Dear Mr. Murdoch:

I write you to follow up on my Dec 6th letter, and to provide you new information.

Below is a new Southern Girl Crime Stories video about the substantiated child sex abuse of Gracie Solomon, and the murder of her older brother, Grant Solomon. The video was released on Dec 22, 2022, and currently has over 19,000 views within the first 48 hours. You should read the viewer comments.

You should also read my letter first sent to NFL Tennessee Titans owner, Ms. Amy Adams Strunk, on Dec 16, 2022. This morning I asked members of the Tennessee Titans organization to forward the letter to Ms. Strunk since I do not have her correct email address.

After the Milly Dowler murder-phone hacking scandal, you promised the world that your news organization would vigorously pursue the truth, and would not tolerate wrongdoing:
