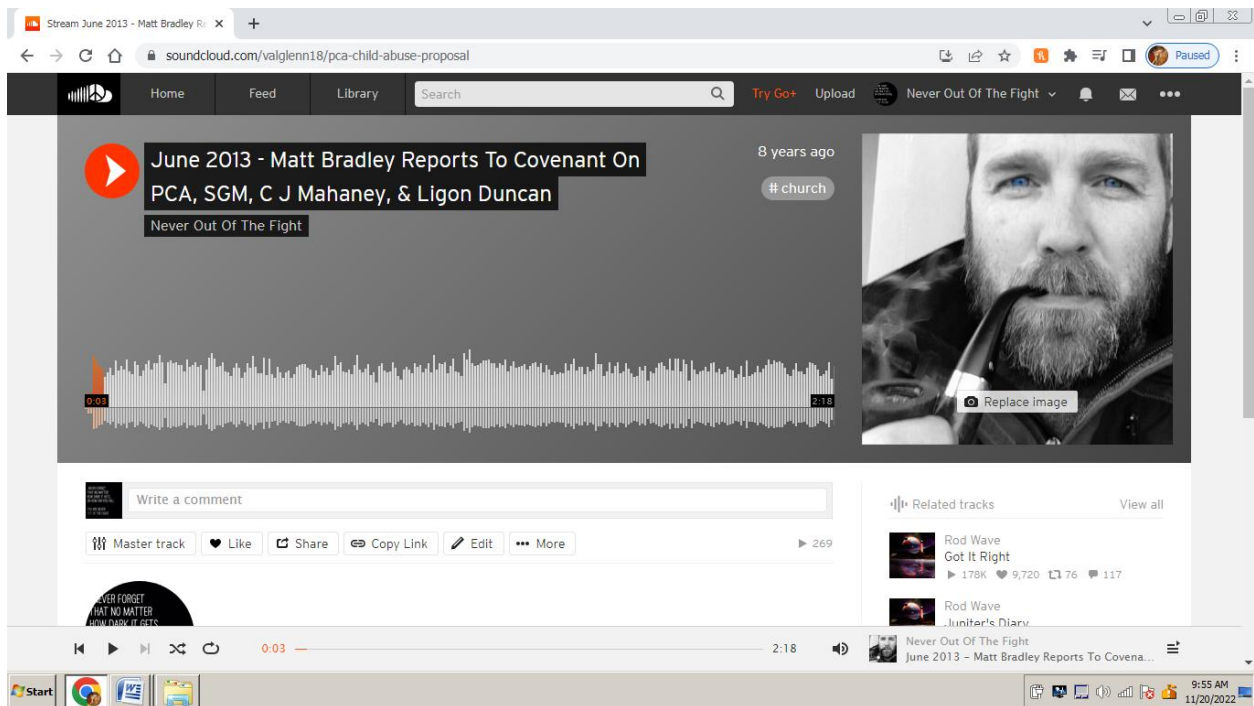

PCA Stated Clerk, Dr. Bryan Chapell, could also listen to Covenant, Nashville Presbytery, and Presbyterian Church in America (PCA) attorneys during a "Rule 30" hearing before Judge Carol Solomon on Sept 16, 2013, to determine if a WSMV TV camera would be allowed in the courtroom during the 1st Davis family lawsuit related to the John Perry child sex abuse cover-up. To date, Nov. 19, 2022, almost a decade later, the intentional fraud and judicial ambush committed in the courtroom of Judge Carol Solomon is still protected by WSMV TV, Gray Television, Meredith Corporation, BuzzFeed News, London Daily Mail, CNN, The Washington Post, The New York Times, Nashville Police, and many others. During the course of the hearing, Presbyterian Church in America attorneys from Knoxville law firm, Hodges, Doughty and Carson, were the only attorneys to object to a WSMV TV camera being allowed in the courtroom only a few months after the Presbyterian Church in America had voted to reject a child sex abuse proposal at the PCA General Assembly held in Greenville, SC. To date, Nov. 19, 2022, WSMV TV has never reported on the intentional courtroom fraud protecting the John Perry child sex abuse cover-up, and has also not reported on the substantiated child sex abuse of 11-year old Gracie Solomon, or the murder of 18-year-old Grant Solomon, children of former WSMV TV news anchor and sports reporter, Aaron Solomon. The Davis family (before Judge Carol Solomon), and Angie Solomon (before Judge Philip Smith) were both involved in court cases during the same period of time in the fall of 2013. Judge Phillip Smith also previously presided over at least one ruling involving former Covenant member Greg Lurie, whose vulnerable children were placed in the John Perry "safe house" for approximately 30 days in 2002 without the knowledge or consent of their father, Greg Lurie. Austin Davis warned many elected public servants, and many in the Nashville community, that WSMV TV, and many others, were endangering children by protecting the John Perry child sex abuse cover-up and spider web, but WSMV TV and many others intentionally and recklessly continued to protect the John Perry child sex abuse cover-up and spider web, ultimately resulting in the murder of former GCA-Ensworth student, Grant Solomon. Below the track, there is a comment section with a "Write a comment" input field and buttons for "Master track", "Like", "Share", "Copy Link", "Edit", and "More". PCA Stated Clerk, Dr. Bryan Chapell, could also listen to a 2013 tape recording of former Covenant Pastor Matt Bradley as he presented deceptive information to a Covenant Sunday school class in 2013 after the John Perry child sex abuse cover-up lawsuit was served on Covenant, the Nashville Presbytery and the Presbyterian Church in America. Pastor Bradley did not disclose to Covenant members (financial donors) and Covenant visitors (possible financial donors) that the Presbyterian Church in America was in the act of covering up the John Perry child sex abuse cover-up, and other child sex abuse cases, during their 40-year history as a Christian denomination. Pastor Bradley did not disclose to Covenant members (financial donors) and Covenant visitors (possible financial donors) that Covenant Leadership knew about the John Perry child sex abuse “*criminal activity*” when Covenant Leadership worked with Nashville Police in 2008 to defame and criminalize former Covenant Deacon, Austin Davis, as a possible mass shooter threat similar to the Virginia Tech mass shooter, for the purpose of protecting known child-molester John Perry, and his “*safe house*” used for other children, and the flow of money and financial donations, and the global legacy of Rev. Billy Graham. Apparently, PCA Stated Clerk, Bryan Chapell, approves of this supposed “*God-ordained*” behavior by PCA ruling and teaching elders serving in more than 1500 PCA churches across America, as his predecessor, Dr. L. Roy Taylor, also apparently approved the church-state-media relationship and practice. To listen to former Covenant Pastor Matt Bradley inform his Sunday School class about the PCA rejecting the 2013 child sex abuse proposal, and the Sovereign Grace Ministry child sex abuse allegations, select this link:

PCA Stated Clerk, Dr. Bryan Chapell, also apparently supports the use of a secret armed assault unit and Nashville Police to frighten and terrorize two minor children in 2008, including a 13-year old girl who was invited back to Covenant after the police had invaded the Davis family private property without just cause. Apparently, Dr. Bryan Chapell supports the unwarranted and unlawful banning of former Harpeth Hall – Belmont University student, Daisy Davis, by the Covenant Presbyterian Church leadership (which includes Belmont University Dean, Dr. Bryce Sullivan), and the leadership of Stephens Valley Church. Apparently, Dr. Bryan Chapell supports the unwarranted and unlawful targeting, bullying and abuse of a wounded young girl (now an adult woman) to protect the “*criminal activity*” which has taken place under the governing authority of the Presbyterian Church in America since at least 2008. On Nov 15, 2015, Daisy Davis was courageous to raise her voice to speak out to Davidson County Sheriff Sgt. Solomon Holley about the “*criminal child sex abuse cover-up activity*” of Covenant Presbyterian Church leaders, which is now collided with the substantiated child sex abuse of Gracie Solomon, and the murder of 18-year-old, Grant Solomon. Below is video of the true “*criminal activity*” which was committed “*under the color of law*” against an abused young girl during the John Perry – Mann Act Federal crime cover-up at Covenant Presbyterian Church on Nov. 15, 2015:

Davidson Cty Sheriff Sgt. Solomon Holley – Secret Grand Juror - Promoted To Lt. Solomon Holley

Davidson County Sheriff Sgt. Solomon Holley, now promoted to Lt. Solomon Holley, later served as a secret grand juror on the 2nd secret grand jury session that wrongfully indicted Austin Davis to protect the John Perry – Mann Act Federal crime cover-up. Ex-Judge Casey Moreland was the Davidson County judge who bound Austin Davis over for a rigged retaliation indictment. Ex-Judge Casey Moreland was later arrested by the FBI and charged with public corruption crimes announced by Middle Tennessee U. S. Attorney Jack Smith on March 28, 2017. On Nov. 18, 2022, on the very same day that Dr. Bryan Chapell responded to child sex abuse whistleblower, Austin Davis, former Middle Tennessee U. S. Attorney Jack Smith was appointed as President Trump’s Special Counsel by Attorney General Merrick Garland.

PCA Stated Clerk, Dr. Bryan Chapell, could also visit these internet sites to learn more about the “*criminal activity*” in Nashville, which includes the John Perry child sex abuse cover-up, the substantiated child sex abuse of Gracie Solomon, the murder of Grant Solomon, and other potential “*criminal activity*” not yet disclosed:

<https://www.freedom4gracie.com/>

<https://www.instagram.com/freedomforgracie/>

<https://www.thesilentbell.org/>

PCA Stated Clerk, Dr. Bryan Chapell, does have a way to confirm “*criminal activity*” within the Presbyterian Church in America. However, it is far easier to betray a beaten and crucified King, sexually molested children, and a murdered 18-year-old boy, than to betray powerful PCA leaders who have hijacked and stolen His Church.

“At that time the disciples came to Jesus and asked, Who, then, is the greatest in the kingdom of heaven? He called a little child to him, and placed the child among them. And he said: Truly I tell you, unless you change and become like little children, you will never enter the kingdom of heaven. Therefore, whoever takes the lowly position of this child is the greatest in the kingdom of heaven. And whoever welcomes one such child in my name welcomes me. If anyone causes one of these little ones-- those who believe in me-- to stumble, it would be better for them to have a large millstone hung around their neck and to be drowned in the depths of the sea.”
