“Big Saving for Small Shipments near NYC!”

How to make a small move from New York City?

Simply call Ship Smart! Our simple **small moves to new york** process can be customized to make your move a breeze. Our warehouse in the area covers all of New York City and has the experience and the know-how to handle any and all of the restrictions that may apply in your neighborhood.

Does your building need a COI (certificate of insurance) or do you need a guaranteed appointment time so you can book the elevator? Well no need to fret, as our warehouse can offer confirmed appointment times and can provide any liability coverage that you might need for building management.

How to send a small shipment to New York City?

Focusing on smaller loads, less than 2000 pounds, makes us a more affordable option than using a moving company with hefty rates based on a minimum of 2000 lbs.

Small moving company in new york

like Ship Smart have a 150 lb. minimum, so you can be sure that you are only paying for what you

need to send.

So if you are heading off to college, need some electronics sent to your new office Downtown, want to send some boxes to a friend, or relative, or just want to see what it's like to live in The City that Never Sleeps you can be sure that we've done it all and we're ready to give your small move the BIG support it needs!

Small move to and from New York, NY
