

“Often, I have had cause to celebrate editorial endeavor. Occasionally, I have had cause for regret. But let me be clear, we will vigorously pursue the truth, and we will not tolerate wrongdoing.” Rupert Murdoch – Executive Chairman of News Corp (owner of HarperCollins Publishing and Thomas Nelson Publishing. Thomas Nelson published a biography about Rev. Billy Graham entitled, Through My Father’s Eyes. Protected child-molester, John Perry, was a paid ghostwriter for Through My Father’s Eyes.)

News of the World hacked Milly Dowler’s phone during police hunt

Exclusive Paper deleted missing schoolgirl’s voicemails, giving family false hope

Nick Davies and Amelia Hill

The News of the World illegally tapped the missing schoolgirl Milly Dowler and her family in March 2009, interfering with police inquiries into her disappearance. An investigation by the Guardian has established...

Scotland Yard is investigating the episode, which is likely to lead new pressure on the then editor of the paper, Rupert Murdoch, since Rupert Murdoch’s chief executives in the UK and the then deputy editor, Bob D’Amico, who resigned in January on the previous controversy.

The Dowler family lawyer, Mark Lewis, issued a statement yesterday describing the News of the World’s actions as “wanton” and “intentional”. He said the Dowler family was now pursuing a damages claim against the News of the World.

Milly Dowler disappeared at the age of 13 on her way to school in Gillingham, Kent, on 12 March 2009.

We are sorry.

The News of the World was in the business of building others to success. It failed when it came to truth.

We are deeply sorry for the harm caused by the individuals involved.

We regret not acting faster to end this.

Finally, the simple apology is not enough.

The Nation was founded on the idea that a free and open press should be a positive force in society. We need to live up to this.

In the coming days, we will take further concrete steps to restore trust, honor and make amends for the damage that has caused, one will hear more from us.

Sincerely,
 Rupert Murdoch

Subject: President Donald J. Trump - Trump Special Prosecutor Jack Smith

Dear Mr. Murdoch:

I write to seek your assistance in correcting false information already published by the London Daily Mail, BuzzFeed News, and Gannett. These corporate owned news organizations, along with Gray Television and the Meredith Corporation, have already crossed the line to intentionally participate in criminal child sex abuse cover-up activity, which now includes the murder of an 18-year-old boy.

Below is information on President Trump, Trump Special Prosecutor Jack Smith, and an expanding child sex abuse spider web. On pages 33 and 52-54 of the President Trump - Mark Meadows link below, information is provided on protected child molester John Perry, Thomas Nelson Publishing, Robert Maxwell, Harvey Weinstein, and others.

I pray you will help us break through a media blackout. May Christ bless you and your family.
