# LOCAL VENDOR PREFERENCE

## Definitions

**Local Davie Vendor-**a “local Davie vendor” shall mean a person or business entity which has maintained a permanent place of business with full-time employees within the Town limits for a minimum of six months prior to the date of issuance of a bid or proposal solicitation. The permanent place of business **may not** be a post office box or a residence. The business location must actually distribute goods or services from that location. In addition, the business must have a current business tax receipt from the Town of Davie and have an address that the U.S. Postal Service recognizes as being a Davie address to be eligible.

**Local Broward County Vendor-** a “local Davie vendor” shall mean a person or business entity which has maintained a permanent place of business with full-time employees within the Broward County limits for a minimum of six months prior to the date of issuance of a bid or proposal solicitation. The permanent place of business **may not** be a post office box or a residence. The business location must actually distribute goods or services from that location. In addition, the business must have a current business tax receipt from the Broward County or the city within Broward County where the business resides and have an address that the U.S. Postal Service recognizes as being a Broward County address to be eligible.

**Bid-** A bid shall be any competitive solicitation by specification officially posted by the Town of Davie Purchasing staff on the Town’s website where the award is determined by price.

**Proposal-**a proposal shall be any competitive solicitation by Request for Proposal (RFP) officially posted by the Town of Davie purchasing staff on the Town’s website where the award is determined by qualifications.

## Process

a) **Competitive Bid-** For bid evaluation purposes, vendors that meet the definition of “local Davie vendor” as detailed above shall be given a 5% evaluation credit. This shall mean that if a “local Davie vendor” submits a bid/quote that is within 5% of the lowest price submitted by any vendor, the “local Davie vendor” shall have an option to submit another bid which is at least 1% lower than the lowest responsive bid/quote. If the “local Davie vendor”

submits a bid which is at least 1% lower than that lowest responsive bid/quote, then the award will go to the “local Davie vendor”. If not, the award will be made to the vendor that submits the lowest responsive bid/quote. **If the lowest responsive and responsible bidder IS a “local Davie vendor”, the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.**

For bid evaluation purposes, vendors that meet the definition of “local Broward County vendor” as detailed above shall be given a 2.5% evaluation credit. This shall mean that if a “local Broward County vendor” submits a bid/quote that is within 2.5% of the lowest price submitted by any vendor, the “local Broward County vendor” shall have an option to submit another bid which is at least 1% lower than the lowest responsive bid/quote. If the “local Broward County vendor” submits a bid which is at least 1% lower than that lowest responsive bid/quote, then the award will go to the “local Broward County vendor”. If not, the award will be made to the vendor that submits the lowest responsive bid/quote. **If the lowest responsive and responsible bidder IS a “local Davie vendor”, the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.**

If there is a “local Davie vendor” and a “local Broward County vendor” participating in the same bid solicitation and both vendors qualify to submit a second bid as detailed above, the “local Davie vendor” will be given first option. If the “local Davie vendor” cannot beat the lowest bid received by at least 1%, an opportunity will be given to the “local Broward County vendor”. If the “local Broward County vendor” cannot beat the lowest bid by at least 1%, then the bid will be awarded to the lowest bidder regardless of geographic location of the business.

If multiple “local Davie vendors” submit bids/quotes which are within 5% of the lowest bid/quote, then all vendors will be asked to submit a “best and final offer (BAFO)”. The award will be made to the “local Davie vendor” submitting the lowest BAFO providing that that BAFO is at least 1% lower than the lowest bid/quote received in the original solicitation. If no “local Davie vendor” can beat the lowest bid/quote by at least 1%, then the process will be repeated with all “local Broward County vendors” who have submitted a bid/quote which is within 2.5% of the lowest bid/quote. If no “local Davie vendor” and no “local Broward County vendor” can submit a BAFO that is at least 1% lower than the lowest bid/quote submitted in the original solicitation, the award will be made to the lowest responsive bidder regardless of geographic location of the business.

**b) Competitive Proposal-** For evaluation purposes, “local Davie vendor” and “local Broward County vendor” shall be a criterion for award in any Request For Proposal unless specifically exempted by the Town Administrator or the Town Council.

**c) Exceptions**

1. No "local vendor" preference will be included in any competitive solicitation where the Town is the lead agency for the Southeast Florida Cooperative Purchasing Group.
2. Utilization of a State or other agency contract.
3. State or Federal law prohibits the use of local preference.
4. The work is funded in whole or in part by a governmental entity where the laws, rules, regulations or policies prohibit the use of local preferences.
5. Sole source or single source purchases.
6. The "local vendor" is either non-responsive or non-responsible.
7. All bids submitted exceed the budget amount for the project.
8. Emergency purchases.
9. The Town Administrator and/or the Town Council may exempt any competitive solicitation from the local vendor preference.

The Town's Notices of Intent to Award are posted on the Town of Davie website.

If the Procurement Manager receives a bid protest letter, the administrative fee, and the protest bond as described above, the bid award process will be suspended and the protest will be referred to the Bid Protest Committee. If the protest is upheld, the protest bond will be returned to the vendor. The administrative fee shall be non-refundable in all cases.

If the Bid Protest Committee denies the protest, the aggrieved vendor may appeal his/her case to the Davie Town Council. Upon notification, the Town Administrator will schedule the appeal as an agenda item on the next available Town Council agenda. All bidders will be notified of the agenda date.

**General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.

**Purpose of Form**

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

**Note.** If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

**Definition of a U.S. person.** For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

**Special rules for partnerships.** Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.
