Dear Mr. Rutherford:

The Metropolitan Area Task Force (MATF), has concluded its first year of operation. We feel that the MATF has made some significant inroads into the drug problem in the Washington area.

I would like to thank you for your continued support and bring to your attention the outstanding job your two men, Matthew Fogg and Warren Carroll, have done. The Fugitive Group under the supervision of Matt Fogg and his predecessor, Tony Perez, has apprehended over fifty-four (54) fugitives. I have recommended Matt Fogg for the Council of Government's "Outstanding Law Enforcement Officer" award and the group for the "Outstanding Law Enforcement Group" award. I truly believe that their accomplishments are noteworthy and deserve this recognition.

We have recently reorganized several MATF groups and the fugitive group has combined with Enforcement Group 31. Matt Fogg will continue to supervise the Fugitive Group. This change will give him access to additional manpower and clerical support.

If you should have any questions please call me. I look forward to a strong working relationship between the U.S. Marshal Service and the Drug Enforcement Administration for years to come.

Sincerely,

Peter F. Gruden  
Special Agent-in-Charge
