LOCAL VENDOR PREFERENCE

1. Definitions

Local Davie Vendor – A “Local Davie Vendor” shall mean a person or business entity which has maintained a permanent place of business with full-time employees within the Town limits for a minimum of six months prior to the date of issuance of a bid or proposal solicitation. The permanent place of business **may not** be a post office box or a residence. The business location must actually distribute goods or services from that location. In addition, the business must have a current business tax receipt from the Town of Davie and have an address that the U.S. Postal Service recognizes as being a Davie address to be eligible.

Local Broward County Vendor – A “Local Broward County Vendor” shall mean a person or business entity which has maintained a permanent place of business with full-time employees within the Broward County limits for a minimum of six months prior to the date of issuance of a bid or proposal solicitation. The permanent place of business **may not** be a post office box or a residence. The business location must actually distribute goods or services from that location. In addition, the business must have a current business tax receipt from the Broward County or the city within Broward County where the business resides and have an address that the U.S. Postal Service recognizes as being a Broward County address to be eligible.

Bid – A “Bid” shall be any competitive solicitation by specification officially posted by the Town of Davie Purchasing staff on the Town’s website where the award is determined by price.

Proposal – A “Proposal” shall be any competitive solicitation by Request for Proposal (RFP) officially posted by the Town of Davie purchasing staff on the Town’s website where the award is determined by qualifications.

2. Process

a) **Competitive Bid** – For bid evaluation purposes, vendors that meet the definition of “Local Davie Vendor” as detailed above shall be given a 5% evaluation credit. This shall mean that if a “Local Davie Vendor” submits a bid/quote that is within 5% of the lowest price submitted by any vendor, the “Local Davie Vendor” shall have an option to submit another bid which is at least 1% lower than the lowest responsive bid/quote. If the “Local Davie Vendor” submits a bid which is at least 1% lower than that lowest responsive bid/quote, then the award will go to the “Local Davie Vendor”. If not, the award will be made to the vendor that submits the lowest responsive bid/quote. **If the lowest responsive and responsible bidder IS a “Local Davie Vendor”, the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.**

For bid evaluation purposes, vendors that meet the definition of "Local Broward County Vendor" as detailed above shall be given a 2.5% evaluation credit. This shall mean that if a "Local Broward County Vendor" submits a bid/quote that is within 2.5% of the lowest price submitted by any vendor, the "Local Broward County Vendor" shall have an option to submit another bid which is at least 1% lower than the lowest responsive bid/quote. If the "Local Broward County Vendor" submits a bid which is at least 1% lower than that lowest responsive bid/quote, then the award will go to the "Local Broward County Vendor". If not, the award will be made to the vendor that submits the lowest responsive bid/quote. **If the lowest responsive and responsible bidder IS a "Local Davie Vendor", the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.**

If there is a "Local Davie Vendor" and a "Local Broward County Vendor" participating in the same bid solicitation and both vendors qualify to submit a second bid as detailed above, the "Local Davie Vendor" will be given first option. If the "Local Davie Vendor" cannot beat the lowest bid received by at least 1%, an opportunity will be given to the "Local Broward County Vendor". If the "Local Broward County Vendor" cannot beat the lowest bid by at least 1%, then the bid will be awarded to the lowest bidder regardless of geographic location of the business.

If multiple "Local Davie Vendors" submit bids/quotes which are within 5% of the lowest bid/quote, then all vendors will be asked to submit a "Best and Final Offer" (BAFO). The award will be made to the "Local Davie Vendor" submitting the lowest BAFO providing that that BAFO is at least 1% lower than the lowest bid/quote received in the original solicitation. If no "Local Davie Vendor" can beat the lowest bid/quote by at least 1%, then the process will be repeated with all "Local Broward County Vendors" who have submitted a bid/quote which is within 2.5% of the lowest bid/quote. If no "Local Davie Vendor" and no "Local Broward County Vendor" can submit a BAFO that is at least 1% lower than the lowest bid/quote submitted in the original solicitation, the award will be made to the lowest responsive bidder regardless of geographic location of the business.

b) Competitive Proposal- For evaluation purposes, "Local Davie Vendor" and "Local Broward County Vendor" shall be a criterion for award in any Request For Proposal unless specifically exempted by the Town Administrator or the Town Council.

c) Exceptions

1. No "local vendor" preference will be included in any competitive solicitation where the Town is the lead agency for the Southeast Florida Cooperative Purchasing Group.
2. Utilization of a State or other agency contract.
3. State or Federal law prohibits the use of local preference.
4. The work is funded in whole or in part by a governmental entity where the laws, rules, regulations or policies prohibit the use of local preferences.
5. Sole source or single source purchases.
6. The "local vendor" is either non-responsive or non-responsible.
7. All bids submitted exceed the budget amount for the project.
8. Emergency purchases.
9. The Town Administrator and/or the Town Council may exempt any competitive solicitation from the local vendor preference.

SWORN STATEMENT PURSUANT TO SECTION 287.133 (3) (a), FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES

THIS FORM MUST BE SIGNED AND SWORN TO IN THE PRESENCE OF A NOTARY PUBLIC OR OTHER OFFICAL AUTHORIZED TO ADMINISTER OATHS.

1. This sworn statement is submitted to the **TOWN OF DAVIE, FLORIDA**

By: Daniel Duke III / President
(print individual's name and title)
For: Hinterland Group, Inc.
(print name of entity submitting sworn statement)

whose business address is: 992 W. 15th Street, Riviera Beach, Florida 33404

and (if applicable) its Federal Employer Identification Number (FEIN) is: 205156844
(If the entity has no FEIN, include the Social Security Number of the individual signing this sworn statement: _____ - _____ - _____).

2. I understand that a "public entity crime" as defined in Paragraph 287.133 (1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentations.

3. I understand that "convicted" or "conviction" as defined in Paragraph 287.133 (1) (b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or non contendere.

4. I understand that an "affiliate" as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

1. A predecessor or successor of a person convicted of a public entity crime; or
2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term "affiliate" includes those officers' directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm's length agreement, shall be a prima facie case

that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a "person" as defined in Paragraph 287.133(1) (e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term "person" includes those officers, directors, executives, and partners. Shareholders, employees, members, and agents who are active in management of an entity.
6. Based on information and belief, the statement, which I have marked below, is true in relations to the entity submitting this sworn statement. (Indicate which statement applies).
 - Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.
 - The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.
 - The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearings and the final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list (attach a copy of the final order).

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES FOR CATEGORY TWO OF ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

Requester's name and address (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the instructions for line 1 and the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
- Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.
