Audrey Hale

**Question:** Why did Audrey Hale return to her former elementary school to brutally murder three 9-year-old children, and three staff members? Ex-Covenant Pastor Jim Bachmann told The Tennessee Star: *“I don’t know what there is to investigate.”* Within forty-eight hours of the Covenant mass-shooting, CBS reporter David Begnaud said to Pastor Jim Bachmann during an early morning interview: *“When you arrived this morning you told me you heard that the shooter was initially going for the current pastor, trying to find him. Can you tell us more about that?”* Jim Bachmann responded: *“I don’t know if that’s been confirmed or not, but I heard he went into the office suite, which I remember that area very well, and apparently, the, some of the staff, uh... they just had a safety, uh, shooter drill a week before, so that’s fortunate. So, they, they were hiding, and I think the pastor Chad Scruggs was not present, is what I’ve heard. And then the shooter turned and went back down the hallway to the second and third grade classrooms.”* Ex-Covenant Pastor Roy Carter offered his opinion on Pastor Jim Bachmann ten years prior to the Covenant mass shooting: *“I also think there other times when he has flat out lied... He is a sociopath. He has no conscience about it... I wouldn’t trust that guy as far as I can spit... he’s as cold-blooded as anybody I’ve ever seen... I mean, he is cold-blooded.”*

Two days after the Covenant mass shooting, former Covenant Pastor Jim Bachmann told Inside Edition that he heard that Pastor Chad Scruggs was counseling Audrey Hale: *“That’s what I’m hearing. He was counseling her, and something didn’t, uh, sit right with her. If she had found Chad, and tried to kill him, maybe she would have left the daughter alone.”*

Was Audrey Hale harmed, abused, or molested at The Covenant School?

At least one anonymous source within The Covenant School community told The Epoch Times how she was pulled from class for special interviews or meetings. *“Additionally, she remembers being pulled out of class repeatedly for “interviews” with school administrators about her home life, without her family’s “knowledge or consent.”* - [https://www.theepochtimes.com/exclusive-covenant-shooters-former-schoolmates-recall-past-culture-of-bullying-at-school\\_5368044.html](https://www.theepochtimes.com/exclusive-covenant-shooters-former-schoolmates-recall-past-culture-of-bullying-at-school_5368044.html) Audrey Hale attended The Covenant School from the fall of 2001 (kindergarten) until the summer of 2006 (4th grade). Audrey Hale was in 2<sup>nd</sup> grade when Pastor Jim Bachmann’s wife (Kristen) was a substitute teacher: *“My wife was a substitute teacher back in 2004 when Audrey was in 2<sup>nd</sup> grade... Within 72 hours of the Covenant mass shooting, Pastor Jim Bachmann made public statements that were similar to public statements made twenty-two days after the mass shooting by Franklin Alderman Gabrielle Hanson.

- 1) Pastor Jim Bachmann said he heard Covenant Pastor Chad Scruggs was counseling Audrey Hale; Gabrielle Hanson said she heard Pastor Chad Scruggs was counseling a Covenant School employee and they were trying to pry Audrey Hale from the engagement of another Covenant School employee who was engaged, or is now possibly married.
- 2) Pastor Jim Bachmann said he heard Audrey Hale was searching for Pastor Chad Scruggs and went in the office suite where some of the staff was hiding; Gabrielle Hanson said she heard Audrey Hale went with the intent to kill the daughter of Pastor Chad Scruggs and also killed Cynthia Peak because she was in there with the Covenant School principal.

Question: Did Pastor Jim Bachmann pass along a Covenant “counseling rumor” to Franklin Alderman Gabrielle Hanson, or someone else who passed on the hearsay to Gabrielle Hanson?

Franklin Alderman Gabrielle Hanson – Mill Creek View Tennessee Podcast – Episode 80 – April 18, 2023: *“So from contacts that I have directly in Nashville within thirty minutes of that shooting, I had the whole story. I know what happened. There was no threat to anyone else. It was a love triangle going on with an individual that worked at that school related to the principal who was getting counseling from the pastor and the person they were having the love triangle with was just about to get married and they were trying to pry this Audrey Hale off of the relationship with this other female that was getting married, and who might now be married, I don’t know, but they had a couple of transgenders in the wedding party... So Audrey went with the intent to kill the pastor’s daughter, had to take out two children to get to the daughter, accidentally shot the janitor, and had to kill Cynthia Peak because she was in there with the principal who Audrey Hale was going to take out as well... This was very much just a relationship that ran afoul... And this is a church that’s had a lot of cultural internal issues for a lot of years... I’ve met people who work there, so this is not new to their problems within that church body.”*

WTN talk show radio host, Matt Murphy, expressed his opinion that Franklin Alderman Gabrielle Hanson is not telling the truth about the Covenant School mass shooting. Gabrielle Hanson stated that Cynthia Peak and Katherine Koonce were together when they were murdered by Audrey Hale. Matt Murphy shared a different narrative when he appeared on Mill Creek View Tennessee Podcast on April 25, 2023. “There are, there were a lot of rumors that came out very, very soon after the Covenant School shooting. One of them, and just to give you an example of one of the reasons I don’t believe she is telling the truth. Uhm, one of the rumors was that Pastor Scruggs was administering some sort of counseling, uh, to the shooter in case, uh, she repeated that on my show, and the individual that initially said that immediately recanted like a day later and said I was mistaken, I thought she was someone else. That’s not someone that Pastor Scruggs was counseling. Well, uhm, if you listen to the full interview I did with Gabrielle, she stated that that was one of the purposes behind, uh, the shooter being there, that she wanted to target the pastor’s child. And I know from an individual who went to the scene before the bodies were moved, that there was virtually no way that the shooter could have targeted an individual child in that dynamic because she was shooting up a stairwell as the door was opening and the children were coming down the stairwell because the fire alarm went off and she initially set it off by killing, Mike Hill, who, Gabrielle in the same interview said was accidentally shot in some kind of crossfire scenario, when in fact, Hill was the first person killed when she entered the building after she shot the glass. So, you, you combine the factual inaccuracies in her statement. She also said that Katherine Koonce and Cynthia Peak were together when they were shot. That is not true. Cynthia Peak was with the three children, uh, the belief is that she was coming down the hall to try to assist the teachers in getting the kids out because they thought it was a fire drill. They had not heard the shots from the lower floors. So you piece all the factual inaccuracies together, and then my basic common sense of how unbelievable it is that someone in Franklin, TN, would have gotten a telephone call thirty minutes after events had occurred, and said that she got the complete story in the context of that telephone call. It’s unbelievable on its face. It’s factually inaccurate as she describes it. So, uhm, is it possible that there were some accuracies in her statement? Sure. And if her statement, her chain of events comes back to be true, I’ll be happy to apologize to Gabrielle. But I don’t think I’ll be having to do that any time soon.

Below are statements made by a Covenant School father, Police Chief John Drake, a 911 operator, a Covenant School staff member, and quotes from sworn statements made by Covenant School parents.

4. My 1st-grade child was upstairs in the art room preparing to walk down the stairwell, the very stairwell where the children were murdered.

5. My third-grader lost three homeroom friends. Twelve children began in Mrs. Blake's class, only nine came home that day to their families.

6. My child's best friend at school was killed right outside the classroom. My child

7. Our third grade son and his class went out into the hall when they heard the fire alarm. They thought it was a fire drill and all lined up outside the class. Then, when they heard the shots he ran back into this class. He sat alongside the wall watching the bullets flying into his classroom. He shared there were so many bullets breaking Mrs. Blake's potted plants and he could see paint flying off the walls and the windows shattering. He said there was so much smoke he couldn't breathe and that he just wanted a sip of water. He said he thought he was going to die.

14. Why does the media talk more about the perpetrator of this tragedy than Cynthia Peak, the angelic substitute teacher who did all she could to shield those children from evil; gave her life to protect theirs?

The Silent Bell cannot say for certain if Matt Murphy or Gabrielle Hanson is telling the whole truth. Matt Murphy pressed Gabrielle Hanson hard on her source but she stood firm: *"I know what my source said, and my source is very accurate... Trust me, I had a very credible source... Time will tell, but I am telling you I am sure of my information... Were you there?"* Matt Murphy responded: *"No, but I talked to people who were, ma'am."* Gabrielle Hanson responded: *"Great. And I did too."* In fairness to Gabrielle Hanson, it is not crystal clear that Ms. Hanson fully stated that Pastor Scruggs was personally counseling Audrey Hale as Pastor Jim Bachmann clearly stated. In contrast, it appears Gabrielle Hanson stated that Pastor Scruggs was counseling an employee of The Covenant School in an attempt to pry Audrey Hale away from an engaged person on The Covenant School staff (see bottom of page 7). However, Gabrielle Hanson stated that Audrey Hale *"had to kill Cynthia Peak because she was in there with the principal"* indicating that both staff members were together when they were murdered. Gabrielle Hanson also stated that Audrey Hale was targeting the daughter of Pastor Chad Scruggs: *"So Audrey went with the intent to kill the pastor's daughter."* As of July 19, 2023, The Silent Bell has not discovered that Gabrielle Hanson has publicly recanted or walked back her claim that she knew the whole story within thirty minutes of the mass shooting. Gabrielle Hanson is reportedly making plans to run for Mayor of Franklin.

**Franklin official Gabrielle Hanson appears to launch mayor campaign sans legal filings** - Hanson has drawn controversy for months and is scheduled for an ethics hearing – By Lonnie Lee Hood – July 11, 2023 – Tennessee Lookout

Who told Gabrielle Hanson that Pastor Scruggs was counseling someone to pry Audrey Hale off an engaged person?

Pastor Jim Bachmann told Inside Edition Pastor Chad Scruggs was counseling Audrey Hale.

The Silent Bell is not absolutely certain about the location of the six murder victims within the building. Based upon sworn statements, 911 calls, police statements and news reports, the victims were located in different areas of the building: 1) Mike Hill was apparently struck on the first floor when the shooter sprayed rounds at the glass door to enter the building. 2) Cynthia Peak and three nine-year-old children were apparently struck in the hallway and/or stairwell headed down from the second floor to the first floor where Mike Hill had been brutally murdered; 3) Dr. Katherine Koonce was apparently struck in a hallway (floor unknown). If the previous information is accurate, a basic understanding of the crime scene is established, supported by a photo released by Nashville Police via a police video. *(Note: The Silent Bell does not trust information provided by Covenant Police and Covenant Leadership, but the 911 real-time comment made by an adult 911 caller that “we just saw a teacher dead” makes it logical and reasonable to conclude that the adult 911 caller only saw one teacher, and not a teacher and Dr. Koonce together. Therefore, it seems reasonable and logical to conclude that Cynthia Peak and Dr. Katherine Koonce were not together in the same place, at the same time, as Gabrielle Hanson first stated publicly twenty-two days after the Covenant mass shooting.)*

““Oh God we just saw a teacher dead,” says the caller.

Cynthia Peak, Dr. Koonce, or a child?

“The smell of gunpowder was in the air,” Mathes said.

They began to move through a second floor hallway as they heard more shots.

“All of us stepped over a victim,” Mathes said. “I, to this day, do not know how I did that morally. But training is what kicked in.”

*“The victims were found in different locations, Drake said. The custodian was struck when the shooter sprayed rounds at the glass door to enter, Drake said, and the head of school was found in the hallway.”*

Three days after the Covenant shooting, the New York Post reported that Pastor Jim Bachmann had walked back his claim that Pastor Chad Scruggs had been counseling Audrey Hale: *“I understand they were not counseling, actually. I think there’s just some confusion because she had, years earlier.”* A month after the Covenant shooting, WTN’s Matt Murphy appeared to be referring to Pastor Jim Bachmann’s public retraction when he told Mill Creek View Tennessee Podcast: *“One of the rumors was that Pastor Scruggs was administering some sort of counseling, uh, to the shooter in case, uh, she repeated that on my show, and the individual that initially said that immediately recanted like a day later and said I was mistaken, I thought she was someone else.”* If Matt Murphy was referring to Pastor Jim Bachmann, Matt Murphy is possibly in error or misunderstood. Pastor Bachmann stated there was “confusion” since Audrey Hale was counseled “years earlier,” not that “she was someone else.” Question: Did someone who was there on the morning of the mass shooting pass on hearsay information to Jim Bachmann and Gabrielle Hanson? (Reminder from page 10: Gabrielle Hanson told Matt Murphy she talked to someone who was there).

A former pastor at the school where Nashville shooter Audrey Hale killed six people on Monday claimed she was being counseled by Chad Scruggs, the father of one of the victims, only to later say he had been mistaken. Jim Bachmann said in an interview with Inside Edition that Hale appeared to be searching for Scruggs, the current pastor at the Covenant School, in surveillance footage the police released. However, when approached by The Post on Wednesday, Bachmann said he had since realized he was wrong. “I understand that they were not counseling, actually,” Bachmann said. *“I think there’s just some confusion because she had, years earlier.”*

Franklin Alderman Gabrielle Hanson has been careful to protect the confidential source of her “Pastor Chad Scruggs counseling – love triangle” information for several months. Pastor Roy Carter worked on the Covenant staff under the leadership of Covenant Founding Pastor Jim Bachmann. In 2013, Pastor Roy Carter offered his personal opinion about Pastor Jim Bachmann with Austin Davis, a former Covenant Deacon: *"His perception is just skewed, just because of his own, what I think is mental illness, but I also think there other times when he has flat out lied... He is a sociopath. He has no conscience about it... And so, we have to be discredited... and you're a psychopath, I'm a nut, you're a nut... and he's patting you on the back, at the same time, he's putting a knife in you behind your back... but he doesn't care, he has no conscience about it whatsoever... Dear brothers and sisters,  
I write to inform you that a former member, Mr. Austin Davis, has filed a lawsuit against our church, seeking damages and making a number of serious, but false allegations. You may read something in the papers tomorrow or soon thereafter about this. He has also sued the Nashville Presbytery, and the Presbyterian Church in America denomination.  
Mr. Davis has made numerous complaints about our church for the last 10 or 11 years. Our best efforts to resolve these matters proved unsuccessful. We are saddened that he has taken this step but will cooperate fully with the authorities in the coming days. We will also keep you well informed as developments arise. Please keep the leadership of the church in your prayers, in particular the committee that will be handling this: Herb Kneeland, chairman; John Avery, John Bryant, and Ron Kimery. Please contact any of these men, or any of the pastors if you have questions. Thank you for your prayers!  
Warmly, in Christ,  
Pastor Jim

Church and state authorities have certainly cooperated with each other. United Covenant Leaders and Federal Judge John Bryant misused a mass "prayer request" to protect child-molester John Perry and a Mann Act Federal crime cover-up. The TN Supreme Court also supported Jim Bachmann, child-molester John Perry, and united Covenant Leaders. TN Attorney General Herbert Slatery is also fully cooperating with united Covenant Leaders in a case against Austin Davis now before the TN Court of Criminal Appeals.

A few months after the Pastor Jim Bachmann's deceitful "prayer concerns" email, several pastors on the Covenant staff expressed grievances which sparked an internal Covenant investigation involving Pastor Jim Bachmann. Below is the cover page of a "timeline of events" document provided to the Nashville Presbytery and families within Covenant Presbyterian Church and The Covenant School community. Covenant Pastor Jim Bachmann was interviewed twice during the internal Covenant investigation that included 168 hours of interviews with 17 people. Austin Davis was recorded during a previous Covenant internal investigation, but it is unknown if the 168 hours of interviews with 17 people were recorded. Pastor Jim Bachmann was accused of serious charges per Covenant Elder Jack Bailey: *"The charges against Jim Bachmann are serious. They include lying, schism, moral failure, and heinous sin."* Former Covenant Deacon John Perry was also charged with *"heinous"* sins in 2010, two years after Pastor Jim Bachmann and Covenant Leadership knew about and covered up John Perry's child sex abuse in 2008. Question: What kind of *"heinous sin"* or *"sex claim"* was Pastor Jim Bachmann accused of committing at Covenant?

amendment was made to the resolution. The task of the committee was to "conduct an investigation of its own actions and inactions...as well as members of the pastoral staff." Pastor Jim was not under investigation though he was interviewed twice by the committee. All told the committee conducted 18 interviews from July 28-August 9 over 168 hours. Among those interviewed were 7 pastors, 7 ruling elders 1 inactive ruling elder, 1 deacon, and 1 member.

#### May 22, 2014

Bryce's report to the session following the meeting with the pastors did not reflect that some or all of the grievances against Pastor Jim were petty and personal in nature. The report also failed to provide a perspective on the nature of the "sex claim." Pastor Jim asked that Rev. Arch Warren and David German be allowed to address the session, but the request was denied.

#### June 9, 2014

A called session meeting convened where Roy Taylor, Stated Clerk of the General Assembly was present.

- Roy Taylor informed the session that the meetings of May 12 and May 19 were improper and out of order.

- He also stated that the meetings of the pastors and elders in which they investigated Pastor Jim were improper and out of order.

- He also suggested that the pastors and ruling elders involved offer their resignations.

- No pastor or elder offered a resignation that night, but two pastors did offer resignations weeks later.

At this Session Meeting, Pastor Matt Bradley and Pastor J. Hager both admitted prior knowledge of Pastor Nathan's intention to record a private conversation and both acknowledge that they did nothing to prevent or discourage Pastor Nathan from so doing.

During the meeting, Elder Jack Bailey said, "The charges against Jim Bachmann are serious. They include lying, schism, moral failure, and heinous sin."

The Session voted to approve the Shepherding Committee's recommendation to relieve Pastor Jim from preaching, teaching, and leading worship (vote was 13 to 8).

Peter Rosenberger and many devoted followers of Pastor Jim Bachmann believed that Pastor Jim Bachmann had been unfairly treated during the “sex claim” investigation within Covenant Presbyterian Church. In July 2018, Peter Rosenberger, told the Tennessean that he wanted to see the truth come out and that Jim Bachmann’s firing was a personality dispute that could have been worked out over a cup of coffee. Below is the Tennessean - Gannett Corporation article to rehabilitate the public image of Pastor Jim Bachmann during the on-going John Perry – Mann Act Federal crime cover-up. John Perry was co-author on two books with GOP Presidential Candidate Mike Huckabee. John Perry’s family and Peter Rosenberger’s family were long-time friends in the Covenant Community. John Perry’s Victim #1 traveled to Ghana with Peter Rosenberger’s family after John Perry’s Victim #1 began child sex abuse counseling with Caroline Post Cone around April 2008. John Perry’s Victim #1 returned from Ghana on or about June 30, 2008, the day after an armed secret security unit unlawfully blocked the Austin Davis family from entering a public Sunday church service to protect the John Perry-Mann Act Federal crime cover-up.

In 2016, the Rev. Jim Bachmann lost his job as the top pastor of Covenant Presbyterian Church, which rose to prominence in Nashville under his leadership. His supporters are now speaking up about Bachmann's firing, which was preceded by at least two years of disunity in the Green Hills church. They think he was unfairly treated and they want those who still sit in the pews at Covenant as well as the broader community to know about it. *"I would like for the truth to come out,"* said Peter Rosenberger, a former church member. *"Let people see what was really going on behind the scenes."* The strife began in 2014 with conflicts and tensions among ministerial staff and Covenant Elders, according to church documents... *"There was nothing going on that just truly couldn't have been worked out over a cup of coffee... It would be one thing if there was some type of moral or financial or doctrinal misconduct, but there was none of that. This was just personalities."* (Note: The Gannett Corporation is well informed about the John Perry child sex abuse cover-up, and also seems to have reviewed internal Covenant church documents about the possibly heinous “sex claim” allegation against Pastor Jim Bachmann. However, the Gannett Corporation continues to endanger children by protecting Pastor Jim Bachmann, child-molester John Perry, and many others. )

Peter Rosenberger told the Tennessean: *"I would like to see the truth come out... Let people see what was really going on behind the scenes."* As of July 19, 2023, the truth has apparently been told in the *"Mike Huckabee – Josh Duggar Family Secrets case."* However, the truth has not been told in the *"Mike Huckabee – John Perry"* child sex abuse cover-up case. Question: Will Pastor J Hager tell the truth so people can see what was really going on behind the scenes?

Ex-Covenant Youth Pastor, J Hager, was cited in the 19-page “*timeline*” document which included information about the internal Covenant investigation. Pastor J Hager is a Covenant School father who provided a sworn declaration to Judge l’Ashea L. Myles to prohibit release of the “*manifesto, writings, and evidence*” left behind by Audrey Hale. Questions: 1) Why did Pastor J Hager refer to a “*new fear*” in his sworn declaration since he was already aware of a pre-mass shooting “*old fear*” which alleged that Austin Davis was a potential mentally ill mass shooter threat by Covenant Leadership? 2) Does Pastor J Hager know if police-security-church screeners stopped some people attending the funeral of Hallie Scruggs to determine if they were kin to Austin Davis? 3) Is Pastor J Hager still worried that Austin Davis will be a “*copycat*” shooter threat at The Covenant School? 4) Was Pastor J Hager one of the seven pastors interviewed during the internal Covenant investigation, and does he know what kind of “*heinous sin*” or “*sex claim*” was alleged against Pastor Jim Bachmann?

### **DECLARATION OF JONATHAN HAGER**

I, Jonathan Hager, make the following statements upon personal knowledge:

1. I am the parent of two children who are enrolled in and attend The Covenant School, one in pre-K and the other in 4th grade this past school year.
2. Both our children were on campus that unfortunate morning of March 27, 2023.
9. While we are learning to live with this new fear, our ultimate fear is that this could happen again to another unsuspecting and vulnerable community.
12. We pray that the shooter’s writings are never released to the public for fear of a copycat killer being inspired by an evil voice from the grave.

*Note: Austin Davis spoke in person with Pastor Ryan Anderson (Jan 11, 2022 – Whole Foods) and Pastor J Hager (Jan 12, 2022 – Chic-fil-A). Neither pastor was interested in stepping forward to learn more about the child sex abuse cover-up at Covenant, or to share what they know about the on-going cover-up.*

Fourteen months after Austin Davis personally informed Covenant Pastor Ryan Anderson about his unlawful jailing to protect the John Perry child sex abuse cover-up, Pastor Ryan Anderson was recorded in a desperate 911 call during the Covenant mass shooting. Question: Did Pastor Ryan Anderson ever inform other Covenant School parents about the John Perry child sex abuse cover-up, and/or his peaceful conversation with falsely accused “Sandy Hook” style shooter threat, Austin Davis, on Jan 11, 2022?

In one call, a man who identified himself as a pastor Ryan Anderson called 911 trying to get help. He was out of breath as he explained where the school was located and what he was hearing.

**Pastor:** “I’m in the second floor closet.”

**911:** “Okay, second floor closet. How many people are with you?”

**Pastor:** “Yes, one other person.”

**911:** “Alright. And did you hear the shots or see the shots?”

**Pastor:** “Yes, I’ve heard multiple shots. When it started, I thought it was a fire drill so I walked out of the room to go get my children and saw a person across the hallway and that’s when I heard shots and I came back and locked myself in the closet with my assistant teacher.”

**Pastor:** “My children are in the building, ma’am.”

**911:** “We’ve got a lot of officers that have been dispatched out there. We have a lot of officers on their way to you. When I say a lot, we have a lot of officers on their way to you, lights and sirens as fast as they can.

**Pastor:** “I understand.”

**911:** “What I need you to do is keep yourself safe right now.”

Questions: 1) Did Pastor Ryan Anderson and Covenant Leadership provide child sex abuse cover-up information to Covenant School parents after Austin Davis sent him an email 10 days before the Covenant mass shooting? 2) Did Pastor Ryan Anderson provide information about ex-Pastor Jim Bachmann and Federal Judge John Bryant to Covenant School parents after Austin Davis sent him an email on Sept 11, 2022; 3) Did Pastor Ryan Anderson provide child sex abuse cover-up information to Covenant School parents after Austin Davis sent him an email on Nov 14, 2019? *See three of many emails sent to Pastor Ryan Anderson since 2019.*

Subject: Christmas Reconciliation - Matthew 18

J, You and the Carlson's seem like honorable people interested in authentic ministry?

Would you or the Carlson's like to reconcile with my family before Christmas?

2014 was an interesting time prior to your departure for West End Community and Carter Crenshaw.

Inside sources tell me that Dr. L. Roy Taylor came to Covenant recommending for you and others to resign in June 2014?

Inside sources also tell me that you resigned following a massive internal investigation which began after the Middle TN Appellate Court unexpectedly reversed a Judge Solomon ruling in June 2014?

If you or the Carlson's want to reconcile, give us a call? Merry Christmas, Austin 615-999-8190

Ten months after preaching “*A License To Kill*,” Pastor J Hager resigned to take a new church planting job at West End Community Church. Question: What kind of “*serious problems at Covenant and with Pastor Jim*” did Pastor J Hager share with his Catalyst Group, on or about, Oct 4, 2014?

### September/October 2014

In the weeks prior to the congregational meeting, Billy Barnes learned that Pastor J. Hager might take a job at West End Community Church where Rev. Carter Crenshaw pastors. The job would be to plant a church in the Woodbine area. In speaking with both Rev. Crenshaw and Pastor J., Pastor Billy urged each one to postpone doing this or at least postpone announcing this until after the scheduled congregational meeting because doing otherwise might harm Pastor Jim and cause added confusion to the congregation.

### October 2014

Prior to the congregational meeting, Rev. Carter Crenshaw hired Pastor J. and Pastor J. announced his resignation three days before the congregational meeting.

Prior to the congregational meeting, Rev. Crenshaw asks Pastor Billy if someone from the Presbytery should attend the congregational meeting. Pastor Billy replied with something to the effect of, “Maybe so.”

### October 2, 2014

Pastor J. communicates with Pastor Jim that he is resigning his position to assume a church planting role at West End Community Church.

### October 4, 2014

Pastor J. invites his Catalyst group to meet at the church. He informs them of the serious problems at Covenant and with Pastor Jim. The next day he did the same thing again with his Catalyst group at Billy Barnes home.

The final two entries in the two-year “*timeline*” document were Nov 14, 2015 and Nov 16, 2015. There is no mention of anything significant occurring on Nov 15, 2015. The 19-page document does not include a word about the John Perry – Mann Act Federal crime cover-up committed against the family of Austin Davis. The “*timeline*” also does not include a word about two child sex abuse cover-up lawsuits filed by Austin Davis against Pastor Jim Bachmann which were on-going during the two-year “*timeline*” and the internal Covenant church investigation. Questions: 1) Were the Nov 15<sup>th</sup> retaliation arrest and two child sex abuse cover-up lawsuits insignificant events to Covenant Leadership? 2) Has the 19-page “*timeline*” been sanitized to eliminate the Mann Act Federal cover-up crime recorded by video on Nov 15, 2015: [https://www.youtube.com/watch?v=C4\\_hlBo2\\_EA](https://www.youtube.com/watch?v=C4_hlBo2_EA) <https://www.youtube.com/watch?v=QhHKXVQqTJE>

### **Nov. 14, 2015 Saturday**

The Session meets with Tom Darnell who has been appointed interim moderator of the Covenant Presbyterian Church’s Session to replace Pastor Jim. Approximately 50-60 church members attend, most of whom appear to be Pastor Jim’s supporters. A three and one-half hour discussion and debate was held on the question of whether the Session should vote to relieve

Pastor Jim from preaching, teaching, and leading worship at least through the end of the calendar year.

During the discussion, questions, and debate it was revealed to many in attendance that little, if any, of the Session’s actions over the previous two years had previously been disclosed to or uncovered by the Shepherding Committee prior to their vote to relieve Pastor Jim of his duties.

After the meeting, Paul Richardson, a member of The Shepherding Committee member was asked, “Did the Shepherding Committee consider the prior 2-years of actions of the Session before they voted?”

His response was, “I did not know about any of that until today.”

During the meeting, Elder Jack Bailey said, “The charges against Jim Bachmann are serious. They include lying, schism, moral failure, and heinous sin.”

The Session voted to approve the Shepherding Committee’s recommendation to relieve Pastor Jim from preaching, teaching, and leading worship (vote was 13 to 8).

### **November 16, 2015**

At the session meeting, moderated again by Rev. Tom Darnell, a formal request is made for all Session information, records, and reports to be provided to all church members. The Session was given until Tuesday November 24th to respond.

Eight members who were present at the Saturday November 14<sup>th</sup> Session Meeting brought charges against elder Jack Bailey for his comments about Pastor Jim during the Saturday November 14<sup>th</sup> Session Meeting which included accusations of writing a schismatic communication to the congregation, lying, moral failure, heinous sin, and sedition. The substitute moderator ruled them out-of-order due to a lack of compliance with the steps advised in Matt. 18: 15-17.

Questions: 1) Did Pastor Jim Bachmann ask for \$1 million plus in his offer to retire from Covenant? 2) Was Jim Bachmann's retirement request really a "ransom" payoff to remain quiet about the John Perry – Mann Act Federal crime cover-up within the Covenant church-school community? 3) Did the Covenant Session respond by the Nov 24<sup>th</sup> deadline to provide all of Session information, records and reports to approximately 2000 Covenant members as requested? (Note: *There is no statute of limitations for child sex abuse under the Federal Mann Act.*)

### **November 3, 2015**

The Session votes to receive Jim's withdrawal of offer to retire 18-2-1.

Separately a vote is proposed to ask the Nashville Presbytery Shepherding Committee to help the church in its reconciliation.

Pastor Jim Bachman and several other Elders are not in support of bringing in the Shepherding Committee.

The vote passes to ask the Shepherding Committee to get involved.

Teaching Elder Arch Warren publicly rebukes the Session.

### **Nov. 9, 2015**

Pastor Jim and Bryce meet with the diaconate to update them. Deacon Matt Anderson publicly rebukes Pastor Jim and says, "The reason we are in this mess is because of your ransom note!"

Q and A took place for about an hour. Bryce mentioned that Presbytery will be asked to help us resolve our differences.

### **November 16, 2015**

At the session meeting, moderated again by Rev. Tom Darnell, a formal request is made for all Session information, records, and reports to be provided to all church members. The Session was given until Tuesday November 24<sup>th</sup> to respond.

Covenant Deacon Matt Anderson and Pastor Roy Carter provided help and significant information to Austin Davis during the John Perry – Mann Act Federal crime cover-up. The Silent Bell recently received a new, unconfirmed tip that Covenant Leadership is still protecting at least one "sex claim" during the current Covenant School legal battle. Prior to filing the first lawsuit in 2013, Austin Davis was provided information from several former or deceased Covenant members related to the new, unconfirmed tip. On June 22, 2023, Pastor Jim Bachmann told The Tennessee Star: *"I don't know what there is to investigate."* (Note: *Pastor Jim Bachmann's attorney, Autumn Gentry, now represents The Covenant School which filed a motion to prohibit release of the "manifesto, writings and evidence" left behind by Audrey Hale.*)

Below is sworn testimony provided by Caroline Post Cone, a child sex abuse expert witness against Austin Davis. Ms. Cone openly admitted in sworn testimony that John Perry's Victim #1 was sexually abused across state lines at the age of 11.

7 Q. In the lawsuits, they've given the ages 11 and  
8 then they changed it; they went to 12. Do you know  
9 what the age was?  
10 A. I believe the age when — was first sexually  
11 abused -- is that what you're asking me?  
12 Q. Uh-huh.  
13 A. Was 11.  
14 Q. Eleven? The lawsuit says -- uses the word  
15 "incident," which seems to indicate it's only one  
16 time. Is it one time or is it multiple times?  
17 A. Multiple times.  
\* 18 Q. Is it constrained just to Tennessee?  
\* 19 A. No.  
20 Q. What other states?  
21 A. I'm not sure what other states there are, but  
22 I think some of the incidents occurred outside of the  
23 state of Tennessee.  
\* 24 Q. Did — go over that or give you any  
\* 25 information on those states, where it was?  

---

  
\* 1 A. Yes, sir.

There is no statute of limitations for child sex abuse across state lines under the Federal Mann Act.

Pastor Jim Bachmann told The Tennessee Star: *“I don’t know what there is to investigate.”* Pastor Bachmann also told The Tennessee Star he does not recall any concerns or red flags with Audrey Hale’s conduct or behavior. Pastor Bachmann also distanced himself from *“noticing”* Audrey Hale’s behavior since the church and school were *“separate entities.”* However, Pastor Jim Bachmann’s office was not separated and was located on the same floor with many Covenant School classrooms and he was directly involved with the start-up school as an *“on-site - ex officio”* Covenant School board member. Pastor Roy Carter offered his opinion on Pastor Jim Bachmann in 2013: *“I also think there other times when he has flat out lied... He is a sociopath. He has no conscience about it... I wouldn’t trust that guy as far as I can spit... there is a sickness in that guy... he’s as cold-blooded as anybody I’ve ever seen... I mean, he is cold-blooded.”*

**Former Covenant Presbyterian Church Pastor Grieves, Prays For Church He Served For 25 Years – June 22, 2023 – M.D. Kittle – The Tennessee Star - <https://tennesseestar.com/justice/former-covenant-presbyterian-church-pastor-grieves-prays-for-church-he-served-for-25-years/mkittle/2023/06/22/>**

Pastor Jim Bachmann remembers the early, intimate days of the new Covenant Presbyterian Church in the early 1990s. A few dozen souls with a love of Christ and a thirst to grow in faith gathering at a small venue. “I was up there 25 years as part of that church. It was a paradise,” said Bachmann, who now serves as pastor of Nashville’s Stephens Valley Church. Today, the pastor grieves and prays for the church he helped found more than 30 years ago.

Bachmann said he feels great empathy for all who are suffering in the wake of the senseless shootings, including Hale’s parents, Norma and Ronald Hale. He said he met them years ago when their daughter was a student at the Christian school. Audrey Hale attended Covenant Presbyterian with Bachmann’s son, who was a grade ahead of her, the pastor said. Bachmann’s wife served as a substitute teacher at the school and taught Hale. The Hales were not members of the church. Bachmann said he does not recall any concerns or red flags with Audrey Hale’s conduct or behavior, and he’s not sure he would have noticed at the time. Although located on the same campus, the church and the school were separate entities.”

**Exclusive: Covenant Shooter’s Former Schoolmates Recall Past Culture of Bullying at School – By Chase Smith – July 3, 2023 – The Epoch Times – *“Mary said her time at Covenant was the worst of her school career, marred by bullying, a culture of favoritism, and disregard for students who were perceived as different... She also recounted being the target of relentless bullying by a church leader’s child and their friends, which she said went unaddressed by the teachers, creating an environment where the bullies appeared above the law due to their parents’ status... Dorothy recalled one bullying incident where a boy was punched in the face, bloodied, and terrified to report the bullying to school authorities. The boy was new to school and did not keep attending, according to her recollection.”***

Pastor Jim Bachmann betrayed a 16-year friendship with Covenant Deacon Austin Davis by falsely reporting him to Nashville Police as a potential “*security threat*” in the aftermath of the Virginia Tech mass shooting. Austin Davis did not know about John Perry’s child sex abuse in 2008, but DA Prosecution Witness Scott Troxel testified that he and Covenant Leadership knew in 2008 about John Perry’s child sex abuse. Per the sworn testimony of Caroline Post Cone, Covenant Pastor Larry Ferris knew about John Perry’s child sex abuse in April 2008. Pastor Jim Bachmann falsely reported Austin Davis to Nashville Police as a potential “*security threat*” two months later in July 2008. <p>I talked with the pastor Jim Bachmann. He has an extensive file on the subject with the letters he has sent. They have dealt with this for six years and did not want to involve police. They made a report because he came to the location on Sunday after being officially advised not to. He sent a letter which they perceived to be threatening. Security was present on Sunday. Mr. Bachmann said they will not prosecute unless it continues. I explained the mental health options if an arrest does become necessary.</p> <p>I spoke w/ Worick Robinson, who witnessed the trespass. He said the subject was not belligerent, but was confrontational. He only felt concerned when he learned the subject asked the security officer if he had a gun. He gave me the names of the security officers - Juan Knight and Troy Stackhouse.</p> <p>I went to 5895 Willshire to speak with the suspect and his wife regarding the harassment complaint.</p> <p>Mrs. Davis spoke with me alone. Her husband was not home. She gave me history on the complaint (a subject named Greg had been accused six years earlier of issues and they did not think he was guilty. They pushed the issue but have never seen documentation that was official. No one from the church told them exactly what happened.) She said her husband is stable, has a good job, has no history of mental health issues, she is not concerned, that he's a great father, and that she is very committed to him. I discussed his fixation on this issue and that it was not reasonable to spend so much time and energy sending letters as he has done. She said she felt responsible for pushing the issue and that he'd never do it again. She was upset that it had become such a serious issue. She spoke freely. She called him to come on home so he could also speak with me.</p> <p>He arrived and I spoke with him candidly. He explained why he had felt things had been done wrong and why he felt he had to deal with the issue. He was surprised there had been such a response. We discussed that bad things do happen with church members and that society does not take a chance. I explained stalking, harassment and trespass to him. He understood and said he'd have no more contact nor go to the church. He does not want to be arrested and was very concerned that he might be later on. Autumn Gentry knows a great deal about the John Perry child sex abuse cover-up since she received discovery from Austin Davis, including emails, recordings, sworn declarations, police reports, divorce records, and court documents. Instead of continuing to represent Covenant Presbyterian Church as she has done beginning in 2013, Autumn Gentry is now moved over to represent The Covenant School ten years later in 2023.

Eleven months after the retaliation arrest of Austin Davis to protect child-molester John Perry, Pastor Jim Bachmann's pastoral call was dissolved via a congregational vote on Oct 2, 2016. In July 2023, the Covenant-Police child sex abuse cover-up is still on-going during the Covenant legal battle and the global campaign to reform gun laws and to raise money in the aftermath of the Covenant mass shooting.

**TODAY, 4:30 p.m., Sanctuary**

A congregational meeting has been called for two reasons. The Session has recommended a vote to dissolve the pastoral call of Pastor Jim Bachmann. This requires a vote of the congregation. Additionally, the Session received a petition (BCO 25-2) to hold a congregational meeting for the purpose of recommending to the Session the dissolution of the relationship with ruling elder Bryce Sullivan (BCO 24-7).

Having received a petition (BCO 25-2) to hold a congregational meeting for the purpose of voting on the dissolution of the official relationship between Covenant Presbyterian Church and ruling elder Bryce Sullivan (BCO 24-7), the Session puts the motion to dissolve RE Sullivan's official elder relations before the congregation upon request of the petitioners.

Hello Austin, Catherine, and Daisy,

My name is Justin Rohrlich and I am a reporter with The Daily Beast in NYC. We have been covering the Covenant School shooting, and would be very interested in speaking with you about the abuse, malfeasance, and harassment detailed in your 2013/2014 lawsuits. My colleague (cc'ed here) and I are also curious if you ever crossed paths with Audrey Hale during your time investigating the abuse allegations? **(A relative of Hale's told us that Hale was interviewed as part of some sort of internal investigation, but that it was swept under the rug by Covenant and never prosecuted.)**

Would you be available for a phone call today? I can be reached by return email or at 917-redacted.

Respectfully,

Covenant School families deserve to know the truth. The motto on The Covenant School crest was borrowed from the original discarded Harvard University motto: Truth for Christ and the Church.

# The COVENANT — S C H O O L —

The original motto of our nation's oldest Harvard University adopted in 1692 was "*Veritas Christo et Ecclesiae*" which translated from Latin means "Truth for Christ and the Church."

Founding Father Patrick Henry believed in knowing the whole truth. Austin Davis is a distant blood nephew of Patrick Henry, and a distant blood cousin of First Lady Dolley Madison, wife of President James Madison, father of the U. S. Constitution.

## Dolley Madison Saves George Washington

“Our kind friend, Mr. Carroll, has come to hasten my departure, and is in a very bad humor with me because I insist on waiting until the large picture of Gen. Washington is secured, and it requires to be unscrewed from the wall. This process was found to be too tedious for these perilous moments; I have ordered the frame to be broken, and the canvass taken out it is done, and the precious portrait placed in the hands of two gentlemen of New York for safe keeping.”<sup>1</sup>

-DOLLEY MADISON TO 'MY SISTER', 23 AUGUST 1814

Austin Davis was falsely arrested on behalf of The Covenant School, and Covenant Presbyterian Church. Nashville Police and DA Glenn Funk wrongfully prosecuted Austin Davis as a "Sandy Hook" style shooter threat to protect the John Perry child sex abuse cover-up, and his "safe house" used by Covenant Leadership. DA Glenn Funk's sister-in-law is Diana Apple. Diana Apple is a Covenant School staff member since the 2001 inaugural year when Audrey Hale was a kindergarten student, and Austin Davis was a Covenant School father.

Covenant Retaliation Church Arrest - Nov 15, 2015

Covenant School parents, Nicholas and Rebecca Hansen, referenced the “Sandy Hook” mass shooting in their sworn statement provided to Judge l’Ashea L. Myles on June 12, 2023. However, Nicholas and Rebecca Hansen did not mention any knowledge of the “Sandy Hook” sworn testimony offered against Austin Davis to protect child-molester, John Perry, a former Covenant Deacon. Question: Do Nicholas and Rebecca Hansen know about the malicious prosecution and wrongful conviction of Austin Davis as a potential “Sandy Hook” mass shooter threat to the children and staff of The Covenant School?

25. We can’t give notoriety to the perpetrators of these crimes at the expense of the victims: the shooter does not get the right to notoriety at the expense, and to the detriment, of my children. Even now, Sandy Hook continues to be referenced. Parkland children are asked for interviews. My children do not need this type of lifetime harassment when Covenant continues to be mentioned in connection to future shootings if more details are allowed to be released.

26. Lastly, anything that gets released is not going to ever be enough.

27. Background data on other mass shootings shows that this level of evil does not happen because of one single motive that can be cured and/or prevented, and these acts are, rather, committed by very disturbed and evil individuals who have studied the works of others and seek to die with this level of notoriety.

28. There are already people spreading rumors, and redacted documents are already being criticized as manipulated. Redacted information, any information, can be, and already is being, weaponized by people who wish to do so.

Question: Did DA Glenn Funk or Diana Apple inform the Covenant School parents about the “Sandy Hook” sworn testimony which protected child molester, John Perry, prior to the Covenant mass shooting on March 27, 2023?

Federal Judge John Bryant sworn testimony – Sept 11, 2017

5 employees of the school. We have a kindergarten  
6 through sixth grade school. It's a private school  
7 the church runs as a ministry. And the tone and  
8 content of these e-mails alarmed people. And I think  
9 in fairness part of that alarm was because that just  
10 in December of 2012 was the shooting of the school  
11 children at the Sandy Hook Elementary School in  
12 Connecticut by a man named Adam Lanza which was all  
13 over the news, it was a horrible thing. And think it  
14 was fresh in everybody's mind at the time.

Covenant Elder Scott Troxel sworn testimony – Sept 11, 2017

4 A. Yes. So members again were concerned  
5 about safety. It was shortly after Sandy Hook and  
6 there were members, especially parents that were  
7 concerned about the safety of their children.  
8 Q. Okay. And Mr. Davis talked about some  
9 of the myths, I believe that he believes the church  
.0 is hiding from him or something. Are you aware that  
.1 Mr. Davis ever attempted to subpoena any of this  
.2 information?  
.3 A. I'm not aware of it.

Glenn Funk’s DA prosecution team referred to the John Perry child sex abuse cover-up as a “myth” even though DA witness Scott Troxel testified he and Covenant Leaders knew about John Perry’s child sex abuse in 2008. Future Nashville Mayor Freddie O'Connell?

Alex Apple, is married to Hannah McDonald. During the live coverage of the Covenant mass shooting, Hannah McDonald informed the public that she had attended an active shooter training exercise at The Covenant School over a year earlier: *"It was a two day intensive training that everybody on the staff took part in... These teachers were given a map of their own school during the training more than a year ago that I attended with them. And they talked about the vulnerabilities, and they took care of those. They made changes more than a year ago to keep this school as safe as possible. And as we are learning today, it seems they did do as much right as they could be. This person, unfortunately, devised a very sinister plan to access that school, and how can you prepare for that?"* Question: Would one or two armed security guards have helped the Covenant School prepare?

No armed security guard to protect The Covenant School children and staff.

Hannah McDonald provided first-hand insider reports on The Covenant School mass shooting during live coverage which lasted at least seven hours. NewsChannel5 effectively became the public propaganda arm for the Nashville Police, DA Glenn Funk, and The Covenant School, because of the inside access of Hannah McDonald to her mother-in-law, Diana Apple, and possibly others within Nashville Metro Government and the Covenant Community. Hannah McDonald repeatedly told viewers that The Covenant School took great effort to make the campus a “safe place” for kids and faculty. Hannah McDonald also told viewers: “They do not have a dedicated school security officer or resource officer.” Hannah McDonald and NewsChannel 5 did not reveal that Diana Apple’s brother-in-law was DA Glenn Funk. Question: Why didn’t The Covenant School have at least one armed security guard on the private church-school campus?

Hannah McDonald consistently reassured the public that The Covenant School took the security of the students seriously, and was well trained by an active shooter training program that Hannah McDonald had attended 14 months earlier in January of 2022. Two days after the mass shooting, in an early morning interview with CBS Mornings, former Covenant Pastor Jim Bachmann told a CBS Mornings reporter that the Covenant School had participated in a “safety shooter drill” the week before the mass shooting.

*“We talked a bit about school security, um, uh, I’m sure many at home are wondering what was in place here at the school. I’ve talked extensively about the training that they did do a year ago. This is fresh on the minds. This is the first school year with this active shooter training in their back pocket. They do not have a dedicated school security officer or resource officer. This is a school with just 200 students. This is a small school with limited resources but wonderful staff, so this is something that they put a lot of value on, but not a dedicated or armed guard or school. Some other private schools in the area do have security. Some of the bigger schools, Montgomery Bell Academy, Harpeth Hall, do have security in the building but it’s not surprising to me that a school this size doesn’t have someone.”* Hannah McDonald – News 5 Reporter – Live coverage in hours after the Covenant School mass shooting.

*“I want to give a special thanks... to the teachers at Covenant School... the teachers had gone through active aggressor active shooter training recently...”* Police Chief John Drake - April 4, 2023.

Question: Did the Covenant School have a “safety shooter drill” after Austin Davis sent an email to Diana Apple and the Covenant School faculty on March 17, 2023, ten days before the mass shooting?

Below is the email Austin Davis sent to Covenant School staff and Hannah McDonald's mother-in-law, Diana Apple, ten days before the Covenant mass shooting. Austin Davis provided Diana Apple with information about the John Perry child sex abuse cover-up, the Gracie Solomon child sex abuse cover-up, the Darlington School child sex abuse cover-up, and the alleged cover-up of child sex abuse cases within the Nashville Metro School System. It is unknown if Diana Apple provided the email to her brother-in-law, DA Glenn Funk. (*Note: Substitute teachers may not have received the email if they weren't posted on The Covenant School web site*).

Pastor Jim Bachmann told CBS Mornings News that the Covenant School had a “safety shooter drill” the week before the mass shooting: “They had just had a safety shooter drill the week before, so that’s fortunate.” CBS Reporter David Begnaud agreed with Pastor Jim Bachmann by saying “yep.” (Note: *The Silent Bell does not blindly trust Jim Bachmann, NewsChannel5 (CBS Affiliate), CBS News, Nashville Police, DA Glenn Funk, Mayor John Cooper, and Gov. Bill Lee, to tell the truth about the Covenant mass shooting, or the John Perry child sex abuse cover-up.*) Question: If Jim Bachmann and David Begnaud are correct about a “shooter drill” the week before, did Covenant leadership conduct the “shooter drill” to distract attention away from the “sex abuse - murder cover-up” information provided to the Covenant School staff ten days before the mass shooting?

On April 4, 2023, a week after the Covenant mass shooting, Police Chief John Drake told reporters at a press conference: *"I want to give a special thanks... and this is not said often... to the teachers at Covenant School... the teachers had gone through active aggressor active shooter training recently... their efforts also saved lives."* Question: Does Police Chief John Drake know if Covenant School teachers went through a "safety shooter drill" the week before the mass shooting, or was ex-Pastor Jim Bachmann and CBS Mornings providing false information to the American public?

After the Covenant mass shooting, Hannah McDonald interviewed Brink Fidler, a former Metro Nashville Police Officer and Covenant School security consultant. Prior to the NewsChannel5 interview, Brink Fidler told CNN the Covenant School teachers executed flawlessly: *"Their ability to execute, literally flawlessly, under that amount of stress while somebody is trying to murder them and their children, that is what made the difference here,"* he said. <https://www.cnn.com/videos/us/2023/03/30/ex-officer-active-shooter-drills-nashville-school-brink-fidler-sot-ebof-vpx.cnn> **Question:** Did all Covenant substitute teachers participate in the "active shooter training" prior to the Covenant mass shooting on March 27, 2023?

## The Covenant School went through active shooter training year prior to shooting -

By: Hannah McDonald - Posted at 8:36 PM, Mar 29, 2023 – <https://www.newschannel5.com/news/he-trained-the-covenant-school-for-an-active-shooter-he-said-kids-are-alive-because-of-it>

The Covenant School's teachers and staff performed "flawlessly." That's what the instructor of their active shooter training is saying.

I happened to attend the training back in 2022, and today I had a conversation with instructor Brink Fidler right after he toured the school.

**HM:** Have you ever instructed a group of people who have had to put it into practice?

**BF:** Not until now. I knew it was inevitable just statistically speaking. One of these large corporations or organizations — eventually it was going to happen. And when this unfolded Monday, I can't believe it happened. Everybody, people talk about all the time how they never thought it would happen to them, and statistically speaking, it's probably not going to happen to you. But I'll tell you Katherine Koonce and Ben Gatlin and this staff and these teachers and the facilities personnel — who didn't have to be there but chose to sit in on the training — that was the difference maker for what could've been a much more tragic outcome than it was.

**HM:** How seriously did TCS take this training?

**BF:** Extremely seriously. They reached out in the fall of '21 originally. Katherine Koonce, the head of school, contacted us, sat in on our training at another school. She hired us on the spot at that training and brought us in on our first available date and was excited to bring this to her faculty as bad as that sounds. But she really felt strongly about her staff's ability to perform with the right information.

**HM:** Was it surreal to be back in The Covenant School after spending so much time talking about this?

**BF:** Very, yeah. It still doesn't feel real — the broken glass and like all of it, the DNA evidence, the breached doors. I mean, you almost have to compartmentalize it or I do as I work.

**HM:** What did you see that makes you say that the teachers performed flawlessly?

**BF:** I mean like under that amount of stress, there are police officers that can't operate under that amount of stress. They did exactly what they knew to do and did it well. Those kids are alive because of it.

Brink Fidler is a former Metro Nashville Police Department officer. His security consulting firm is called Defend Systems.

It is possible that children and teachers performed their roles “*flawlessly*” during a fire alarm emergency situation without knowing a mass shooter was coming up the stairs. One sworn parent statement reveals that Mrs. Blake’s third grade class went out in the hall when they heard the fire alarm: “*They thought it was a fire drill and all lined up outside the class.*” All three of the children victims were in Mrs. Blake’s homeroom class. Questions: 1) Was Cynthia Peak a substitute teacher for Mrs. Blake on the day of the horrific mass shooting? 2) Were all three children victims in Mrs. Blake’s classroom at the time of the fire alarm prior to the mass shooting? 3) Did the internal church video security system reveal if the fire alarm was triggered automatically, or by Audrey Hale? 4) Did Cynthia Peak or any other substitute teachers participate in any “*active shooter training*” prior to the Covenant mass shooting on March 27, 2023?

5. My third-grader lost three homeroom friends. Twelve children began in Mrs. Blake’s class, only nine came home that day to their families.

6. My child’s best friend at school was killed right outside the classroom. My child

7. Our third grade son and his class went out into the hall when they heard the fire alarm. They thought it was a fire drill and all lined up outside the class. Then, when they heard the shots he ran back into this class. He sat alongside the wall watching the bullets flying into his classroom. He shared there were so many bullets breaking Mrs. Blake’s potted plants and he could see paint flying off the walls and the windows shattering. He said there was so much smoke he couldn’t breathe and that he just wanted a sip of water. He said he thought he was going to die.

Brink Fidler told CNN the Covenant School teachers performed flawlessly: “*Their ability to execute, literally flawlessly, under that amount of stress while somebody is trying to murder them and their children, that is what made the difference here,*” he said. <https://www.cnn.com/videos/us/2023/03/30/ex-officer-active-shooter-drills-nashville-school-brink-fidler-sot-ebf-vpx.cnn>

The London Daily Mail was not “*flawless*” in reporting on the Covenant mass shooting. The London Daily Mail apparently reported false information that one of the child victims was murdered while trying to pull the fire alarm to stop the trans shooter from opening fire on her friends. In contrast, the Independent appears to report a more accurate story that the same child victim was murdered in a fire drill line while trying to lead her friends to safety because of the fire alarm warning. (Note: *The Silent Bell* does not trust the reporting of the Daily Mail who are still protecting the John Perry child sex abuse cover-up at Covenant Presbyterian Church and The Covenant School.)

Below are some Covenant related headlines from the London Daily Mail and the Independent.

Evelyn Dieckhaus, one of the nine-year-old victims of Monday’s horrific [Nashville school shooting](#), was killed while leading her classmates to safety in response to a fire alarm seemingly tripped by the attacker, her family believes.

Her aunt, Kelly Dorrance, wrote in a private Instagram post [provided to The Daily Beast](#): “We’re finding out the shooter may have pulled the fire alarm to get kids out of their classroom. Evelyn being one of the class leaders was at the front of the line assuming fire drill.

“She was trying to lead her classmates to safety and possibly didn’t hear the shouts to come back in the room. Things children should never worry about.”

The Metropolitan Nashville Police Department has meanwhile confirmed to the same source that its investigation currently indicates “that the alarm originated from the area of the shooter’s entry” at The Covenant School on Monday morning.

NewsChannel5 and other corporate owned news organizations are well informed about Gov. Bill Lee, First Lady Maria Lee, The Covenant School, Christ Presbyterian Academy, and numerous public corruption cover-up efforts. Unfortunately, 6.5 million Tennesseans no longer live in a free republic with a healthy free press to report significant public corruption news to the voting public. Instead, 6.5 million Tennesseans live as conquered subjects in submission to a “church-government-media-corporation-industrial” complex which has no genuine care or concern regarding the sexual abuse and murder of innocent Tennessee children.

Hannah McDonald, Ben Hill, NewsChannel5 staff, and the Covenant School faculty, were provided information about Gov. Bill Lee, the John Perry cover-up, and the Grant Solomon murder cover-up about six weeks prior to the Covenant School mass shooting. MEDIA and Covenant School faculty have been provided John Perry child sex abuse cover-up information for many years. To date, July 19, 2023, almost four months after the Covenant mass shooting, the John Perry cover-up still continues at The Covenant School, Covenant Presbyterian Church, the Nashville Police Department, NewsChannel 5, and elsewhere. Below is an email sent to NewsChannel5 employees about six weeks prior to the Covenant School mass shooting.

As of July 19, 2023, NewsChannel5, WSMV TV, Gannett Corporation, and other corporate owned news organizations are still blocking significant child sex abuse and murder cover-up information from reaching 6.5 Tennesseans, and 335 million American citizens. Sadly, there are good, honest reporters who would like to inform the public, but their employers who pay their salaries continue to endanger children by blocking their own reporters from serving the best interest of the American people.

Good morning Dr. Solomon. My name is [redacted] and I'm a reporter At newschannel 5. How are you? I saw a post with you talking about your son Grant and his case. I see it's getting so much deserved attention again and you have a vigil planned for next week. Would you and your daughter be available today to do an interview to talk about your son's case? The new attention? And details of the vigil planned? Thank you for your time. . . .

Hi Angie, thanks for getting back with me. My producers assigned me to another story today, sorry I won't be able to coordinate an interview with you today.

Ok. Will you be able to another day?

hey [redacted] - I completely understand how the news cycle works. I was really looking forward to sharing Grant's story. The lack of media attention has been so upsetting. I'm just wondering if you found us yourself, and then pitched the story to an editor and they shut it down? You didn't offer a follow up time, so I was just curious.

Good morning, I discovered your story on social media and pitched it. I saw some of the new found interest in the story and the podcast had people interested in even more in the case.

My producers didn't want to pursue the story that day. I apologize for getting your hopes up. They didn't seem like they wanted me to set it up for another day either. . . .

I do want to offer you and your family my condolences.

Gov. Bill Lee, Attorney General Jonathan Skrmetti, and some members of the legal profession also continue to endanger children. See *abbreviated email below to fit on one page*.

Dear Mr. Pautienus:

Can an attorney be disbarred for protecting a child sex abuse, rape, and/or murder cover-up crime?

You sent me a cease and desist letter twelve days after I provided child sex abuse - John Perry cover-up information to Christ Presbyterian Academy (CPA) and Grace Chapel staff members. See pages 34 and 43 at this link: <https://www.keepandshare.com/doc15/24430/2021-2d-sept-20-wsmv-tv?da=y>

Sixteen days after you sent me a cease and desist letter, 14-year old Gracie Solomon appeared in a YouTube video alleging that she had been sexually abused by her father, Aaron Solomon, and that her brother had been killed by her father: <https://www.youtube.com/watch?v=bpNRNuaFhAk>

Attorneys Larry Crain and Todd McMurtry also wrote cease and desist letters in the Gracie Solomon case, which has numerous connections to the John Perry child sex abuse cover-up case: See pages 49-50, and 86-87 at this link: <https://www.keepandshare.com/doc15/24430/2021-2d-sept-20-wsmv-tv?da=y>

Four months ago, Todd McMurtry responded to my prayer vigil invitation in honor of Grant Solomon: "I have no involvement in this matter and will not be attending." See page 9 at this link: <https://www.keepandshare.com/doc15/25493/2022-1m-aug-28-pres-trump-mark-meadows?da=y>

Attorney Robb Harvey also wrote me a cease all communications letter on behalf of WSMV TV and Demetria Kalodimos. Demetria Kalodimos was a long-time colleague of former WSMV TV news anchor and accused murderer, Aaron Solomon. See page 7 at this link: <https://www.keepandshare.com/doc15/24430/2021-2d-sept-20-wsmv-tv?da=y>

Attorneys Autumn Gentry, Chip Campbell, and Michael Brezina protected the John Perry child sex abuse cover-up during two lawsuits, even though Covenant Leadership intentionally lied: <https://www.keepandshare.com/doc15/25526/2022-1o-sept-11-covenant-leaders-lied?da=y>

Covenant Leadership and many others continue to protect the John Perry - Mann Act Federal crime cover-up, which has numerous connections with the alleged Aaron Solomon - Mann Act Federal crime cover-up, and the alleged murder of 18-year-old Grant Solomon: <https://www.keepandshare.com/doc15/22758/2020-3l-dec-3-rise-of-a-titan-john-perry-global-statement-caroline-cone-sworn-testimony?da=y>

In closing, I am trying to provide new information about Grant Solomon's alleged murder to Aaron Solomon's long-time friend, Vince Gill: <https://www.keepandshare.com/doc15/25598/2022-1t-oct-11-vince-gill?da=y> If you or other attorneys copied on this email have contact info for Vince Gill, Amy Grant, or their attorneys, please forward this information to them.

NewsChannel5 is still blocking several stories and continues to endanger children: 1) The John Perry child sex abuse cover-up; 2) The Gracie-Grant Solomon child sex abuse-murder cover-up; 3) The rigged secret grand jury of Tennessee Titans QB Steve McNair. Most recently in the Covenant mass shooting case, instead of reporting the truth, NewsChannel 5 repeatedly informed the public that The Covenant School was safe. NewsChannel5, Hannah McDonald, and Hunter Hoagland reassured the public that The Covenant School took great effort to ensure the school was safe, and did everything right. To date, July 19, 2023, NewsChannel5 has not televised a video of a Covenant armed security guard intimidating former Covenant school student, Daisy Davis, during the John Perry – Mann Act Federal crime cover-up. Daisy Davis reported a child sex abuse cover-up to the armed Covenant security guard. In response, Sgt. Solomon Holley reported Daisy Davis to Nashville Police as a possible suspect to be arrested. Hannah McDonald, Hunter Hoagland, and NewsChannel5 reported to the public that The Covenant School did "everything right" in this case. Question: Was "everything right" for NewsChannel5 to block truthful information from 6.5 million Tennesseans , and for Covenant Leadership to leave the school unprotected without an armed security officer after the rigged conviction of Austin Davis as a Sandy Hook type of mass shooter "threat" to The Covenant School?

"And that's what is so hard to stomach, I think, is just that **this is a school that did everything right**. In other school shootings, you, you hear these stories that it was, uh, an unlocked door. **This school did everything right**, and yet you still had a shooter who shot through the door and ultimately gained access." Hunter Hoagland – NewsChannel5 Reporter – March 27, 2023

She [mother-in-law] works at the front desk and she took a break. She stepped out of the building. We know that the shooter actually came in through a back door, a side door, a door away from most of the traffic, and that's it right there, Sky5 captured it earlier. We now know that that is the entrance. The person went in. And, uh, used one of those weapons to break through. We've also created this image in our graphics department. It shows you the campus, and that circle, that red circle, is that door by a gym, by a locker room, and uh, uh, a room not usually used by the school, but used by the church community. So it was a pretty quiet end of the school , and perhaps that's, you know, uh, uh, a reason that that person chose to go through. Um, Um, **something else I have been talking about extensively today, is just the effort that the school went to make sure it was a safe place. They had extensive active shooter training in their back pockets, um, and I did speak to the trainer today who said that he is comforted to know that possibly there was, there was, something done, by teachers, by administrators, to keep the casualty down. It wasn't zero, but keep it down.**" Hannah McDonald – NewsChannel5 Reporter – March 27, 2023.

NewsChannel5 anchor, Ben Hill, also has a close connection to The Covenant School via his wife and her former youth minister, Covenant Pastor Chad Scruggs. Ben Hill, Hannah McDonald, and NewsChannel5 continuously reported breaking “mass shooter” information to the public but no one at NewsChannel5 informed the public about DA Glenn Funk’s family connection to The Covenant School and the John Perry child sex abuse cover-up. To date (July 19, 2023), NewsChannel5 continues to withhold significant information from the public, further endangering more innocent children. Question: If Austin Davis was reported to police as a potential shooter threat in 2008, why was the first “active shooter training” not conducted at The Covenant School until 14 years later in Jan 2022?

“I just wanted to give Hannah a little bit of a break. It’s a lot for her to process. **She’s so closely connected to this** and, uh, it’s stunning. I think we are all just trying to process, and I’ve gotten so many texts from different parents. I’m a parent myself of two and a daughter who’s in a preschool here in Nashville, and this is a parent’s worst nightmare. It’s... it’s... here we are again in this country talking about something like this and it’s just at a spot where you would think it’s, you’re so protected and so safe and that’s what’s so scary for any parent to imagine this, and I can’t imagine the reunification process right down the street at Woodmont Baptist. And uh, **the head pastor at Covenant was my wife’s youth pastor**. And uh, it is a precious church, a precious school, precious children there, and it’s tough. It is, and uh, we’re just going to continue to bring the facts as we know them and as we continue to go through this here. Then the numbers kept getting worse throughout the morning and I think that is what is so tough for all of us to process as we go on and there will be many more questions left after today as we continue to process this. But uh, just praying for all involved and again the response from Metro, so quick. **You know my mother-in-law lives right across the street from Covenant. She heard the gunshots. That’s how closely connected so many people are to this**, and speaking for Hannah, I just can’t even imagine for so many people and so many families in the Covenant Community, and in the church community, the school community, here within Nashville, and beyond, is just so grief-stricken.” Ben Hill – NewsChannel5 – March 27, 2023

Hannah McDonald and NewsChannel5 reported that every effort was made to make The Covenant School a “safe place,” but the school did not have a “dedicated security officer.” About an hour after Nashville Police identified the shooter as former Covenant student, Audrey Hale, News5 reporter Carrie Sharp reported that the church had just raised enough money to hire a “school resource officer.” Question: Was the Covenant community too poor to hire an armed security officer after the 2017 conviction of Austin Davis as a “threat” to The Covenant School?

Carrie Sharp reported: “We did learn that Claire Kopsky, one of our reporters, who talked a gentleman who is in a Bible study here at the church, Covenant Presbyterian... And he says, they just raised enough money at the church to... pay for an SRO at the school, a school resource officer, something we have learned the school did not have... they had a security person, a person who was over security at the school, that was one of the hats they wore at this small private Christian school. They had gone through the active shooter training. They had talked about security policies which obviously they acted on today. But again, Claire Kopsky telling us today that the church had just raised enough money in order to employ a school resource officer. But that had not happened yet here at this school when this mass shooting took place.”

After three children and three adults were brutally murdered, NewsChannel 5 reported that The Covenant School did “everything right” and the church had just “raised enough money” to employ a SRO (school resource officer). ## Financial Update

### AN UPDATE ON THE MORTGAGE PAYOFF DRIVE

Dear Covenant Family,

Greetings to you in this New Year. We are excited to report that because of God’s faithfulness through your generosity, we have reached our goal of raising enough funds to fully pay off Covenant’s outstanding mortgage! Recall that annual debt payments equate to nearly \$600,000 annually. And now as we budget for the next fiscal year (starting in April) we can plan significantly more resources directly for growing Covenant’s impact through our ministry pillars of worship, formation, and mission. Furthermore, December’s tithes were significantly higher than last year’s and close to budget, putting the church in strong financial shape heading into the last few months of the fiscal year.

Thank you for your generosity and faithfulness to God’s call. We pray you share our eagerness to see God’s work this next year both in and through our church family.

Yours in Christ,

The Covenant Finance Committee

Mayor John Cooper, Police Chief John Drake, and many other elected public servants have expressed their concerns about the safety of children in school. Police in Nashville said they have yet to uncover any specific problems that a shooter that killed six people at a Christian school in the city, including three nine year olds, had with the private school that was targeted. “As of right now, we don’t have any indication there was any problems at the school or at home,” Metro Nashville Police Chief John Drake told CNN on Wednesday. “We can’t confirm any type of problems at this time.”

Note: Nashville Police and DA Glenn Funk’s Office falsely prosecuted and wrongfully convicted child sex abuse whistleblower, Austin Davis, as a Sandy Hook style potential shooter threat to The Covenant School to protect the John Perry child sex abuse cover-up. Police Chief John Drake initially stated that the shooter possessed possible “resentment” against The Covenant School, and then he stated there was no indication of the shooter having problems at the school or at home.

Question: Will NewsChannel5 ever ask any hard questions about the lack of an armed Covenant security guard, or the malicious prosecution of an alleged “Sandy Hook” type of mass shooter threat to The Covenant School, or should the name of NewsChannel5 be changed to CovenantChannel5?

Pupils Ages 5 to 10 — Hearts Are Broken, President Says

By JAMES BARRON

A 20-year-old man wearing combat gear and armed with semiautomatic pistols and a semiautomatic rifle killed 26 people — 20 of them children — in an attack in an elementary school in central Connecticut on Friday. Witnesses and officials described a horrific scene as the gunman, with brutal efficiency, chose his victims in two classrooms while other students dove under desks and hid in closets.

Hundreds of terrified parents arrived as their sobbing children were led out of the Sandy Hook

*“We did take steps. We hired a private security guard to come to church on Sunday during worship wearing a uniform and having a marked patrol car. We had a -- had a security survey done of the church. The families of the victims of Sandy Hook were awarded \$1 billion to be paid by Alex Jones and the parent company of InfoWars about four months before the mass shooting at The Covenant School. Question: Will government, private institutions, and/or individuals be held accountable for the vicious “Sandy Hook – mass shooter” lies, the John Perry child sex abuse cover-up, the lack of security to protect six Covenant School murdered victims, the Grant Solomon murder cover-up, and the Steve McNair rigged grand jury cover-up? <https://www.npr.org/2022/12/02/1140349600/alex-jones-bankruptcy>

**JURY AWARDS SANDY HOOK FAMILIES \$965M**

**ALEX JONES TO PAY \$965M IN DEFAMATION TRIAL**

Questions: 1) Did Nashville Police protect all Nashville private schools after the Uvalde school mass shooting, or did police just pretend to protect The Covenant School from falsely accused "Sandy Hook" style shooter threat, Austin Davis? 2) How many Covenant School parents were lied to and deceived by Covenant Leaders, Nashville Police, and DA Glenn Funk prior to the Covenant mass shooting on March 27, 2023?

**shoop.there.it.is** Uvalde was May 24, 2022. This picture is from May 26, 2022. My son's last day of preschool at Covenant. When we arrived at drop off I saw this metro police car parked at the entrance and felt sick. I texted my husband, do we still take him? We did send him because I didn't want to let fear win. He had a joy filled day as always with his best friends and teachers. Truthfully I've never been the same since. I've only posted 3 times since then. I deeply want to share what @covenantknights means to us because it's so much more than a school but I don't have the words yet. I feel paralyzed. How is this still happening? How did this happen at our sweet school? To our son, to our friends, to our community? I am trusting and believing God is still sovereign, still good, still gives us light to overcome this darkness. But I am also broken, anguished for what everyone in that building had to endure, angry that our children's innocence has been robbed from them, and questioning how we go on. Thank you to everyone who has reached out, helped our community, prayed, called government officials, and loved our school well. We see you and we appreciate you even if we don't have the words to respond yet. "Far be it from me to not believe. Even when my eyes can't see. And this mountain that's in front of me will be thrown into the midst of the sea. And through it all my eyes are on You and it is well with my soul. So let go my soul and trust in Him. The waves and wind still know His name"

Question: Have Covenant Leaders, Nashville Metro Government , Nashville Police, DA Glenn Funk, Gov. Bill Lee, and MEDIA taken advantage of the devastation and emotional suffering of Covenant families during a horrific school mass shooting and a continuing child sex abuse cover-up?

*"Deeply saddened to learn of the recent shooting at The Covenant School in Nashville, his Holiness Pope Francis asks you to convey his heartfelt condolences and the assurance of his prayers to all affected by this senseless act of violence," the telegram read. "He joins the entire community in mourning the children and adults who died and commends them to the loving embrace of the Lord Jesus," it said. – Fox News – March 30, 2023*

**Question:** Have Covenant Leaders, Nashville Metro Government , Nashville Police, DA Glenn Funk, Gov. Bill Lee, and MEDIA deceived Sheryl Crow, Kacey Musgraves, Amy Grant, Jason Isbell, Vince Gill, and many other celebrities and professional athletes to support the “Covenant Strong” community during the Covenant-Police child sex abuse cover-up, the brutal murder cover-up of 18-year-old Grant Solomon, and the rigged secret grand jury of murdered Tennessee Titans QB Steve McNair?

Question: Do Amy Grant, Sheryl Crow, Kacey Musgraves, Jason Isbell, Vince Gill, and Covenant School parents know that former Covenant School father, Austin Davis, was concerned about “Guns Come To God’s House” fifteen years before the Covenant mass shooting took place on March 27, 2023?

## **GUNS COME TO GOD'S HOUSE**

**"Safety has been on the minds of many local congregations recently...Some local churches already rely on armed volunteers and off-duty police officers... in case the unthinkable happens."**

**The Tennessean – March 17, 2009**

***"Jay, it is simply stunning what Pastor Jim Bachmann, other pastors, and elders in leadership at Covenant did to my granddaughter's family this past summer. Do you support Pastor Jim Bachmann and the leadership of Covenant who would take such an action in the United States of America during the week before the Fourth of July when we, as Americans, celebrate the freedom of speech and the freedom to worship?... The state does make it a crime for a person or an institution to file a false report with the police against an innocent American citizen.... This is a serious responsibility that should not be taken lightly." Nancy Fleming – February 6, 2009***

Note: Austin Davis requested that Covenant Leadership allow his mother-in-law, Nancy Fleming, to have a Christian funeral service at Covenant. However, Covenant Leadership did not respond to the request.

Despite all the vicious, untrue lies, Austin Davis is not a “Sandy Hook” threat to The Covenant School children, or to any other school children anywhere. During the summer of 2001, Austin Davis created the Covenant School crest. Ginger Hyatt, wife of Covenant Elder Wade Hyatt, brought the crest to life with red and black graphics. The school crest was adopted prior to start of the 2001 inaugural school year in late August or early September. The Covenant School crest and a photo of the 2001 inaugural class are below.

On Sept 11, 2001, about a week after the inaugural school year began, a devastating surprise attack was launched against the United States of America. The 1<sup>st</sup> grade daughter of Austin Davis was a member of the 2001 inaugural class, along with a “gentle” kindergarten student named Audrey Hale.

Audrey Hale was a kindergarten student in this inaugural 2001 school photograph.

Twenty-two years later, wrongfully convicted mass shooter threat, Austin Davis, was the number one shooter suspect behind closed doors with DA Glenn Funk and Nashville Police. Police recordings reveal a “male in camo” was the first person identified as the active shooter within The Covenant School. The daughter of Austin Davis, a former 27-year old Covenant School student, was falsely accused as the possible shooter later in the day by individuals via social media and word of mouth. It is also rumored that law enforcement and/or news organizations discussed Austin Davis and the daughter of Austin Davis as the possible shooter suspects.

Put “ here lies the male bastard **Austin Davis** who was a child murderer. May He burn in Hell for eternity” on the gravestone. That way he will never be what he wanted to be.

On Sept 11, 2017, the 16<sup>th</sup> anniversary of the 9/11 attack on America, Nashville Police and DA Glenn Funk wrongfully prosecuted Austin Davis on behalf of The Covenant School and Covenant Presbyterian Church. Austin Davis was wrongfully prosecuted to protect the John Perry child sex abuse cover-up which is still ongoing in July 2023. Austin Davis wishes to thank three American citizens who spoke out on behalf of Austin and/or Daisy Davis: 1) Mr. Wade Burleson for his defense of the Davis family with CNN; 2) Mr. Eric Bonetti for his truthful “Urgent” report at the Anglican Watch on March 29, 2023. 3) Lindsay @ bhambluedot.

This is incorrect...**Daisy Davis** is the shooter

Twitter Social Media Post

We just learned from a fellow blogger that CNN may have erroneously reported the name of the Covenant shooter as Daisy Davis. That is inaccurate. **We cannot emphasize enough that neither Daisy nor Austin Davis were in any way involved in the shooting. Any assertion to the contrary is absolutely false and we call upon media outlets that may have reported this information to correct it immediately.**

Austin and his family have suffered more than enough trauma thanks to misconduct at Covenant. They did not need to be further injured by an already horrific incident in which Covenant and the Nashville police department have behaved abysmally.

Question: Have Covenant School families been informed the truth about the John Perry child sex abuse cover-up which was already in progress during the 2001 inaugural year of The Covenant School?

Hello Austin, Catherine, and Daisy,

My name is Justin Rohrlich and I am a reporter with The Daily Beast in NYC. We have been covering the Covenant School shooting, and would be very interested in speaking with you about the abuse, malfeasance, and harassment detailed in your 2013/2014 lawsuits. My colleague (cc'ed here) and I are also curious if you ever crossed paths with Audrey Hale during your time investigating the abuse allegations? (A relative of Hale's told us that Hale was interviewed as part of some sort of internal investigation, but that it was swept under the rug by Covenant and never prosecuted.)

Would you be available for a phone call today? I can be reached by return email or at 917-redacted.

Respectfully,

The Covenant School and Covenant Presbyterian Church do not want the “manifesto, writings, or evidence” of Audrey Hale to be released to the American public. The Covenant School and Covenant Presbyterian Church also do not want scrutiny of school-church records, employee records, or board minutes. From 2013 – 2016, Attorney Autumn Gentry represented Covenant Presbyterian Church vs. the Austin Davis family in three child sex abuse cover-up lawsuits. Attorney Chip Campbell, the former Covenant School board chairman, represented the Nashville Presbytery, which includes Covenant Presbyterian Church. Chip Campbell’s father, Dr. Bill Campbell, was the Head of Covenant School from 2004-2008. Presently, Autumn Gentry has now moved over to represent The Covenant School instead of Covenant Presbyterian Church as the John Perry child sex abuse cover-up continues in July 2023.

Dear Duncan:

Pursuant to Tenn. R. Civ. P. 11.03(1)(a), I am serving you this letter and accompanying Rule 11 Motion for Sanctions and Memorandum of Law. As fully explained in the enclosed Motion and Memorandum, I believe that your claims against my clients, Covenant Presbyterian Church of Nashville (“Covenant”) and Pastor Bachmann, are completely without merit, and were filed for an improper purpose.

If you voluntarily dismiss the claims against Covenant and Pastor Bachmann, we will not file the Rule 11 Motion with the court. However, if you have not dismissed the claims against Covenant and Pastor Bachmann within 21 days from today (the date of service), we will file the Motion for Sanctions pursuant to Tenn. R. Civ. P. 11(1)(a), along with a Motion to Dismiss.

I hope that you will agree to drop these claims so that we can avoid further action.

Very truly yours,

Nader Baydoun also wrote a book entitled A Rush To Injustice about the malicious prosecution of the Duke Lacrosse players. **11 years before mass shooting.**

Dear Mr. Baydoun:

A Nashville attorney friend suggested I contact you. In addition to my friend's referral, I reviewed your web site to discover that Stephen Knight also works with you. Mr. Knight and his family live three doors down from my house and my wife is friends with his wife.

I know your time is valuable so here are some factors involved in my family's circumstance:

1. The case involves Covenant Presbyterian Church where I was a member for 20 years and served as a church officer.
2. Threats, intimidation, a planned assault and harassment utilizing Metro Police were initiated against my family (and private residence) on June 28, 2008 via U.S. Mail.
3. The police harassment was initiated to destroy my credibility to take focus away from the molestation of an 11-year old girl and also a "safe house" where other vulnerable children were placed.
4. The community harassment extended towards my family has been on-going, directed at women and minors, and involves Covenant members other than church leadership.
5. Many Covenant Leaders were made aware of the "child molestation" and the "use of police against my family" cover-up / connection several weeks ago. Even though some members of Covenant leadership are now very well informed about the "child molestation" cover-up, none of them have responded to my communication of August 24, 2012.
6. Appeals are being made to the appropriate law-enforcement authorities.

I hope the information above is helpful. I look forward to hearing from you soon.

Best,

Austin Davis

Even in the aftermath of the Covenant mass shooting, as the John Perry child sex abuse cover-up continues, individuals, institutions, law enforcement, judges and government, are still spreading lies and false information about child sex abuse whistleblower, Austin Davis. *See Twitter social media posts below.*

Everyone in Nashville knows Austin Davis is a crazy person and his outrageous claims have been discredited numerous times. He's had motion after motion thrown out of court. All of these claims are complete nonsense

Anonymous Twitter troll crying for proof is quite ironic. You can think what you want. Anyone in Nashville who knows Austin or is connected to any of these organizations knows his claims are baseless and the court system has rejected him time and time again.

Citing a link to a bogus timeline fabricated by a nut as fact. This would be like citing Star Wars as proof of aliens. It's impossible to disprove something that is made up as there are no facts because it never happened. You don't know any of these people. I know many of them

The person perpetrating that claim is an absolute nut and it's complete BS

President Biden, Trump Special Prosecutor Jack Smith, GOP Presidential Candidate John Kasich, and President Trump also have connections to the John Perry child sex abuse cover-up and the Covenant School mass shooting on March 27, 2023.

Former Republican Governor of Ohio John Kasich joins Ana Cabrera and NBC's Vaughn Hillyard and Gabe Gutierrez to break down the 2024 candidates' reaction to Trump's latest legal troubles.

Former Ohio governor and 2016 Republican presidential candidate John Kasich said Tuesday he's "proud" of decisions he's made to publicly disavow former President Trump in the past and called on 2024 GOP presidential candidates to have the courage to do the same.

As of July 19, 2023, GOP Presidential Candidate John Kasich has not followed up with Austin Davis.

A month after former Middle TN U.S. Attorney Jack Smith resigned in Sept 2017, MBA Headmaster Brad Gioia reported Austin Davis to DA Glenn Funk and Nashville Police which protected the John Perry child sex abuse cover-up, the alleged gang rapes of a 6<sup>th</sup> grade student at Brentwood Academy, the Darlington School child sex abuse cover-up, and the alleged child sex abuse cover-ups within the Nashville Public School system. As a result of Brad Gioia's false report to DA Glenn Funk and Nashville Police, Austin Davis was arrested in retaliation and jailed for 18 days prior to appearing before Judge Cheryl Blackburn.

<https://www.keepandshare.com/doc15/22554/2018-1b-april-6-brad-gioia-austin-davis-sworn-court-testimony?da=y>

Greg King: Yes. And there weren't any issues there?

Brad Gioia: No. But I would like to add that there were concerns because his engagement with both the Harpeth Hall Community and Covenant Church was well known, and a number of people on the campus expressed their concern about how they felt he had intruded on the lives of those campuses.

Greg King: Okay. All right. And so, when you received the October email, the February 7 and February 9 emails, you considered them as veiled threats, did you think there could be some imminent threat of harm or injury when you received those?

Brad Gioia: Well, I certainly had that feeling directly from a number of phone calls I received.

Greg King: Mr. Davis, you expressed your desire to testify. Is there anything you would like to add to this hearing.

Austin Davis: Yeah. I was trying to communicate to people about a child sex abuse cover-up and its connection to the rape of a, an alleged rape of a sixth grade student... I'm not trying to scare anybody. I haven't threatened anybody in the emails or anything. I mean people can turn me into a monster and a threat, but I basically have been looking after the protection of kids... There's a molester living on Belle Meade Boulevard about twelve doors away from -- ... She's asking me why, because I don't want to be shackled on that issue.

Judge Cheryl Blackburn: Okay. Well. You're going to be shackled on that issue, one way or another, and that would be me telling you something or I'm going to put you in jail again."

Austin Davis: So the state wants us not, the citizens not talk about child sex abuse if we know where a molester is?... It's called First Amendment freedom of speech. You just have a right to speech.

Judge Blackburn: Well, in this particular issue, you don't have a First Amendment freedom of speech.

Austin Davis: I think they can create any kind of threat they want if they've got something they're hiding, and I think that's what they're doing.

General Harris: So you think that Mr. Gioia is now hiding something?

Austin Davis: Yeah, I do.

General Harris: Along with everyone else at MBA?

Austin Davis: Not everyone at MBA. Just some like Mr. Gioia. Yeah, him personally...

2                       I was a fairly new elder at the time and  
3       I just attended. I went just to hear things. And I  
4       distinctly remember more than one young mother asking  
5       the question, can the church guarantee the safety of  
6       my children if we bring them here to church and  
7       Sunday school because they had gotten these e-mails  
8       from Mr. Davis. We did take steps. We hired a  
9       private security guard to come to church on Sunday  
10      morning during worship wearing a uniform and having a  
11      marked patrol car.

12                      We had a -- had a security survey done  
13      of the church. People came and walked the church  
14      with some of the deacons and advised us on various  
15      steps we could take to make the church more secure  
16      from that kind of -- that kind of activity. So  
17      that's what I recall particularly. But from time to  
18      time people have been upset an disturbed from some of  
19      the e-mails that they get from Mr. Davis.

20                      Q. I understand. And to go from I guess  
21      late 20 -- it would have been early 2014 to late  
22      2013; is that correct, Mr. Bryant, when that meeting  
23      was held?

24                      A. That meeting was in February of 2013 as  
25      I recall.

MBA Father John Bryant provided sworn testimony that private security was solely focused on former Covenant Deacon and MBA father, Austin Davis.

1           Q.    Okay.  And so from February 2013 up  
2   until November of 2015, had those -- was the private  
3   security service still at the church every sound  
4   during the service?

5           A.    I believe he was.

6           Q.    Okay.  And were the -- to your  
7   knowledge, the security recommendations made by the  
8   security consultant regarding doors and other things  
9   they recommended, were those protocols still being  
10  followed up to that point?

11          A.    Yes, they were still in effect as far as  
12  I know.

13          Q.    Was -- do any other person beside Austin  
14  Davis if those security measures were taken to  
15  protect the church from to your knowledge?

16          A.    No.

MBA Father John Bryant provided sworn testimony that parents in the Covenant community were concerned that Austin Davis was capable of a mass shooting like the one that occurred at Sandy Hook Elementary School.

89

1 I was -- I was involved in this, this was early 2013,  
2 Mr. Davis stepped up his e-mail campaign against the  
3 church. And he sent a series of e-mails to our  
4 membership, congregation membership, also to  
5 employees of the school. We have a kindergarten  
6 through sixth grade school. It's a private school  
7 the church runs as a ministry. And the tone and  
8 content of these e-mails alarmed people. And I think  
9 in fairness part of that alarm was because that just  
10 in December of 2012 was the shooting of the school  
11 children at the Sandy Hook Elementary School in  
12 Connecticut by a man named Adam Lanza which was all  
13 over the news, it was a horrible thing. And think it  
14 was fresh in everybody's mind at the time.

15 So Mr. Davis send a number of these  
16 e-mails and people read those and became very  
17 concerned that Mr. Davis who most of them did not  
18 even know, but they kept getting e-mails from him,  
19 was capable of something like this. So we had a  
20 meeting at the church. It was an informational  
21 meeting. It was conducted one Sunday afternoon at  
22 2 o'clock following worship services in the morning  
23 and people were invited. Anybody who was concerned  
24 and wanted to have information and some of the  
25 deacons and the elders of the church were there. I

The Secret Service did not consider Austin Davis to be a “Sandy Hook” type of mass shooter threat during the 2000 Bush vs. Gore Presidential election.

Dear MBA community:

This morning we received an email from a former parent. His concerns seem entirely unrelated to MBA, but he has caused some worry and consternation in the community because he addressed the events of tonight's game. I am sorry that our email list was inappropriately used.

I have contacted MBA security as well as Metro police. I have asked the police not to allow this parent on campus. Again, I apologize for this problem and regret that we have become associated with these unfortunate events.

Sincerely, Bradford Gioia, Headmaster

Dear Speaker Sexton: I am informed Grant Solomon's grave has been vandalized. In response, I wish to remind you that the House of Representatives has a constitutional duty to impeach Gov. **Subject:** Out of Office Re: Covenant - Brad Gioia - 20 Child Sex Abuse Survivors

Thank you for your email. I am away from my office while we are on Spring Break and will be responding to emails once I return on Monday, March 20.

Questions: 1) Has Covenant School Director of Finance and Human Resources, Beth Gammons, informed the Covenant School parents about the Covenant-Police-MBA-Harpeth Hall child sex abuse cover-up? 2) Why did Beth Gammons choose not to disclose in her own sworn declaration that Audrey Hale was a Covenant School classmate with her daughter, or that her husband, Barry Gammons, is the collections attorney for Covenant Presbyterian Church who garnished the wages of Mrs. Austin "Catherine" Davis during the on-going child sex abuse cover-up? 3) Does Covenant member and Covenant School employee, Beth Gammons, know what kind of "heinous sin" or "sex claim" was alleged against Pastor Jim Bachmann?

**I, Beth Gammons, make the following statements upon personal knowledge:**

1. I am the Director of Finance and Human Resources at the Covenant School. I have worked in various roles for the Covenant School for twenty-one (21) years.
2. Creating an environment where our students feel safe, secure and loved has always been something the Covenant School has worked incredibly hard to create. We believed that we had created a safe, loving environment that made our school special and unique. All of that was changed on March 27, 2023.
7. The shooter was a former student at the Covenant School. As such, she attended school at our building and gained access to information about our school. The news stories say that these writings contain things such as maps of our school including locations of our entrance and exit points, locations of our classrooms, and other details to which the general public may not have had access. If this information is made public, it will have an extremely detrimental effect on our ability to keep our school safe and will further impede our efforts to bring back any sense of safety and security to our community.

Graham Hillard is a former adult Sunday School teacher at Covenant Presbyterian Church, and the husband of Covenant School fifth and sixth grade teacher, Mary Hillard. Graham and Mary Hillard are also Covenant School parents. Graham Hillard wrote an article for National Review about Audrey Hale shooting a stained glass window in the Covenant Sanctuary. Question: Do Graham and Mary Hillard know what kind of “heinous sin” or “sex claim” was alleged against Pastor Jim Bachmann?

Graham, I am told you are teaching the Westminster class at Covenant? Covenant Leaders, Guest Preachers and teachers should read the Scheduling Order from Judge Jones which allows witnesses to be deposed in a Covenant-related child sex abuse lawsuit. If you ever want to get a cup of coffee, I will share information on the Covenant child-molesters and others who are now related to the Covenant cover-up issue? Or you and others can remain inside the massive institutional cover-up effort. Best, Austin 615-999-8190

Graham Hillard reported that Audrey Hale shot the “Adam” stained glass window with seven bullets. If Audrey Hale shot “The Creation” window which included Eve and the first animals, it would mean she walked into the sanctuary and shot the first stained glass window on the left of the sanctuary (unless there is another stained glass window of Adam alone?). *Questions:* 1) Did Audrey Hale shoot “The Creation” window below? 2) If this information is true, why have Nashville Police, DA Glenn Funk and corporate owned news organizations withheld this information from the American people?

The Creation Window

Audrey Hale – Aiden (name on rifle)

Question: If Audrey Hale’s “manifesto, writings, and evidence” was a “blueprint” to inflict maximum casualties, why did Audrey Hale spare the playground children and the morning chapel service when over 200+ students, 40+ faculty, and parent-guests gather in the church sanctuary?

Nashville Police Chief John Drake said the school shooter was “prepared to do more harm.” A high level police authority was cited by Nashville Metro Council Member Courtney Johnson as saying the manifesto was “detailed” and a “blueprint for total destruction.” Question: If Audrey Hale was prepared to do more harm, why didn’t she walk to the playground filled with children which was directly in front of her car in the photograph below?

Question: If Audrey Hale was prepared to do more harm, why didn't she arrive during the 8:00 Covenant Chapel service with possibly 200+ students, 40+staff, family members, and other guests gathered in the church sanctuary prior to the mass shooting?

Audrey Hale

Covenant School father, Travis Lamb, has also wondered why Audrey Hale did not attack the playground filled with children: *"I've thought about that one I don't know how many times... It seems the 28-year-old mass murderer had a plan in mind, and she stuck to that plan."*

Subject: Covenant School Authorities

Dear Chris:

The number one priority of any school should be the care and protection of students. School authorities are responsible for protecting children from molesters, predators, bullying and harassment. School authorities are derelict in duty when they conceal a confessed child molester by attacking an innocent family with Metro Police as was done to my family beginning in 2008.

Here is a video of children presently under the care and protection of Jim Bachmann, Chip Campbell, and other Covenant authorities: <https://www.youtube.com/watch?v=8NhlyZRhTf0>

Also, here is an audio link to Judge Carol Solomon's recusal hearing: <https://soundcloud.com/valglenn18/judge-solomon-recusal-hearing>

I am alone in this six-year battle without the assistance of Metro Police. I hope you and your family have a blessed Easter.

Best,  
Austin

Question: Is the “Covenant Sanctuary Guide” part of the detailed maps included in the “manifesto, writings, or evidence” left behind by Audrey Hale? The Silent Bell easily obtained these internet screenshots from the “Sanctuary Guide” still made available by Covenant Presbyterian Church after the mass shooting at The Covenant School.

Still want more information on the sanctuary, including detailed descriptions of the stain-glass windows?

FULL SANCTUARY GUIDE

## Sanctuary

Covenant's sanctuary is arranged in a cruciform (cross-shaped) plan following a tradition established early in Christianity's history. When the people come together in worship in the building, they are gathered in the shape of a cross. This symbolizes that Christians are called to become Christ-like, taking up their cross and following Him. The area of the church that forms the long arm of the cross is referred to as the nave, the top arm is the chancel (or choir), and the side arms are the transepts. These areas all come together in the crossing.

Approximately 100 Covenant School families are represented by Sherrard, Roe, Voigt and Harbison. These families do not want the “*manifesto, writings, or evidence*” of Audrey Hale to be released to the American public. Question: Has Sherrard, Roe, Voigt and Harbison provided Covenant-Police-MBA-Harpeth Hall child sex abuse cover-up information to the Covenant School families?

**Covenant parents don't want shooter's writings released** – by Brittney Baird, Stephanie Langston – Posted May 17, 2023 – WKRN TV

For the first time, parents from [The Covenant School](#) are collectively making their stance known. In a strongly worded filing, parents stated they do not want the Covenant shooter's writings to be released to the public.

The parents have requested a judge to hear their plea before making a decision on the shooter's so-called "manifesto."

The briefing was filed on behalf of the three families who lost children in the shooting and families of surviving children.

The filing described a "pain that no words can adequately describe" and an "unimaginable nightmare" while noting the surviving children's sense of safety has been forever altered.

"No one was more traumatized, or has suffered more, than the families of the victims and survivors of the Covenant school atrocity. No one. And no one can claim a remotely similar interest in whether the writings of the shooter be released."

In sworn declarations, one Covenant School parent cited under-age sexual assault “*privacy*” rights as a reason to prohibit release of the shooter’s “*manifesto, writings or evidence.*” Other Covenant School parents also expressed reasons for prohibiting release of the information. Question: Are sworn declaration references about a “*cover-up or conspiracy*” related to lies and false information provided to Covenant School parents by the Nashville Police and the TN Criminal Appellate Court Opinion written by Judge Alan E. Glenn?

18. We have laws that protect the innocence of under-age victims of sexual assault.
19. Why does it seem so controversial to desire the protection of our kids from these writings?

28. There is nothing in the journals to satisfy the yearning, overactive minds of the conspiracy theorists.

29. If there were any hint of a cover-up or conspiracy resulting in our children’s murders, would not the parents of the dead children cry out the loudest for the release of these documents?

30. And yet, we collectively desire the complete opposite because we know there is nothing to be discovered.

52. Instead, we believe the proper response from this tragedy is the following:
  - a. Refuse to give in to rumor-mongering and conspiracy thinking. In a broken world like ours, evil does not need gossip or lies to aid its misdeeds.

matter legally. The Defendant apparently believes that the Metro Nashville Police Department and other municipal, state, and federal governmental officials are involved in a vast conspiracy and coverup because, according to the Defendant, law enforcement officers to whom he reported the abuse falsely informed him that the statute of limitations for criminal prosecution of the abuser had run.

Fact: Police lied. The statute of limitations has **not** expired in Tennessee, or under the Federal Mann Act.

Approximately 100 Covenant School families do not want the “manifesto, writings, or evidence” of Audrey Hale to be released. Apparently, Audrey Hale’s parents also do not want the “manifesto, writings, or evidence” to be released. Attorney David Raybin filed the “transfer of legal and equitable title” with the Davidson County Chancery Court on June 14, 2023.

“The parents of the Covenant School shooter have transferred all rights to the shooter's writings to the Covenant victims. In the filing, the writings — still in possession of the Metro Nashville Police Department — would go into the newly established Covenant Children's Trust. Covenant parent Brent Leatherwood would serve as the trustee over the account. Leatherwood has talked about his experiences as a parent at the school. His children survived the shooting, but Leatherwood says the entire Covenant community was impacted.” NewsChannel5 – June 14, 2023

Attorney David Raybin has known child sex abuse whistleblower, Austin Davis, since 1998. Austin Davis coached David Raybin's son twenty-five years ago at The Ensworth School. In 2008, Austin Davis occasionally saw David Raybin at Starbucks in the Downtown Fifth Third Center. Austin Davis shared with David Raybin how Covenant Presbyterian Church had used a secret armed security unit and Nashville Police to ban, silence and intimidate him without legal justification. In 2008, Austin Davis was asking questions about the safety of children placed in John Perry's "safe house." However, Austin Davis did not know about the child sex abuse cover-up until 2012. In March 2020, three years prior to the Covenant mass shooting, Austin Davis provided information to David Raybin's son about the Covenant child sex abuse cover-up, and the malicious prosecution of Austin Davis by Nashville Police and DA Glenn Funk. Unfortunately, Austin Davis was defamed, falsely criminalized, financially destroyed and was unable to hire David Raybin's son to represent him in his criminal appeal to the Tennessee higher courts. *(Note: In the State of Tennessee vs. Austin Davis criminal appellate case, the best lawyer in the world would not have mattered. The criminal system was rigged against Austin Davis to protect child-molester, John Perry.)*

On November 18, 2021, this Court denied the application for permission to appeal filed by Willie Austin Davis. On November 29, 2021, Mr. Davis filed a petition to rehear pursuant to Tenn. R. Ben, attached is my sworn testimony about Sgt. Solomon Holley who was paid to participate in my false retaliation arrest, and also served on Judge Cheryl Blackburn's secret grand jury that indicted me. Asst. DA Chandler Harris left the DA's office after Judge Blackburn held the new trial hearing and Mr. Harris now works for Mullen Coughlin in Philadelphia, PA.

Also, I attached my sworn "*extension motion*" which has additional information about the integrity of grand juries. I'm not certain how to bring this issue up with the Appellate Court but I am very concerned about Attorney General Herbert Slatery's Office who is now prosecuting me at the Appellate Level. My wife and I pleaded with Gov. Haslam and Mr. Slatery after we learned about the child sex abuse but they supported Covenant Presbyterian Church instead of investigating the child-molester's "*safe house*" or protecting vulnerable children. Mr. Slatery actually went to Covenant and spoke in support of Covenant Leadership after we filed our first child sex abuse cover-up lawsuit in June 2013: <https://soundcloud.com/valglenn18/herbert-slatery-speech> It is my understanding that prosecutors should not be prosecuting citizens if they have exculpatory information or know a citizen is innocent?

Thanks for taking a look. I hope you have a safe and healthy "*quarantined*" weekend.

Best,  
Austin

Nashville Metro Legal Director Wallace Dietz supports the intervening motion of Covenant Presbyterian Church and The Covenant School to prohibit release of the “*manifesto, writings, and evidence*” left behind by Audrey Hale. Question: Does Wallace Dietz know about Sgt. Solomon Holley, two rigged secret grand juries, and the malicious prosecution of Austin Davis to protect the John Perry child sex abuse cover-up?

This week, Metro Nashville’s lawyers deliberately attempted to slow down court proceedings on the [lawsuit](#) seeking the release of the Covenant Killer’s manifesto and related documents. Such delay tactics raise an important question: Is the city government colluding with the Covenant Presbyterian School and families of the private Christian elementary school to keep the records from the public?

Metropolitan Government of Nashville and Davidson County Director of Law Wally Dietz [told reporters](#) on Monday that his team worked to give a “bit of a pause” to the legal proceedings so that the Covenant Presbyterian School and families would have time to have their rights represented in the lawsuit. Dietz said the legal department didn’t think the city had legal standing to assert “certain rights” for the school and the families.

“So the only thing we tried to do was to take a little bit of a pause so that they could come in and hire lawyers if they wanted, and they did, and then have the lawyers represent their case to the court,” he said. “We believe that was appropriate and we will defend that decision.”

Questions: 1) Does Wallace Dietz remember his childhood friend and classmate, Austin Davis, from Eakin Elementary School and West End Jr. High School? 2) Was Austin Davis a “mass shooter” threat at Eakin and West End?

The transfer of legal and equitable title of Audrey Hale's "manifesto, writings, or evidence" to the Covenant Children's Trust apparently includes the ownership of Audrey Hale's name, image, or likeness for commercial purposes in relation to the events that took place at The Covenant School. See item 6 in the "assignment and transfer" document pertaining to the Children's Trust Fund administered by Trustee Brent Leatherwood.

Intellectual Property Rights, for the express purpose of preventing harm to the Children including preventing dissemination of the writings and to pursue all legal rights and remedies available at law to recover damages on behalf of the Children for the harm they will suffer.

2. State that the name of the trust created by this assignment and transfer shall be the "Covenant Children's Trust,"

3. Appoint Brent Leatherwood as the representative of the Parents in the legal proceedings as the initial trustee of the Covenant Children's Trust.

4. Establish that Mr. Leatherwood shall serve as trustee until such time as he shall voluntarily resign and appoint a successor trustee or be replaced as trustee by a writing signed by a majority of the Parents.

5. Provide assurances that they will take all steps necessary to effectuate full and complete transfer of the Writings, including executing such other documents as beneficiaries or executors of the estate that may reasonably be necessary to transfer, register, and/or record any of the Intellectual Property Rights conveyed herein.

6. Assign and license (or upon probate of the estate will assign and license) to the Covenant Children's Trust such rights under the Tennessee Personal Rights Protection Act, (T.C.A. Section 47-25-1101 – 1108) that may be needed by the trust to prevent and remedy the unauthorized use of Ms. Hale's name, image, or likeness for commercial purposes in relation to the events that took place at the Covenant School.

"A relative of Hale's told us that Hale was interviewed as part of some sort of internal investigation, but that it was swept under the rug by Covenant and never prosecuted." Two Daily Beast reporters confirmed this email message by phone during a follow-up call about John Perry with Austin Davis on March 29, 2023.

Clay Travis - Outkick

Clay Travis has at least one strong *“business and friendship”* connection to the Covenant community. Clay Travis also wants the *“manifesto, writings, or evidence”* to be released.

*“A relative of Hale’s told us that Hale was interviewed as part of some sort of internal investigation, but that it was swept under the rug by Covenant and never prosecuted.”* Two Daily Beast reporters confirmed this email message by phone during a follow-up call about John Perry with Austin Davis on March 29, 2023.

Austin Davis and a concerned mother provided information to Clay Travis about the John Perry child sex abuse cover-up, the brutal murder of 18-year old Grant Solomon, and the rigged secret grand jury of Tennessee Titans QB Steve McNair.

Hi Clay, My name is redacted, a concerned Mom from the Nashville area. I am with a growing group of concerned mothers that are alarmed about the cover up at The Covenant School and Covenant. There is new information on this website and we are wondering why Covenant leaders and police are not informing the Covenant school parents and other mother's in our community. One 18 yr old student in a connected cover up case has already been brutally murdered, and we refuse to stand by and let our kids be in danger. Please see the website below...

Austin Davis remains hopeful that that Speaker Cameron Sexton, Rep. Justin Jones, Rep. Gloria Johnson, Rep. Justin Pearson, or Clay Travis will provide Covenant School mother, Elaine Eisinger, and/or Covenant member, Sam Savage, and/or the American people, with truthful information about the John Perry child sex abuse cover-up and other public corruption in the state of Tennessee.

**Covenant School parents push for gun reform legislation ahead of special session** – by Tori Gessner – May 9, 2023 – WKRN TV - “Eisinger has worked in the Tennessee State Legislature for a decade and is leading the charge in working with lawmakers and other groups in a non-partisan push for gun reform.”

**Rush Limbaugh’s Radio Show to Be Taken Over by Clay Travis and Buck Sexton** – By Anne Steele – May 27, 2021 – WSJ Exclusive – **Maybe Clay Travis will tell the American people?**

America is divided over the release of Audrey Hale's "manifesto, writings, or evidence", and can no longer seem to unite on any single issue.

*"But Jesus knew their thoughts, and said to them: 'Every kingdom divided against itself is brought to desolation, and every city or house divided against itself will not stand.'" Matthew 12:25.*

History teaches the inability of a nation to unite brings on destruction and desolation. Shelby Foote, a long-time friend of Austin Davis, was an expert on the Civil War and a disunited America. Shelby Foote was a long-time friend of Nobel Prize winner, William Faulkner. Question: Are Americans still able to unite on ensuring the safety of innocent children while discovering the truth about Audrey Hale's motive for brutally murdering three innocent 9-year-old children, and three adults?

The Civil War – Shelby Foote

William Faulkner

The Civil War defined us as what we are and it opened us to being what we became, good and bad things... It was the crossroads of our being, and it was a hell of a crossroads.

I've never known, at least a modern historical instance, where the truth wasn't superior to distortion in every way.

Question: 1) Do Covenant School parents know what happened to Audrey Hale that transformed her from a “gentle” little girl into a Frankenstein mass shooter brutal killer?

*“My family doesn’t know what I’m about to do. One day this will make more sense. I’ve left more than enough evidence behind. But something bad is about to happen. Forgive me.”* Audrey Hale – Former Covenant School Student – March 27, 2023

*“A relative of Hale’s told us that Hale was interviewed as part of some sort of internal investigation, but that it was swept under the rug by Covenant and never prosecuted.”* Two Daily Beast reporters confirmed this email message by phone during a follow-up call with Austin Davis on March 29, 2023.
