

Planning a small move?

Looking to transport a little load over a long distance but isn't quite big enough for a standard mover? Perhaps you only need to move a few boxes, a few pieces of furniture, or a tiny apartment? Look no further because Ship Smart can assist you; in fact, we specialize in modest relocations. The majority of moving companies are equipped to manage huge loads of up to 2000 pounds and above.

Here at Ship Smart we've been helping people with that exact situation for 20+ years! Our pricing is based on your actual inventory: so, you only need to pay for what you're moving!

What is a small move?

Any collection of things weighing less than 2000 lbs is considered as [small moves](#). Loads weighing more than 2000 pounds are regarded as major changes. Smaller movements, on the other hand, are right up our alley. We can offer a variety of services and are easily able to tailor our pricing structure to accommodate your specific requirements, providing as much or as little assistance as you might need.
